September 19, 1980, sounds like an ordinary day but for the Heritage Hills students this day was more than ordinary. The 19th was the day of the HHHS Football Homecoming. Students spent the day showing school spirit in every possible way. A very vital part of Homecoming was choosing our new queen. Chosen by the student body this year as queen was Lisa Luebbehusen. Selected as Maid of Honor was Wanda Gogel. The other senior candidates were Sandy Waninger, Lori Myers, Polly Fuchs, and Terry Payne. After the queen crowning ceremonies, the Patriots fought in an exciting battle against the Gibson Southern Titans. Although the game did go into overtime, the Pats came through once again, improving their record to 5-0.

The six senior queen candidates, Carol Kelly, Julie Graham, Linda Pund, Paula Lubbehusen, and Lori Myers, slowly marched onto the gym floor. The crowd could feel the excitement as Kim Link, escorted by Scott Heneisen, became Queen. Linda Pund was voted to be Kim's Maid of Honor. After the ceremonies, the Patriot basketball team fought a tough battle against Memorial but proved to be the champs by defeating them 45-43.

# WE'VE GOT STYLE

Every student at HHHS has a style of his own, especially the students who attended during the 1980-81 school year. Of course we all worked together to create our Patriot Image, but we also worked individually to create a personal image. All types of personalities flourished the halls and classrooms at Heritage Hills this year.

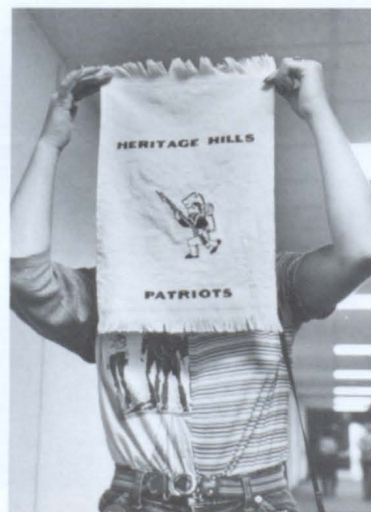

One very special feature was depicted by the students this year. That feature was true pride-PATRIOT PRIDE! No other school will ever be able to experience this feeling that the students felt this year. Everyone worked together, backed the Patriots, and became a part of this very special group of people, The Heritage Hills Student Body.

Many times the pressure of school life really gets to the students but thanks to these and other people, we were always able to overcome these pressures. Before a test or an athletic event, tension would fill the air. These students were very valuable to us, for they were the ones who relieved us of this tension. Our teams could not have done nearly as well without these jubilant students who just would not let anyone be depressed for long.

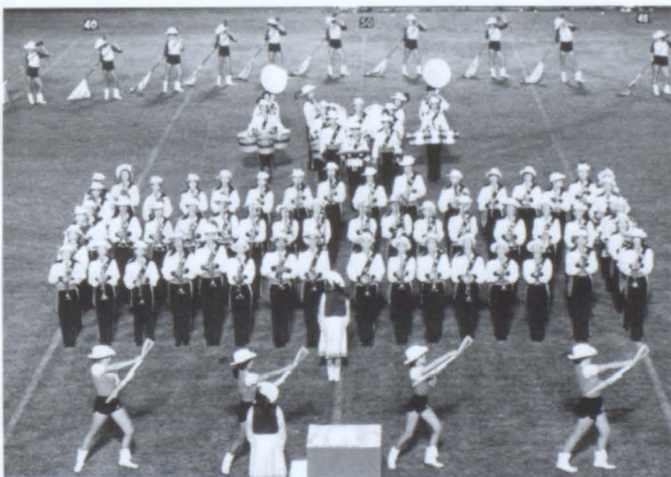

# WHAT IS A PATRIOT?

If anyone takes a walk down the halls here at HHHS he will soon know. A Patriot takes pride in his school and supports it in every way. Whether the teams were good or bad, the students still backed them just because they were Patriots. Students worked hard throughout the year making posters, lawn displays, and just being Patriots. Spring was a big thing this year, especially during pep sessions. Yelling usually served the purpose but this year students did anything from tooting their kazoos to wearing togas. Being Patriots did take a lot of time and hard work but the students felt it was worth it.

The Patriots are an elite group of people. They are noble, dignified and honorable. They respect other schools and acknowledge their rights. These very special people are hard to find unless they are looked for at Heritage Hills High School.

# "WATER, WATER EVERYWHERE . . ."

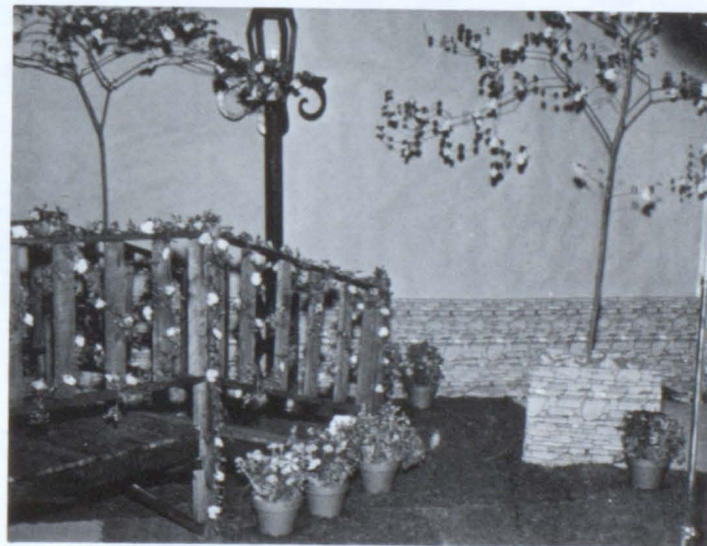

Trying to dodge the raindrops, the seniors took cover under the shelter house at Lincoln Park. About 125 students showed for the event, which, according to Mrs. VanHoosier, was the largest attendance for any senior picnic. Hot dogs were roasted over two roaring fires while friends stood around and chatted. The crowd started eating at 11:00 and finally left at 2:30. Despite the cool, rainy weather, everyone had a good time spending the day with fellow seniors.

Many dedicated juniors volunteered their help to prepare for the prom. Many workers applied tape to the wallpaper to cover the walls. Hanging streamers, they spent many long hours making the sky. Building the rainbow, they added clouds and gold words around the bandstand. Painting a colorful sunset, Karen Dressler used her artistic ability to add romance. All the hard work was appreciated.

Decorated in a park scene, the new school gymnasium created a romantic atmosphere for the five hundred people who attended the junior-senior prom. Yaggi's, from Cannelton, furnished the delectable meal. Dancing under the blue and white crepe paper sky, everyone enjoyed the music performed by "Moonshine." The gym tunnel was changed into a blue and white doorway. Pastel crepe paper became the entrance to a memorable evening. Providing the background for pictures, the wooden bridge surrounded by live trees added to the festive spirit. Glistening, the bright rainbow gleamed as a red spotlight shone upon the colors. Chosen by the student body, Terry Brahm and Sherri Bettag reigned as king and queen. The rest of the evening was spent dancing, talking, and taking pictures. Leaving the prom, Mr. Hess and Mrs. Heneisen knew that the memory would be "Precious and Few."

Candidates for the 1981 king and queen were: Terry Brahm, Sherri Bettag, Dave Howell, Robin Moseby, Dave Foss, Sarah Childress, Bruce King, Sheila Waninger, Jed Smith, Jan Reutman, Scott Heneisen, and Linda Pund.

This turn of the century story deals with the love that Laurey Williams (Melodie Kirby) has for Curly (Todd Bracken) and the love he has for her, but neither one of them will admit his or her true feelings. At the box social, which is run by Aunt Eller (Cheryl Beach), they confess their true feelings and Laurey agrees to marry Curly. During this, Ado Annie (Mary Altstadt), is trying to decide whether to marry Will (Mike Badger) or Ali Hakim (Stan Wedeking). After Curly and Laurey are married, their friends gather to tease them in a western "shivaree". Showing up uninvited, Jud (Tony Ricketts) tries to kiss Laurey but is pushed away by Curly. Jud draws a knife and attacks Curly. During the struggle Jud falls on the knife killing himself. After an impromptu court scene, Laurey and Curly, who is absolved of the murder, leave on their honeymoon.

The directors of Oklahoma, Miss Holt, drama director, and Mrs. Bracken, music director, devoted many hours to make the production a success. Helping Mrs. Bracken with the music were organist Jane Davis, and Claudia Earnest, pianist.

CENTER RIGHT: Varsity cheerleaders are Natalie Winchell, Jan Reutman, Tammy Daunhauer, Brenda King, Sherry Bettag, and Darlene Reutman.

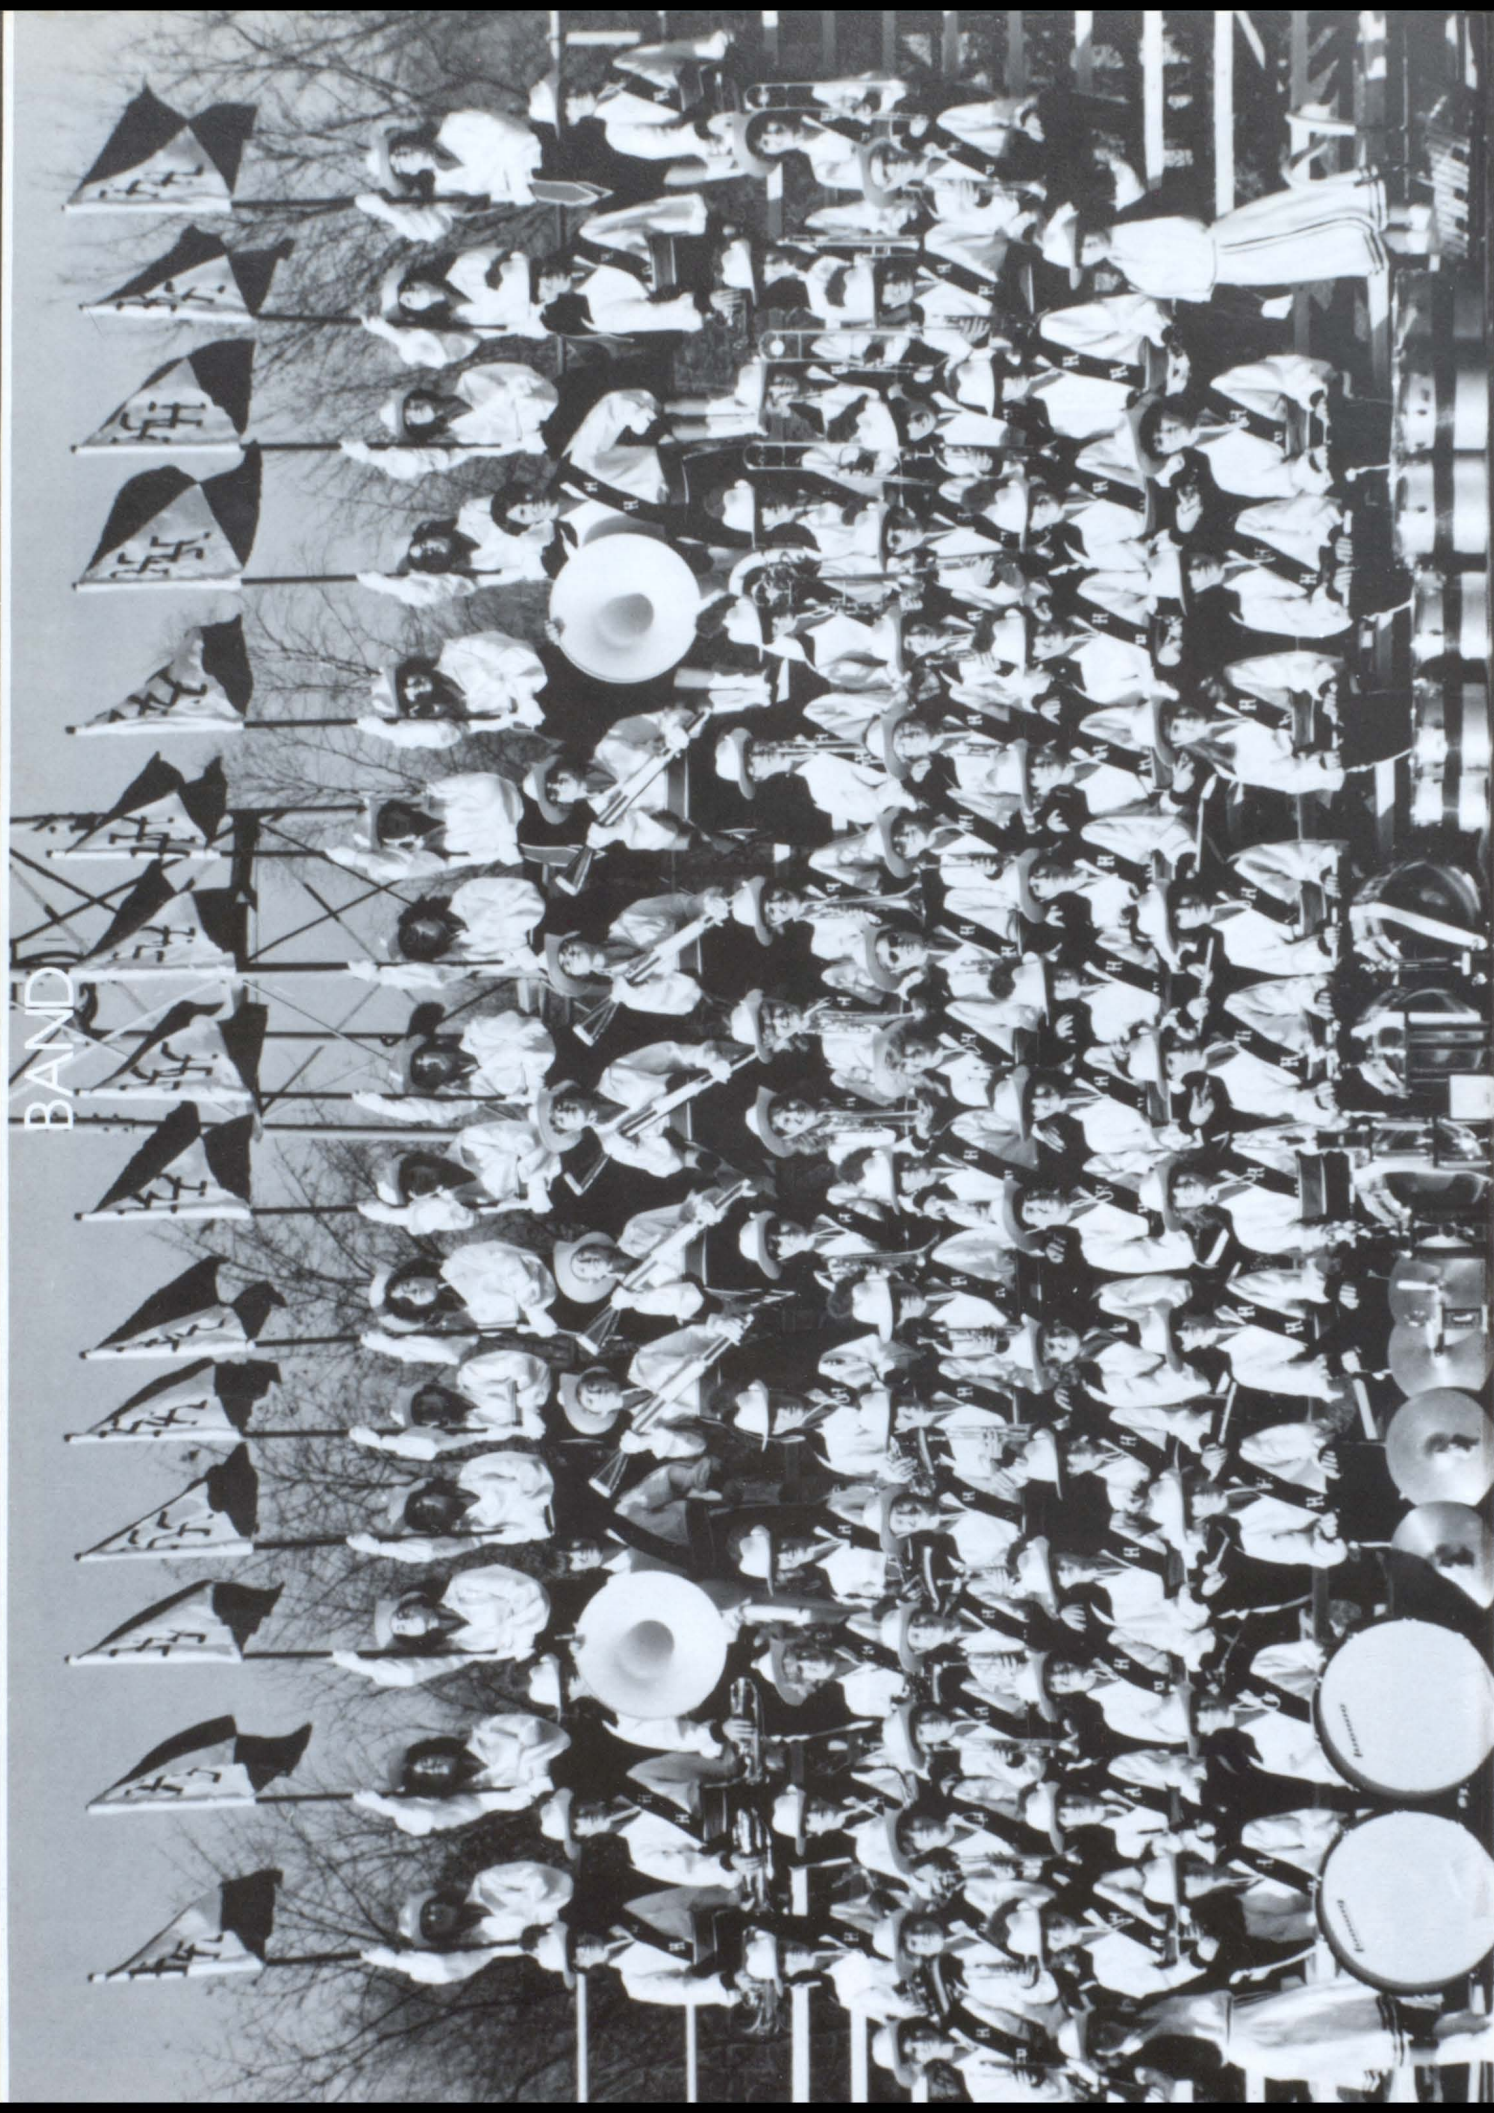

BOTTOM RIGHT: Freshmen cheerleaders are Betty Harpenau, Donna Michel, Debbie Rust, and Connie Jochum.

The 1980-81 cheerleaders were a very dedicated group of girls. Besides leading cheers at ballgames, they also helped boost the morale of the players and fans. They attended cheerleader camp at Vincennes University and were awarded with a spirit stick and numerous superior rating ribbons. The varsity squad participated in a statewide contest at Indiana State University in Terre Haute and received third place out of seventeen squads, which made them eligible to cheer at an ISU football game. All the cheerleaders have done a tremendous job and they deserve our utmost appreciation.

# SOUNDS AS SUCCESS

## IN THE LIMELIGHT

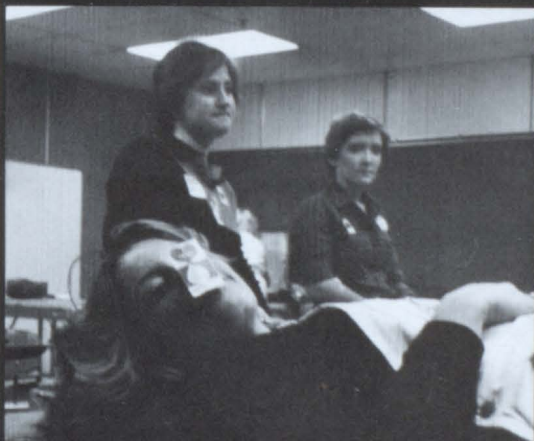

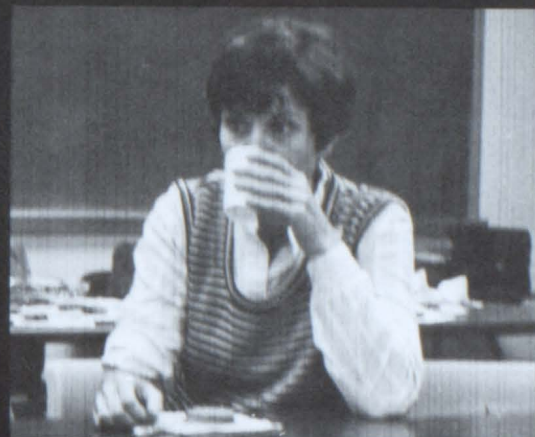

This year the students and faculty at Heritage Hills were entertained with a variety of convocations arranged by Mr. Collins. Among these were the Pepsi Cola-WKDG Multi Media program, the Navy Rock Band, the student Variety Show, the Heritage Bowl Champion-

ship (featuring Ms. Cameron's ABC'S who defeated Mr. Blessinger's Bandits), the Air Force Rock Band, hypnotist Bob Reams, magician Kevin Roth, and a concert by our own high school band.

**we gave.**  
**did you?**

Our school participated in a very successful blood drive. In all, one hundred and sixty-one persons attempted to give blood. Of these, thirty participants were deferred due to their weight or other reasons. In all, one hundred and twenty-one pints of blood were collected. In the past two years our school has contributed more blood than anywhere else in the community. For this donation, all the seniors, along with any juniors who donated, were given a day off from school.

The chorus under the direction of Mrs. Bracken, was involved in several activities throughout the school year. The chorus started the year by sending a select group to the Lincoln Hills Choral Festival at Southridge High School. In December the chorus gave a Christmas concert for the school and parents. The chorus competed in the State Music Association District Choral Contest at Jasper in April. The chorus ended the year in May by giving a Spring concert, made a tour of the elementary schools, and by singing for the Santa Claus Chamber of Commerce.

The chorus had goals of improving and working for a superior rating in their division at contest, to become more unified as a singing group and to get more people to join.

Mrs. Bracken said that she was really pleased with the progress the chorus has made this past year in discipline, cooperation, attitude, and musicianship.

# HERITAGE HILLS FINISHES YEAR

The mighty Patriot football squad demonstrated outstanding ability, which evoked much school pride and spirit. Under the direction of head coach, Bob Clayton and assistant coaches Brent Hawkins, Bob Hawkins, Steve Merkel, and Perry Bailey, the team ended the season undefeated for the first time in the school's history. In ten outings, the invincible Patriots outscored their opponents 352-29. Senior Bruce King, with a total of 142 points, was the leading scorer in Southern Indiana. The powerful Gibson Southern Titans delivered quite a scare, being defeated by only six points in an over-time thriller. Southridge, Gibson Southern, Pike Central, and Tecumseh were the only teams able to score against a tough Patriot defense. Congratulations on a fine season!

The crowd was full of anticipation as the last game of the season began. This game would determine if the PAC football crown remained in Patriot hands. Heritage Hills and Tecumseh were both undefeated and eager to win the honor of being named 1980 PAC champions. Remaining victorious, Heritage Hills won the contest of strength and courage with a score of 21-6.

North Knox was added to the Pocket Athletic Conference this year but posed no threat to the mighty Patriots who were the victors with a score of 50-0. Twelve Patriot players were named to the ALL PAC team: Steve Seifrig, Ken Tribbie, Bill Sherman, Chris Sigler, Bruce King, Mark Duss, Jeff Jones, Dave Howell, Scott Waninger, Dwayne Detzer and Brian Tornatto. Bruce King and Chris Sigler were also named the Most Valuable Players in the Conference.

## PATRIOTS WIN THIRD PAC TITLE

## HERITAGE HILLS SECOND IN STATE

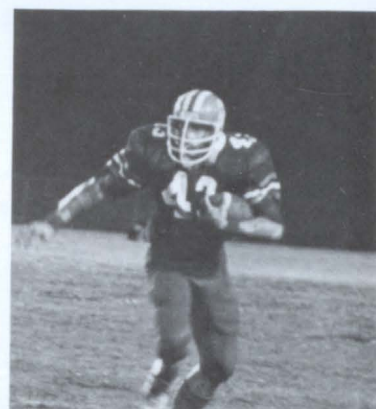

Climbing higher as the season progressed, the Patriot Varsity football team ended the season ranked second in the Indiana post-season Class AA polls. Unfortunately, Heritage Hills was not permitted to compete in the state playoffs. Two team members, Chris Sigler and Bruce King, were named to the All-State football team. The powerful Patriots deserve much praise for a fine season.

## JUNIOR VARSITY SHOWS FUTURE PROMISE

The Junior Varsity football squad had a winning season, finishing the year with a 7-2 record. These young men promise a bright future for the Patriots in upcoming seasons. Gratitude is extended to coaches Perry Bailey and Steve Merkel for a job well done.

# PAC CHAMPS

When Coach Hein and his basketball players began their season it looked as if the Patriots would again lead an invincible and victorious season. Midway through the season the Patriots were undefeated with 15 wins and no losses; by this time, they had been ranked as high as 15th in the Associated Press polls and 18th in the United Press International poll. During the time the Patriots gained a PAC title and a Holiday Tourney victory.

## INJURIES HALT THE PATRIOTS

When the boys basketball team came up against the Bosse Bulldogs, the Patriots were confident and ready for a win, but an ankle injury to one of the starting five, Doug Teaford, halted their performance. The next game against the Forest Park Rangers ended in defeat; it was at this game when Bruce King injured his ankle bringing the Patriots to a near standstill.

But despite many injuries the Patriots ended the year with a 17-4 record. Coach Hein was very pleased with the season and feels that next year's team will be very competitive.

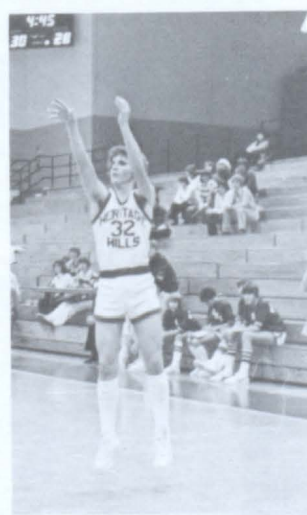

## FROSH WINS PAC

Highlighting freshman basketball this year was winning the PAC Tourney. Coach Mike Tower felt that if Brad Fella would have played freshman ball instead of Junior Varsity, the team would have done even better than 11-7 season record.

The freshmen boys show a promising future in rebounding with Richard Hawely and Paul Schaus dominating the boards on the "A" team, while Gary Jones and Mark Fetter controlled the boards on the "B" team. Pat Crews, Tim Vaal, and Richard Hawely proved successful in the scorers column for the "A" team. The main scorers for the "B" team were Ken Heckle and Brad Everett. Quarterbacking the "" team were Keith Ayers and Dan Phillips, while Kerry Barnett and Ken Heckle did the job for the "B" team.

# PAC TIE

Finishing with a 17-2 record, the Patriot Junior Varsity basketball team will be looking next year for bigger and better things. After losing to only one team, a strong Southridge club, the Patriots earned a taste of the PAC title by an even tie with Southridge.

Statistics were also impressive for the Patriots with Steve Grundhoefer leading in free throws for an 80% ranking. Tom Collins headed the team in points by averaging 11.3 per game. As a team, Coach Bailey's troops gave a 49% shooting average per contest and 66% from the free throw line.

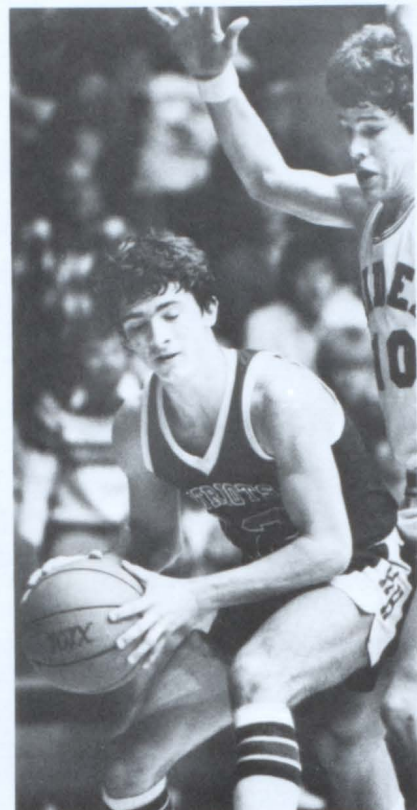

Coach Bailey commented, "The team was extremely well-balanced in every category and worked hard as a team all year-and it paid off."

# WHAT A YEAR

# IT HAS BEEN

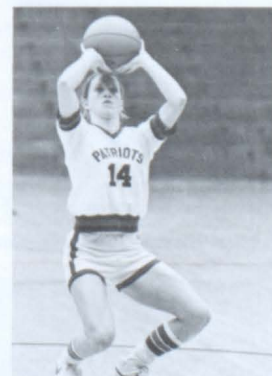

Coaches Dan Hendren and Mary Hess in their first year of coaching girls basketball felt that the major problem was due to the lack of confidence in winning. This attitude was partially caused by the three previous years of losing seasons, compiling only seven wins during that period of time. Despite this factor, the lady Patriots fought back, trying to convince themselves that they could be winners. The girls did just that.

For the first time in four years the Patriots' hard work and dedication finally paid off. The varsity squad finished the season with an impressive 11-6 record for the regular season and 4-2 in the Pocket Athletic Conference, next to North Posey and Southridge. In addition to this outstanding record, the girls also placed second in the Marion Heights Tourney at Ferdinand. The women's basketball team concluded their season taking the runner-up position in the Boonville Sectionals.

## GIRLS BASKETBALL PROVES SUCCESSFUL

Leading the Patriots with points were seniors, Tammy Neighbors and Donna Aders; both Donna and Tammy also received PAC Honorable Mention.

The Junior Varsity had a victorious season with nine wins and four losses. Coach Hendren said "Without a doubt, Julie Hunter was the most improved."

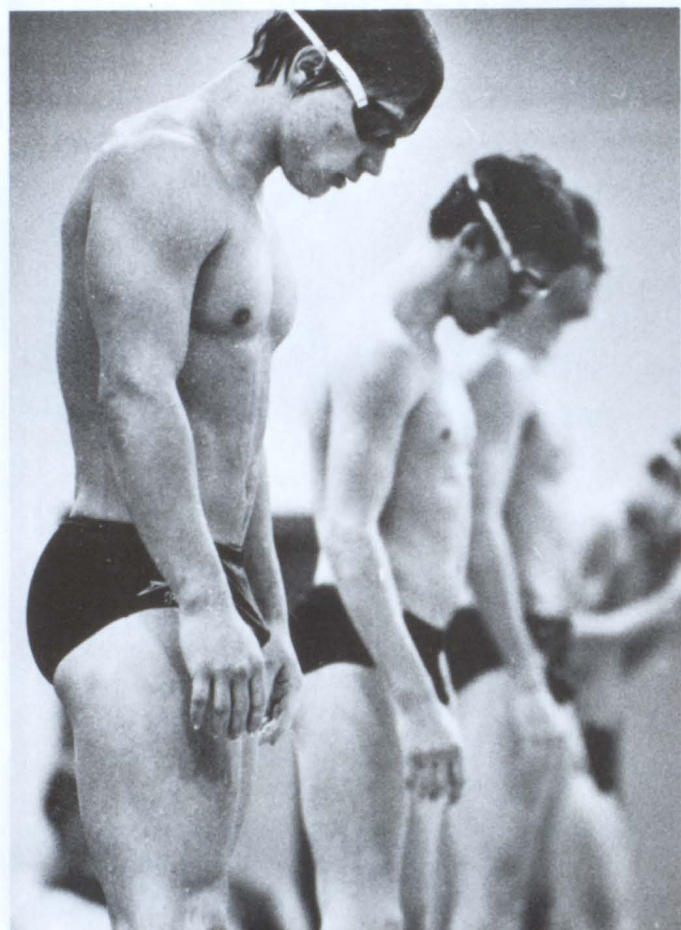

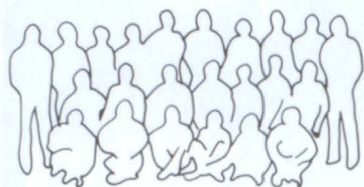

1. Coach Mary Hess 2. Jan Reutman 3. Tammy Neighbors 4. Sherri Gundhoefer 5. Rhonda Painter 6. Coach Dan Hendren 7. Mary Rice 8. Stacy Kloeck 9. Donna Aders 10. Annie Gogel 11. Kathy Meyer 12. Mary Crews.

As the Patriot swim team traveled throughout southern Indiana, old records fell and new ones were posted. Senior Todd Smith set new records at nearly every meet. Todd also received the most points award and the senior leadership trophy.

Even though the Patriots did not reach their goal of conquering Pike Central for the PAC title, they placed second only a few points behind them. However, the swimmers came back at the sectionals demolishing Pike Central which placed Heritage Hills fourth behind Jasper, Bedford, and Castle.

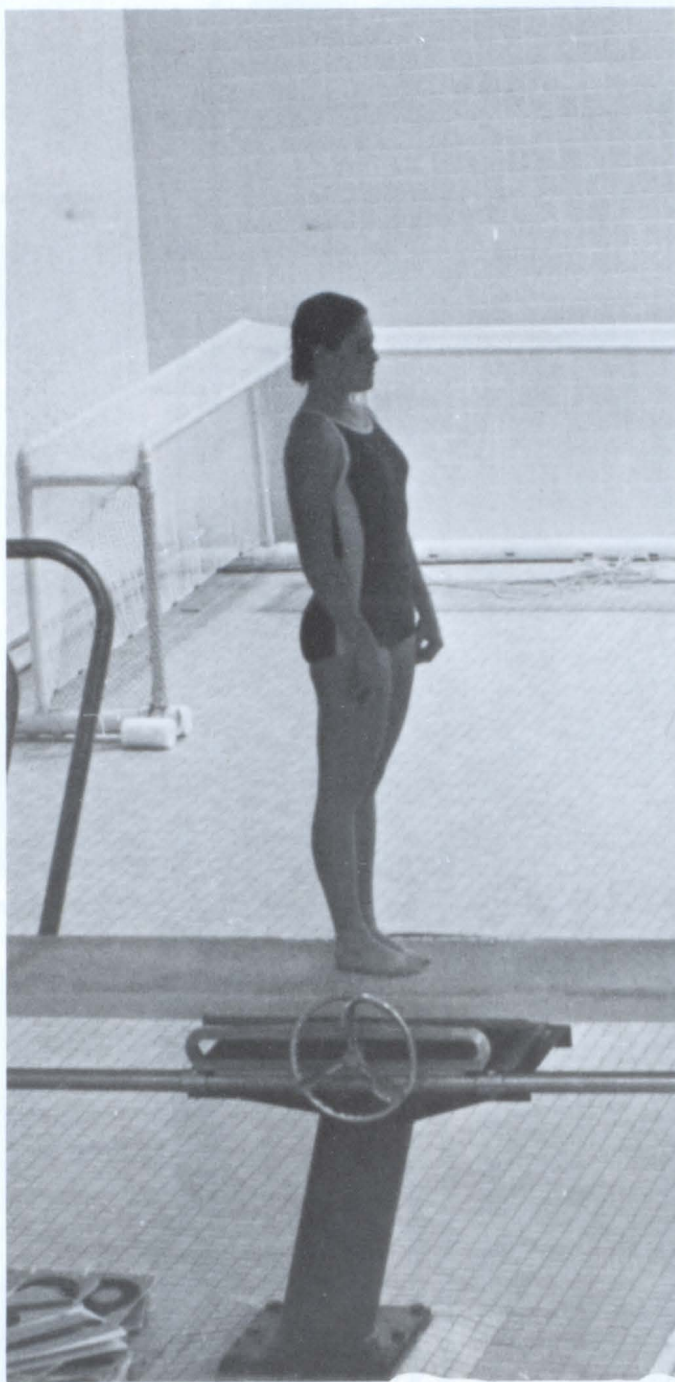

Coach Compton, who has coached boys swimming for four seasons, said that this year's team was one of his most successful with a 9-5 record. Next year should again have a victorious season with many returning lettermen and a strong group of underclassmen.

## PATRIOTS SET NEW RECORDS

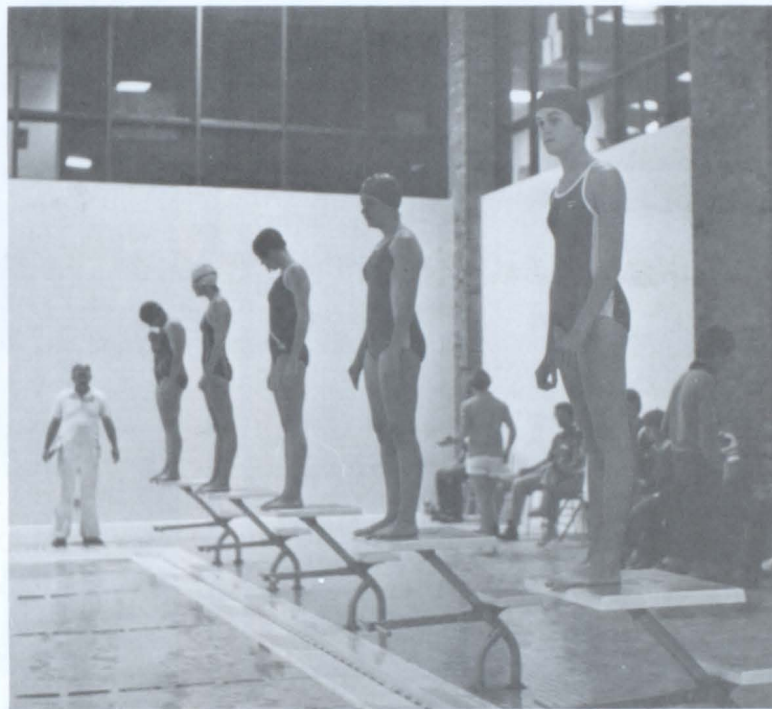

# GIRLS SWIMMING

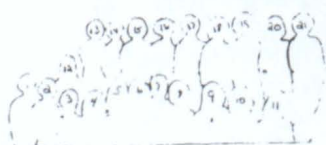

The Heritage Hills girls swimming team coached by Mrs. Suzanne Russell concluded their season with a 6-4 record. In addition to having a victorious season the lady swimmers won the PAC crown for the fourth straight year. The PAC champions are as follows: Sherri Grundhoefer in the 200 freestyle, 500 freestyle and the 400 freestyle relay; Barb Wetzel in the 100 backstroke, 200 IM and the 200 medley relay; Shannon Kirby in the 100 butterfly and the 400 freestyle relay; Natalie Winchell in diving; Sherry Bettag in the 400 freestyle relay; Dolly Reutman in the 200 medley relay and the 400 freestyle relay; Jill Lifke in the 200 medley relay.

The Patriot swimmers who placed fourth in the sectionals at Southridge High School qualified six girls to swim in the state meet at Ball State University. Sherri Grundhoefer, Dolly Reutman, Shannon Kirby, and Sherry Bettag qualified in the 400 freestyle relay. Only two swimmers qualified for individual events; Barb Wetzel in the 100 backstroke and Natalie Winchell in the diving competition. One week before the state meet senior Sherri Grundhoefer suffered an ankle injury, but despite Sherri's injury the four girl 400 freestyle relay placed thirty-first in the state of Indiana.

Barb Wetzel received the most points award leading the team with 174 points followed by Sherri Grundhoefer with 172 points. Paula Roos received the freshman award. Coach Russell said that Sherri Grundhoefer and Sherri Bettag led the team as far as leadership.

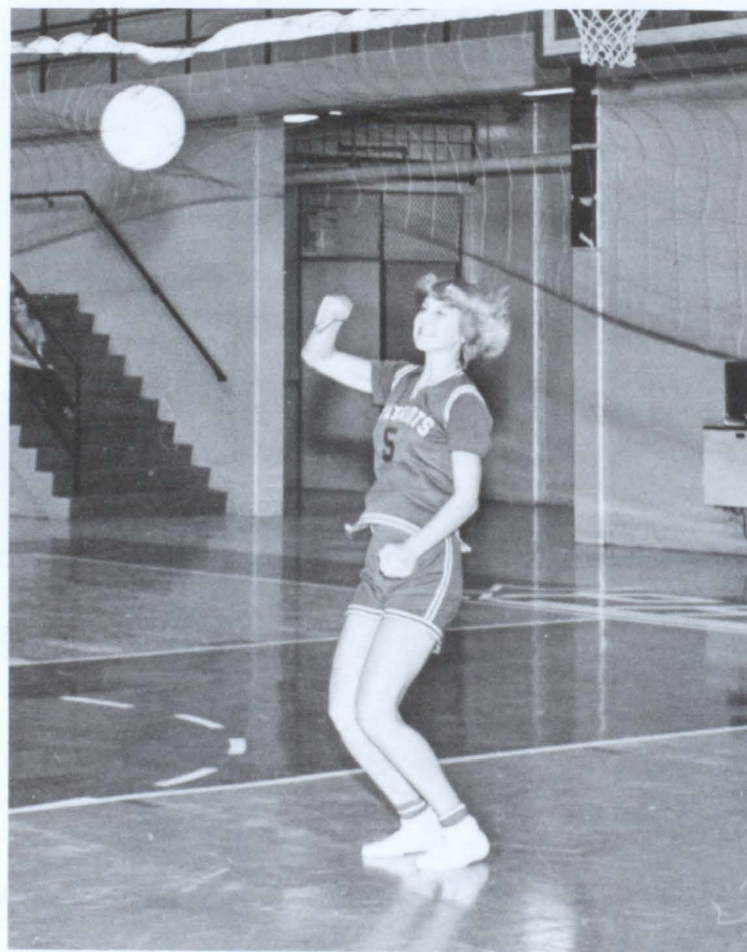

## VOLLEYBALL GIRLS STRUGGLE

As a result of three month's training and hard work, the lady Patriots concluded their season ranked sixth in the sectionals and finished fourth in the PAC although their three victories over PAC schools proved to be no consolation in the tourney.

The Junior Varsity finished the season with a 2-11 record. The Junior Varsity as well as the Varsity often found themselves outmaneuvered by their opponent's skill; the Patriots were also considerably shorter than their victors. Junior Varsity member, Chris Hendren, received an award for the Most Improved Player. With the returning lettermen, the prospect for next year's volleyball at Heritage Hills looks very good.

1. Coach Mary Hess 2. Kathy Brockman 3. Chris Hendren 4. Connie Jochim 5. Julie Hunter 6. Lisa McIntosh 7. Donna Aders 8. Karen Fetter 9. Connie Fischer 10. Tina Bettag 11. Angie Roos.

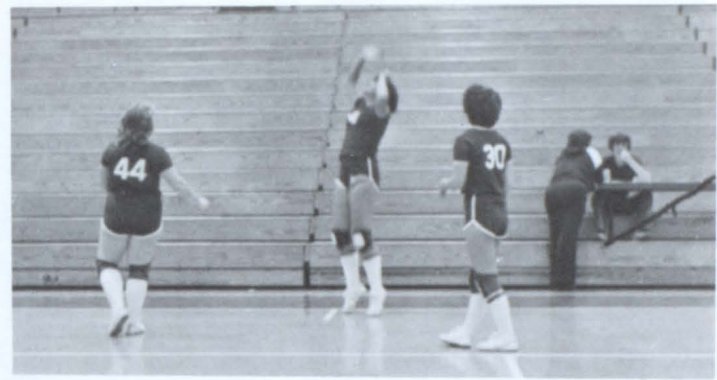

In her rookie season of coaching volleyball, Coach Mary Hess and the 1980 Varsity Patriots posted an unfortunate season but showed great improvement as the season progressed, finishing their season with three wins and fourteen losses. Throughout their season the lady volleyball team confronted tough teams such as state ranked Boonville and Castle.

When asked what she felt was the major hold back, Coach Hess replied, "Height and back line playing proved costly in close games."

Senior Lisa Luebbehusen, who was the tallest member on the team, received the Most Spikes Award for her efforts and knowledge of volleyball. Another senior, Annie Gogel, received an award for Most Assists. Annie was also named as an honorable mention by the PAC coaches. Both Annie and Lisa were described by Coach Hess as team leaders.

1. Coach Mary Hess 2. Laura Hagedorn 3. Lisa Hendren 4. Lynn Duss 5. Lisa Luebbehusen 6. Charmaine Kern 7. Shelly Osborn 8. Donna Aders 9. Lisa McIntosh 10. Bonnie Waninger 11. Annie Gogel 12. Tina Beckman 13. Stacy Kloeck.

## TERRY BRAHM THIRD IN STATE

Three months of summer training plus one hundred percent determination prepared Terry Brahm for his outstanding cross country season. Terry had the ability necessary to win, but, most importantly, he had the determination needed to win. After coming in first at all but one meet, he came in first at the South Knox Invitational, the North Posey Invitational and the PAC meet. Terry won the sectional meet and went on to the regionals. At the regional meet, he placed third, which also meant he could continue on to the semi-state meet. Terry still didn't give up, coming in fourth at semi-state. His final high school cross country meet was at the state meet at Indianapolis. Terry ran the course with his best time ever, placing third overall in the state of Indiana.

1. Richard Hawley 2. Dan Price 3. Mark Nighswonger 4. Coach Greg Hale 5. Kevin Foss 6. Tom Gunn 7. Paul Schaus 8. Randy Waninger 9. Terry Brahm 10. Gary Shourds 11. Jed Smith 12. Gary Jones 13. Eddie Mullis 14. Keith Kleiser 15. Poncho Martinez 16. Dan Phillips 17. Ron Wilson 18. Cary Beckner 19. Brian Vaal 20. Mark Fetter.

## RUNNING FOR THE RIBBON

The Cross-Country team, lead by Coach Greg Hale, had the most victorious season, 42-0, in the history of Heritage Hills. This was the first year in the history of the school that both the Varsity and Junior Varsity ever won the Cross-Country PAC Crown. The undefeated Patriots placed fifth overall in the sectionals permitting them to go on the the regionals. An individual runner, Terry Brahm, did place third, enabling him to participate in the semi-state meet.

Coach Hale, in his first year of coaching, was very pleased with the team's performance. In the North Posey Invitational the team thought they had placed second among the eleven teams but after the scores were counted, the Patriots were declared the winners. of the South Knox Invitational where thirteen teams competed. The top seven guys on the team who ran in the invitational were Gary Shourds, Terry Brahm, Randy Waninger, Brian Vaal, Mark Nighswonger, Jed Smith and Tom Gunn. Due to a mid-season illness, Jed Smith was unable to complete the season.

## PLACES THIRD IN PAC

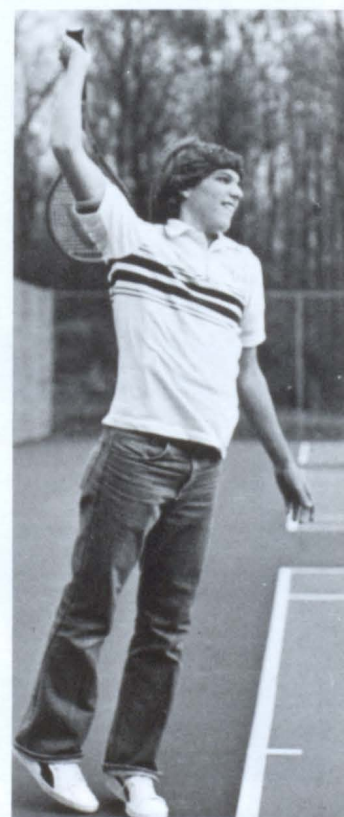

Not being fundamentally sound could have been the problem for the Patriots this year. With a 2-11 record, they finished with a commendable third place in the PAC.

In the sectionals, a determined Patriots tennis team demolished favored Corydon; in the second round the Patriots lost a hard fought game to Forest Park.

Scott Heneisen was considered the backbone of the team, with 11 victories. Brett Myers and Doug Teaford can be congratulated for being the most improved players. Grundhoefer and Huffman also tied for the Most Valuable Player award.

With few returning lettermen, Coach Blessinger will be hoping for strong rookies in the future to take up the slack from graduation seniors.

1. Doug Teaford 2. John Huffman 3. Steve Grundhoefer  
4. Chris Cannon 5. Mark Duss 6. Nathan Kennedy 7.  
Brett Myers 8. Coach Tim Blessinger 9. Scott Heneisen  
10. David Roos.

Although Coach Tim Blessinger is a veteran at coaching tennis, this was his rookie season as mentor for the lady Patriots. Since this is only the second year for girls tennis at Heritage Hills they are still building for a strong team in the future.

Even though the girls started the season rather slowly by losing their first three matches, they began to improve towards the end of the season by defeating a tough Dubois team and Boonville. They also received a win by forfeit from Pike Central early in the season.

Kristy Spurlock earned the most valuable player award by compiling a 6-1 season record, while Barb Wetzel won the most improved award with a 5-2 season record. Co-captain, Angie Roos, received the mental attitude award for the 1981 season.

# WRESTLING

## INNERS

The wrestling team finished the season with a 10-5 record. This ties the win record of last year's team and the best record in the history of Heritage Hills. Steve Seifrig advanced to the regionals by winning his weight class at the sectionals. Chris Kondering and Howard Steen advanced to the regionals by taking second place in their respective weight classes. Three wrestlers, Chad Gilles, Hallie Rust, and Bill Sherman, took third place in their respective weight classes. The team placed third in the PAC. Hallie Rust, Steve Seifrig, and Howard Steen won their respective weight classes. In any sport, senior leadership is important, and despite the fact that Chad Gilles and Steve Seifrig were the only two seniors on the squad, a lot of leadership was shown and a lot of work was done by all the wrestlers, which helped the team complete a very successful season.

Coach Henry Ayres again led the Patriots to a winning season with a 15-6 season record. Much of the success was attributed to the leadership of the five outstanding seniors who included Chris Sigler in the outfield and on the pitching mound, Jed Smith as the versatile team member who played where a position needed to be filled, Bruce King who did well in the outfield, John LaGrange at second base, and Mark Nighswonger at first base. The 1981 baseball team also finished with a commendable second place in the PAC, ending with a 5-1 record.

Coach Ayers commented, "The major reason for the success of the team was the ability to score runs. We averaged over seven and one half runs per game and three stolen bases so we were always a threat to score. This, to some extent, made up for our defense which averaged three errors per game.

They also came home with a trophy from the Forest Park Tourney which can be considered a tremendous accomplishment. Offensively, the team batting average was above .300 all season with Jed Smith and Chris Sigler hitting well over .400 and Bruce King powering in four home runs. Defensively, Steve Seifrig handled the catching and did a commendable job at pitching.

Senior Glen Carpenter was awarded the most valuable player award, Carpenter also received the low scoring average trophy. Coach White commented that the team will be losing several seniors and that next years depends mainly upon the freshman, but overall he feels that they will be very competitive.

## "LOOK TO THE STARS"

The athletes in Mrs. Borden's and Mrs. Leistner's special education classes were once again participants in the local Special Olympics at the St. Meinrad Seminary Campus. Many of the athletes went to the regionals at Evansville and then on to the State Olympics at the I.S.U. campus in Terre Haute.

During the Olympics the athletes could enter events such as the 50 meter dash, the 440 relay, the softball throw, the standing long jump, swimming and the pentathlon. The athletes had a strong spirit for the competition, which helped them win thirty ribbons.

### PRIDE,

Reflects the spirit of the school.

Individuals form the groups, rejoicing at victory.  
Defeat is unmentioned in our resounding halls as  
Enthusiasm fills our corridors.

In sports we have excelled.  
Success has become ours.

The pride was not confined to our sports.  
Honors in academics were not ignored.  
Education was a first.

Knowing we want to better our world, we  
Emulate the best of our past.  
Yearning to improve our future.

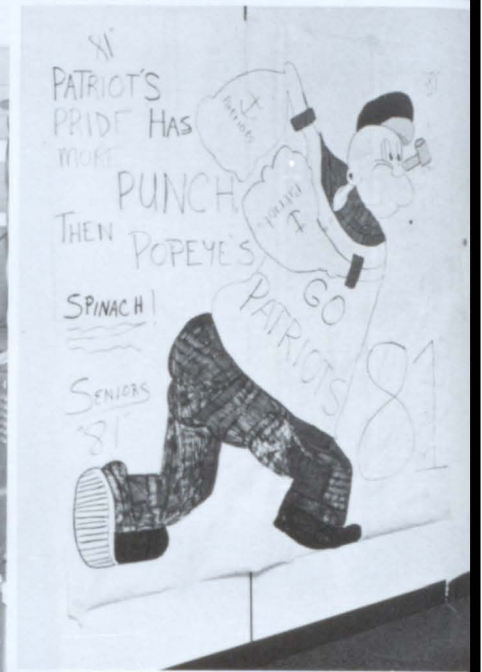

Teachers instill their ideals in our lives.  
Onward we have gone, carrying their hopes.

Perfection is high among our goals. We, the  
Authors of our destinies, realize the  
Time that must be taken to accomplish this.  
Recognizing our mistakes, we learn from them.  
Intellectually, we strive to become  
Olympians of knowledge. We  
Take our ideas in hand as we

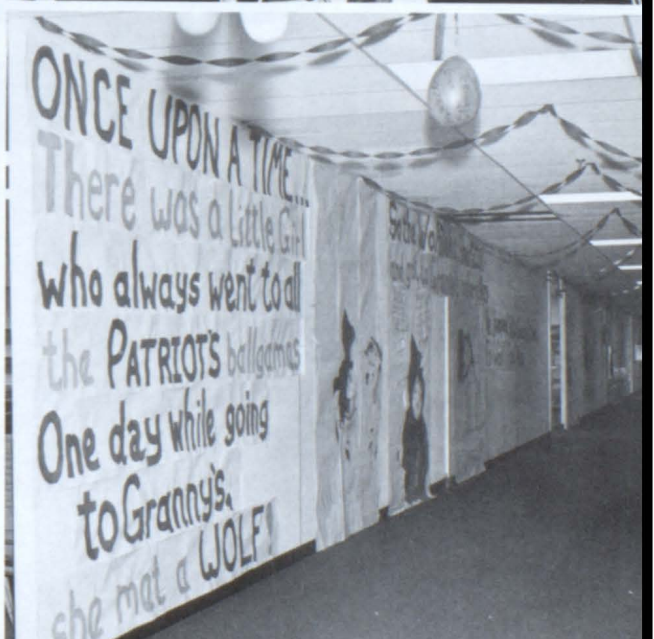

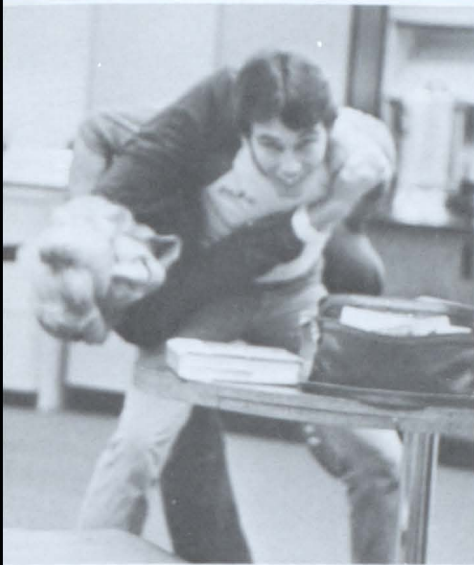

Strive to make it in the world. We are  
Unique in our individual ways, but still a group,  
Confident in our efforts to succeed,  
Confined only by the limits we set.  
Enriched with knowledge, we continue to strive, as  
Students, constantly learning from the world, finding  
SUCCESS.

K.M. SHELTON

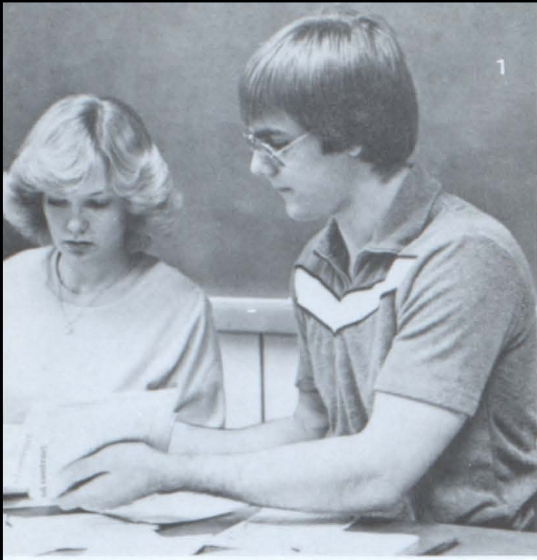

To show how the yearbook is collectively organized we, the yearbook staff, have staged this sequence page. 1. Here, reorganizing the ad contracts are Brad Zoglman and Julie Graham. 2. Distributing the previous year's annuals are Linda Pund and Micky Shelton. 3. Donna Aders and Tammy Neighbors are planning the rough layouts. 4. The yearbook staff relies on the photos taken by staff photographers, Kenny Northerner and Mark Nighswonger. 5. By using the photo fit, Brenda Rexing is cropping the pictures needed for the layouts. 6. The typed copy needs to be

error free: Tammy Faulkenberg and Cindy Groves are doing the job right. 7. The editor, Jenny Balbach, places the final touches on the pages. 8. After the pages are finished, Mary Crews will send them though the mail to meet our deadline. 9. The finished copies are displayed. These are just a few of the many tasks involved in putting together a yearbook.

Believe it or not-we did it! We struggled through twelve years of continuous learning so that we could receive our high school diploma. Being seniors meant more responsibility. The teachers expected more out of us than they expected from the underclassmen. Several times we let our teachers down, but after Principal Lake gave our class a lecture on setting examples for the underclassmen, we began to shape up.

The senior class provided some of the best athletes in Southern Indiana. Participating in sports and other activities helped us to grow and learn so that we would be able to go out into the world and make it on our own.

When the memory books came in during December, sadness filled our classes as we began to realize that after graduation many of us would probably not see each other again. But as graduation neared we became more cheerful. We realized that what we wanted to remember about HHHS should be the good things so we decided to make things happen. We did things together, as a class. During one pep session we wore togas in addition to a fantastic "Senior Drill." Although we seniors will probably forget a few of the stunts we pulled, the future seniors will continue to do these year after year, so that the joy of being seniors will live on.

After the seniors marched slowly down to their seats, Valedictorian, Rhonda Smith, along with Salutatorian, Lori Lottes, gave their addresses. Eagerly each senior proudly walked up to the stage to receive his diploma. As the line of recipients came to an end, the cameras stopped flashing and the applause came to a close. Finally, the seniors switched their tassels from left to right—the class of 1981 were graduated.

The yearbook staff and I have tried our best to capture the most important highlights of the 1980-81 school year. Hopefully, this book will serve as the KEY to your memories. Looking through it, you will be able to relive some of the most exciting times of your life.

A tremendous amount of time and hard work was put into this book, and I owe thanks to many people who knew that it was worth it. A very special thanks goes to Ms. Wade. Without her help this book would probably not exist. I would also like to thank all of the members of the staff, especially the photographers who spent a lot of their free time taking pictures for the yearbook. Thanks also goes to the faculty for any inconveniences the production of this yearbook may have created.

Jenny Balbach, Editor
