MEMORIES-1957

DALE HIGH SCHOOL
DALE, INDIANA

We, the class of '57, invite you -- parents, faculty, and students -- to step through these doors and recall with us, memories of the school year '56-'57.

We hope as you look through this yearbook you can share with us the fun, hopes, successes -- even the disappointments -- we have known.

FOREWORD

Our high school means a lot of different things to a lot of different people. It's primarily a school of learning. English, shop, math, commerce, history, music, and science compose a variety of courses which arouse the interest of each individual student.

But that isn't all the school is teaching us. Responsibility, initiative, and private thinking are encouraged through discussions and participation in extra-curricular activities to fit us as young adults in a world in which communism and democracy are each striving for domination.

The freshmen find themselves in a new freedom from the old grade school and home

regulations while the seniors think seriously of colleges, vocations, and military service.

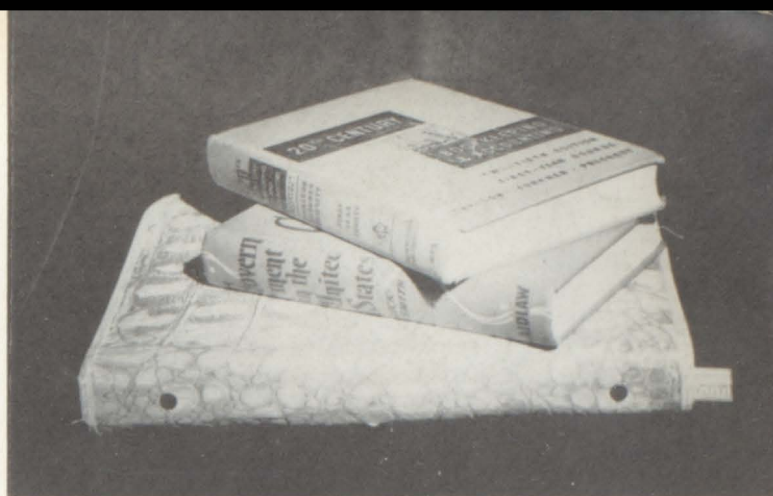

But we aren't too much of a serious bunch, for we laugh, sing, and play also. Our cheering and screaming during games, the latest gossip echoing in the halls between classes, the shouts of the basketball boys from the gymnasium after school, a typewriter pecking away in the typing room, a clarinet practicing for the contest -- these things, too, are our school.

Dale High School is indeed one of laughter and learning. But now let's turn the pages and see who makes up the faculty, class, and activities.

WE WILL REMEMBER . . .

In his fourth year as principal of Dale High School, Mr. Ralph T. Kifer is well established in this community. Mr. Kifer, who received his Masters Degree at Indiana University, is currently active in Kiwanis and American Legion. His efforts and planning have helped produce plans for a new cafeteria and added classrooms at Dale High School.

Mr. Hurst Livengood Carter Twp. Trustee is known to most of us having taught Commerce and coached here during the forty's. He gives freely of his time to plan and help put into action projects for Dale High School.

Always cheerful and understanding county superintendent Theodore Woolsey keeps Spencer County and school running smoothly.

Mrs. Carolyn Guth, office secretary and school treasurer can always be found at her desk in the outer office. No matter how busy she happens to be, she has a friendly word for everyone.

NOT TOO FAST NOW!

These words can always be heard during driver training class. Mr. Livengood teaches Driving, History, and he is our basketball and baseball coach. He is also Sophomore sponsor.

WHAT BONE IS THIS?

Mr. Simpson, head football and track coach, teaches Health and Safety, Boys Phys. Ed. and Freshman English. He is known for his ever present smile. He is Freshman sponsor.

FALL IN GIRLS!

Who is absent today? This is a familiar scene in the girls gym every day. Mrs. Stone is the girls physical education sponsor, English teacher, and Freshman class sponsor.

A FULL SCHEDULE

Mrs. Hoops, our school librarian, combines dramatics with instruction in Latin and English. She is Senior sponsor, and supervisor of the Senior play.

THESE JUNIORS!

Mr. Newkirk, Junior sponsor, can always be seen busying himself around the Junior concessions stand at the ballgames. Mr. Newkirk can also be found with a math book under his arm since he teaches algebra and geometry.

HAVE THE SENTENCES TOMORROW

Mrs. Winkler, a new teacher at D.H.S., is Junior sponsor, Junior Play director, and she teaches English and Business Arithmetic.

IS EVERYONE READY? BEGIN!

These words are familiar to all students in Mrs. Upson's typing classes. Aside from her typing classes, Mrs. Upson teaches Bookkeeping and Secretarial. The school yearbook, Memories, is under her supervision. She is a Sophomore class sponsor.

A STITCH IN TIME SAVES NINE

That's the philosophy of Miss Weedman, Home Economics instructor. A Junior sponsor she assists cheerleaders and sponsors the Booster Club.

THIS IS WHERE IT IS LOCATED

From the very frail beginnings of government to the modern day principles are some of the interesting lectures in Mr. Bockstahler's government class. He also teaches biology and is Sophomore sponsor.

WATER TO ACID? ACID TO WATER?

Chemistry and agriculture teacher Mr. Rosbottom is often faced with this question. Besides his chemistry and agriculture classes, he is Senior class sponsor.

MUSIC! MUSIC! & MUSIC!

Mr. Clements, our band director, is doing a remarkable job with our music department. Aside from his music classes, he teaches psychology and is Freshman sponsor.

IN GRATITUDE TO

...

Those who have helped us develop our personalities and realize our potentialities who have aided us in using and enjoying the opportunities at D.H.S. We appreciate their faith and confidence in the BETTER things this younger generation IS coming to.

TO OUR SPONSORS

Our appreciation for the wonderful work and patience you have shown us cannot easily be expressed in words. There have been many times when you have been patient with our remarks and childish tricks because of the goodness in your heart. We will always be grateful for your many last chances and for your sincere interest in our marks. Although many of us have never been able to show our feelings, we hope this appreciation will help you to understand.

SENIOR PROPHECY

This is your favorite news correspondent, John Cameron Swayzee, broadcasting to you from TV station W-A-V-E, Louisville, Kentucky.

Currently starring in "Solid Gold Cadillac" is Darlene Reinke. It is expected to be her greatest hit since she co-starred with Willie Kern in "Model-A Ford."

The well-known socialite, Bev Hevron, has just returned from Las Vegas with her sixth husband, Rev. Roger Kaiser.

Frances Hagan, who received her training under Hattie Carnegie, has just created a new style hat. She is assisted by her husband, Mark Weller, who threads needles for her.

Harold Huffman and Vernon Geiss have made names for themselves in the entertainment field. Harold is an organ grinder and Vernon is the monkey.

President Bob Reinhart has just appointed Priscilla Brown as Chief Executive of the National Floor Scrubbers Union.

John Sergesketter, the rising young scientist, has just introduced the odorless onion. He is the author of "What Isn't Wrong With Education?" and "Ten Perfect Ways to Commit Suicide."

Phil Lambert has just returned from modeling short Bermudas and long-fangled stockings in his factory, CLOTHING FOR BOWLEGGED MEN.

"One for all, and that one is for me" is the winning slogan of crew-cut Janice LeRoy, who is running for Democratic chairman of the DCOD. (Dog Catchers of Dale.)

Malee Hufnagle has just been appointed Chief Justice of the Surperme Court of the U.S. She is the first lady to ever hold this position. Her first decision is to have the bench padded and covered in black and gold satin.

Artist Jerry Barnett is busy painting strange masterpieces while a dozen luscious models wait outside the studio door.

Jeanette Harris, fire warden, sits in a fire tower fifty miles from the nearest neighbor. People near her give her fits.

Bob Woolsey, train dispatcher at Grand Central Station, has such a booming voice that it blasts your eardrums; but the trouble is, you can't understand a word.

Kenny Schmitt, a surveyor, has a steady eye, only one thing can distract his attention. Just let Sue Ruston stroll by or mention her name.

Danny Grundhoefer can cure your chills and fever; that is his boast. But which is worse, the ills or the treatment?

Gene Michel, because he kissed all the babies, won the election as Mayor of our little town.

Wealthy Billy Jo Harris rolls in wealth because of the courses he teaches in health.

Donald O'Daniel, a solemn undertaker, chuckles when you cough or sneeze; he's hoping that some bewhiskered microbe will soon cause you to "Pop off."

Anne Porter, who was an efficient office girl, was never at a loss among files and typing; books and ledgers. (And she's wed that bald-headed boss!)

Sharane King, a splended window trimmer, has caused many a wife to hate her husband because she lures them into spending their time window shopping.

SENIOR PROPHECY

Brave and courageous football player, David Johnson, was a hero on the field. But now he's married Sharon Eskridge, and will mind her the rest of his life.

Rex Truelove, who was fond of handsome young ladies, has married a pretty maiden, Nellie Schue.

Beverly Walters, the famous interior decorator, has just been fired. She was dismissed on the grounds that she dropped a bucket of paint on Phil Hunter's (her boss) head. This incident caused all of his hair to come out and his entire head to peal. (Old Baldy!)

Janice Evans and Anthony Bender, two scientists of note, are famous in both the North and South. Those gathered at our class reunion will proudly say, "We knew them when they were young."

Two old maids, Carole Birchler and Annabelle Dilger, who would like to have the thrill of traveling the oceans will take their only trips in the water in the bathtub on Saturday nights.

Mrs. John Gilpatrick, the former Joyce Scales, is happy to announce to her former classmates that she is now a mother who has twelve mouths to feed.

Betty Southwood of Lamar is noted for her famous sports-car racing.

In the 1976 Presidential election, Yvonne Ferguson (Rep.) defeated David Dougan, the Democratic candidate, by a landslide. She was the first lady to achieve the honor of being a U.S. President.

Patty Hollander, has a voice that travels far and wide. She gives lectures by radio on "Betty Crocker's Learn to Cook" program.

The International Hog Calling Contest was held at Chicago. Eugene Gogel won first place and Betty Woebkenberg took second. The hogs jumped fences 10 miles away, came down the street in downtown Chicago and crashed thru the doors of the Convention Hall. Congratulations! This is certainly an honor!

Linda Dike, Spencer County Beauty, was elected Miss America. She is also editor of MILLER'S GABBY GAZETTE.

Mary Moore, the rising young speed demon, won the annual Memorial Day race at Indianapolis. She drove into the circle to receive her trophy from the "rock and roll" hillbilly singer, Elvis Presley.

Larry Taylor has just been sent to Egypt to clean up the mess. Keith Roos, a U.S. Senator from Indiana, predicts that this is a waste of the taxpayers' money.

Gilbert Lindauer, who played short-stop for the Dale Buzzards, has been transferred to the Mariah Hill Holey Socks, managed by Dennis Dilger.

Kathleen Knott is following in the famous footsteps of Kate Smith. She is now an opera singer performing on television station D-A-L-E.

Dotty Roos and her famous traveling husband, Vernon Welp, have returned from the Orient.

John Fleener is now working with the Fuller Brushes, cleaning his chicken house windows.

David Knott, the International Alligator raiser, left last Tuesday on a vacation to Mars. He has not returned as yet because of the rocket ship strike. The last air-wave telegram we received from him was, "Would love to have some good old Grundhoefer's bologna!"

The Future Farmers of America, or "F.F.A." as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture in public secondary schools.

The Future Farmers of America is a non-profit, non-political, farm youth organization of voluntary membership, designed to take its place along with other agencies, striving for the development of leadership, the building of a more permanent agriculture, and the improvement of country life. The F.F.A. is 100% American in its ideals and outlook, and has no outside affiliations. There is no secrecy in connection with any of its activities.

The Future Farmers of America exists today because of a cooperative spirit and a desire on the part of farm boys, 14 to about 21 years of age, preparing for farming through vocational agriculture, to have a national organization of their own in which they may secure practical business experience, act as their own instructors, and to enjoy the fellowship of one another. Improved agriculture, better local communities, a more satisfying farm home life, and more efficient farmer citizens are emerging as a result of the boys' experience.

The Student Council of Dale High School is an honorary group of students which represents each class in high school. Contrary to the belief of many people, the Student Council is not a governing or law-making body of the school. It exists for the purpose of bolstering school spirit and loyalty and to sponsor certain programs and deeds that will benefit the entire student body.

The Student Council of 1956-57 enjoyed a very active and successful year. Perhaps the best thing it did was to run the used book store at the beginning of the year. This proved very beneficial not only to the students but also to their parents as it was very successful in its first year. The Council assisted the athletic department by sponsoring programs for home football games, sponsoring the rosters for basketball games, and cleaning and repairing all the trophies. In an attempt to bolster school spirit, the Council provided the fans with booster pins, pennants, and balloons. Serving entertainment for the students, the Council sponsored two sock-hops during the year, one in December and the other in February.

These are just a few of the many worthy projects the Student Council carried out in making this school year of 1956-57 one of the best Dale High School has ever had.

" THE WHOLE TRUTH "

On November 9, 1956, the Junior Class of Dale High School presented their play, THE WHOLE TRUTH.

When Mrs. Martin made her family and servants promise to tell nothing but the whole truth, she had no idea of the difficulties that would arise.

Everything in the Martin household ran smoothly enough until, on the servants' day off, Mr. Martin suddenly received work that an impressionable business associate was coming -- and Mr. Martin felt that he had to impress him with his many servants. So Johnny and Elizabeth became the chauffeur and the maid; Aunt Helen took over the cook's duties, and the local pastor was converted into a butler. Then the sweethearts of the two children arrived unannounced as did Mrs. Martin's wealthy Aunt Mat, who disliked servants!

How THE WHOLE TRUTH caused countless complications led to a happy conclusion through many mad-cap situations, and much rib-cracking dialogue could be appreciated only by the seeing of the play.

" THE PERFECT IDIOT "

The Senior Class of Dale High School presented their class play, THE PERFECT IDIOT, on Friday, March 29.

The plot revolved around the boy-wonder, Dan. Even a wonder like Dan wasn't smart enough to figure out how perfect an imitation he was going to give when he decided to act like a perfect idiot. Since he was disliked by all of the kids at school because of his "smart-me, dumb-you" attitude, his associations with them were very rare. But finally they had to turn to him when the star athlete, Puff, was disqualified for athletic activities because of poor grades. He was elected to coach Puff; but before he would accept, the kids had to make a deal with him. His parents were very particular and they refused to let him take a college entrance exam because of his failure in the social world.

Everything finally worked out for the best and everyone was well-pleased with the result.

CHRISTMAS QUEEN

Miss Malee Hufnagel, an outstanding member of the senior class, represented Dale in the annual Christmas Parade at Huntingburg. She was elected by popular vote. Her name along with the other two candidates, Dottie Roos and Annabelle Dilger, was placed in all Huntingburg stores. Anyone who wished could go into the stores and vote for their favorite candidate.

December 1 was the big day for our Queen. She was guest of the Huntingburg merchants. During the morning, she and the queens from other schools visited twenty-nine stores and received many beautiful gifts. These girls all participated in the parade during the afternoon and in a program at the school. Thus ended her day of glory.

ACE STAR MAKES ALL-CONFERENCE KIWANIS AWARDS WINNER

was selected by the Kiwanis Club as recipient of the 1956 Kiwanis Football Award.

This award is based upon playing ability, attitude, honesty, scholarship, responsibility, sportsmanship, leadership, team work, and other qualities.

REX TRUELOVE

Rex Truelove, senior guard of the Dale Golden Aces, was elected to the 1956 P. A. C. All-Conference football team by the players of Dale and the other seven conference teams. Rex is a three-letter man and has been an outstanding player for the Aces for four years.

Phil Lambert and Phil Hunter, two senior backfield men, received honorable mention in the poll.

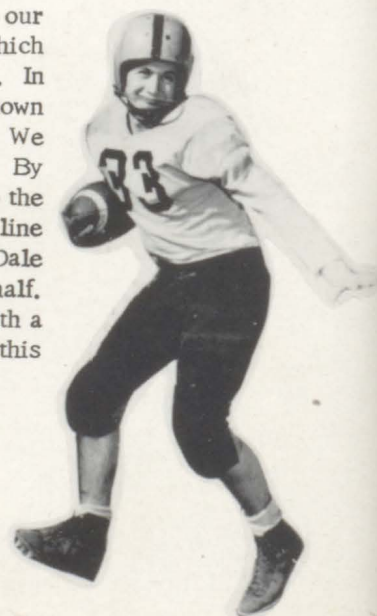

PHIL LAMBERT
Honorable Mention

After having a bit of bad luck in the early stages of the season, the Dale Golden Aces rounded into one of the P.A.C.'s best teams, under the very capable leadership of our new coach, Robert Simpson. We made Coach Simpson's debut a most successful one as we rolled over Richland 28-12 in a non-conference tilt. In our first conference game we battled one of the pre-season favorites, Petersburg, to a scoreless tie, for three quarters before falling in the final quarter 23-0. Dale failed to score 7 or 8 times after getting the ball within 10 yards of a touchdown. Oakland City's Acorns spoiled our first home game as the conference charges took another step toward a perfect season bombarding the Aces 47-24. Cannelton's runner-up Bulldogs also took advantage of our early season misfortunes and ran up a 27-6 halftime lead before holding on for a 34-19 win.

On the night of the coronation of Queen Linda Dike, the Aces came from behind, 21-12 at the half time to overpower Richland 34-27, for our first conference victory. This victory started Dale on our drive which brought us from eighth to fifth place in the final P.A.C. standings. In our next outing we almost pulled the upset of the season as we went down fighting against the highly favored Owensville Kickapoos 14-12. We scored a touchdown on the first play of the game to take a 6-0 lead. By halftime we had fallen behind 14-6, but trailed only 14-12 going into the last quarter. Our rampaging Aces got the ball to the 3rd yard line before fumbling with 30 seconds left, ending the exciting game. Dale continued to drive hard as we battled Mt. Vernon to a 6-6 tie at the half. We played even again in the wild last half, finally coming home with a 28-28 tie with the favored Wildcats. The Aces never trailed in this game.

The climax of the 1956 season came on the last game of the year as the Aces over powered arch rival Rockport to win easily 18-6. Our defense was one of the stoutest in the conference on this night, as the Zebras were held scoreless for three and a half quarters. Rockport's only touchdown came due to a Dale fumble late in the game. Nine seniors thus ended a glorious 4 year high school football career at D.H.S. This final victory proved to be the best of all four seasons. It brought our final record to 3 wins, 4 losses, and 1 tie. HATS OFF TO A GREAT SEASON, A GREAT COACH, AND A GREAT BUNCH OF GUYS!

HOLIDAY TOURNEY CHAMPS

Coach Bill Livengood, an outstanding athlete at Dale during his high school days, is the man who piloted the Aces to such a successful season.

He attended the University of Arizona in 1950 and played freshman basketball. Then he transferred to Central Junior College at Decatur, Mississippi. During his first year at Central his team lost only one game and finished third in the National Junior College Tourney. Livengood went to Wake Forest in 1953, but a chipped bone in his foot hindered his playing. After graduating from Wake Forest, he enrolled at the University of North Carolina, where he received his master's degree. Through the efforts of Coach Livengood and his Aces, Dale High School has had one of the most successful years in its history.

Dan grabs rebound from Dutch

Coach Livengood cuts net at Jasper tourney.

Shall we dance?

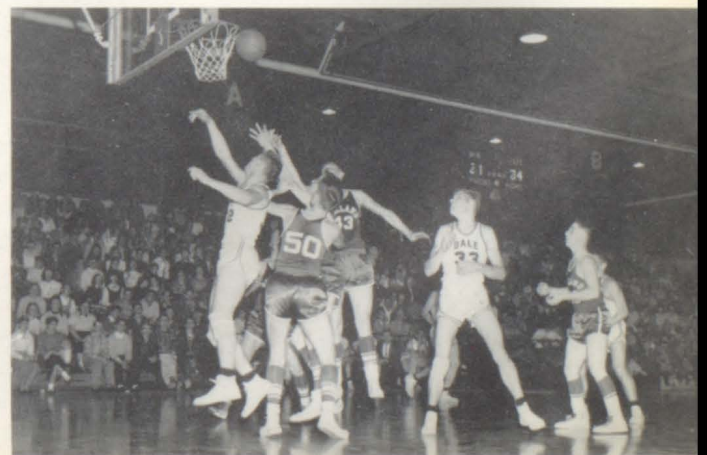

Rog plays piggy-back.

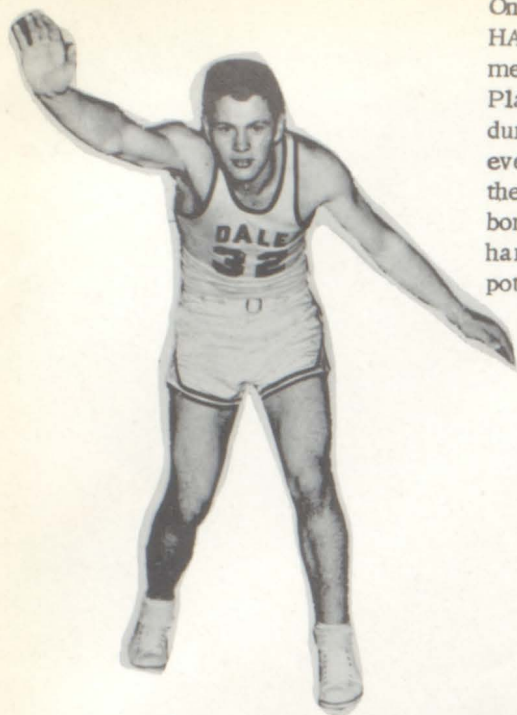

"We advertise Coca-Cola"

Don't get greedy, Buck!

Harold fights for rebound.

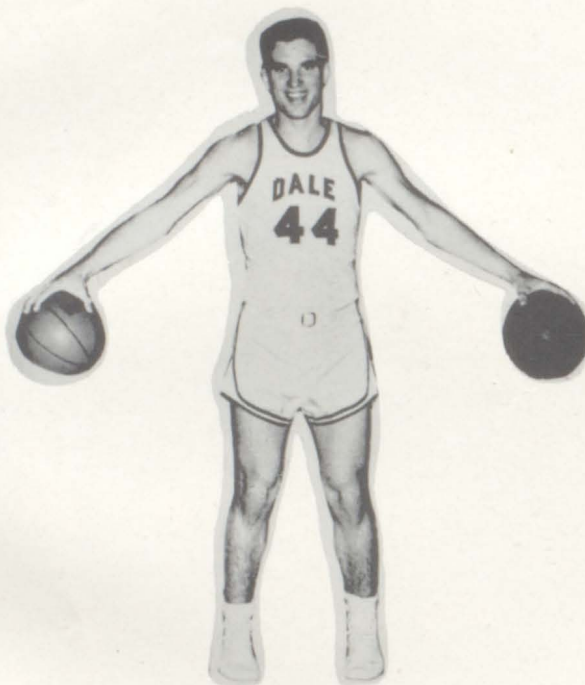

One of our greatest defensive players was HAROLD HUFFMAN who really tormented the players of the opposing team. Playing both forward and guard at times during the season, Harold convinced every one that he can really be all over the floor at one time. A long range bomber, a close-in jump shooter and a hard driver, Huffman added tremendous potential to the Aces' scoring power.

Scoring eighteen points in the game against the Crusaders of Ferdinand, MARK WELLER set the pace for the Aces' third straight victory of the year. Again in the Paoli game it was Mark's three baskets in the first minutes of the game that kept the Aces in front. His determination and scrap were two of the characteristics that earned "Pete" a berth on the Aces starting five.

ROGER KAISER, one of the most prolific scorers in southern Indiana for the past two years and the highest scorer in Dale High School history, had one of his best nights when he scored forty-one points against Chrisney. The scoring expert not only gained the school's single game

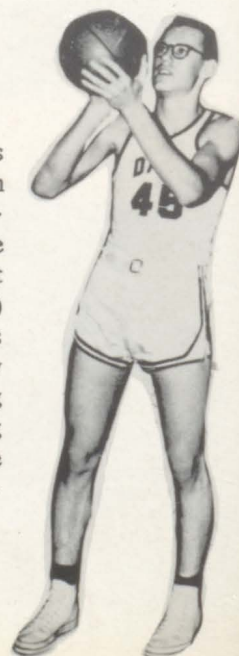

record, but he also attained the distinction of owning the best marksmanship display within memory. He whipped in 18 baskets out of 21 tries for a percentage of .857. His scoring feat became even more astonishing in view of the fact that he played only three quarters.

An outstanding member of last season's freshman team, CARL NEIGHBORS moved into a highly-regarded reserve spot on the Aces team. Neighbors was fast, a good shot, and would really go in to do battle for the rebounds that were needed so badly. With a year of experience behind him, Neighbors will be expected to come through with flying colors during his remaining years with the Aces.

One essential of a good ball team is height, and the Aces had plenty of it in their 6'5" center, LARRY KNOTT. Getting the ball off the bankboards was the chief aim of Larry Knott. (But don't underestimate his shooting power.) Larry pumped in some difficult shots from the corner at the Jasper Holiday Tourney when the Aces were needing points badly. His rebounding and shooting ability proved to be a real asset to the team time and time again during the '56-'57 season.

Although a consistent scorer throughout the year, DANNY GRUNDHOEFER proved himself true to form at Winslow and in the Jasper Holiday Tourney. Hitting seven out of ten shots from the corner at Winslow for a pace of .700 and hitting five out of nine at Jasper for a percentage of .555, Dan proved himself to be the real life-saver in both games. Rebound was another field that "Grundy" specialized in. He was always right there to fight for a rebound everytime that a shot was made.

Another guy who supplied the Aces with much needed reserve power was DAVID KNOTT. David was a deadly shot from the center of the floor. He cemented the final scores in the Silver Creek and Owensville games by sinking shots from the middle of the floor just as the gun sounded. He proved himself as a great asset to the team time and time again during his high school career.

BOB REINHART, a senior guard who doubled as an outstanding point-maker and the team's play-maker helped make Dale's season successful. Although Rheinie was not always in the high points scoring wise, it was his brilliant play making tactics

and his great leadership ability that led the Aces onward. Bob had speed, could rebound with the best and had a "magnetic" eye which seemed to draw his shots through the basket.

BILL BOCKSTAHLER was a 6'4" junior forward who supplied the Aces with much needed reserve strength. Filling in when Larry Knott was sidelined with an injured ankle, "Buck" really boosted the Aces along in the Petersburg game, which was the big P.A.C. game of the year. Although Bill was a good steady player all year 'round, it seemed that all through his career he always played his best game against our intra-county rivals, Rockport.

MARVIN GRUNDHOEFER, a rough and rugged member of the Dueces, supplied good bench strength for the Aces. Marv was fast, was a good shooter, and could really go in for the rebounds. Although he drew four fouls in the Richland game, his defensive tactics were really great. Marvin, no doubt, will be called upon a great deal next year to carry the Aces onward.

Although they were not members of the first ten, AMOS LAMAR, a freshman, and DAVID KEMP and TOM SCALES, sophomores, boosted the Aces a great deal. These players were always ready and willing to play whenever they were called upon to help. They really deserve plaudits because of their ever-readiness and their desire to play basketball with the Aces.

THE DEUCES

The Deuces, who were coached by Bill Livengood, were composed mostly of underclassmen. They had a rather impressive season and showed signs of potential for the Aces of the future. Led by their clownish center, Marvin Grundhoefer, they compiled the following scores.

FRESHMAN TEAM

FRESHMAN SQUAD

Coach Robert Simpson has done a magnificent job with Dale's unexperienced but talented freshman squad this year. Dale's freshman outlook wasn't too bright this fall but Coach Simpson has ruled off four wins against the same number of losses for a very creditable job. Rounding out the team are Ron Tuley, Ralph Konerding, Ken Nord, Mike LeRoy, Max Stanton, Ronnie Birchler, Paul Fuller, Bill Cassidy, Howard Gripenstroh, Amos Lamar, Charles Huffman, Chester Eberhardt. The Student Managers for the Freshmen were Steve Schroer and Keith Conner.

BASEBALL -- 1956

The Dale Aces opened the 1956 season with a win over Richland by a score of 9 to 5. Bob Reinhart, Pitcher, gave up three hits, was credited with 14 strikeouts; while Danny Grundhoefer led the batting with 2 singles and a triple.

Cannelton's wildness coupled with an eleven hit attack by the Aces gave Dale a 15 to 2 win over the Bulldogs in their second game.

The Aces tripped Tell City 3 to 1 as Reinhart pitched a one hitter and his team-mates committed only one error.

Dale nips Troy in extra inning 2 to 1. The Aces scored their winning run on a single by Musgrave, he sacrifices to second, and scores on an error by Troy.

Dale Nine whips Ferdinand 12 to 1, as Reinhart struck out seven, walked three, and added a triple to Roger Kaiser's home run in the first.

In a thriller Dale's Aces tripped Rockport by a score of 6 to 5, by overcoming a Rockport lead of 5 to 4 in the seventh inning. Kaiser struck out nine and walked one as winning pitcher. Reinhart and Roos led the winners at the plate.

The second game of the season with Ferdinand was taken by Dale 5 to 2. John Sergesketter's homer highlighted this game.

Roger Kaiser pitched a three hitter and pounded out a triple and single to lead Dale over Boonville 3 to 1, for the Aces eighth win without a loss.

Aces end a perfect season with an 11 to 2 win over Chrisney. Freshman pitcher Neighbors held Chrisney scoreless until the seventh inning. This victory was the ninth straight win for Coach Dave Robinson's nine.

ACES DEFEAT TELL CITY IN TRIPLE OVERTIME TO GAIN SECTIONAL CROWN

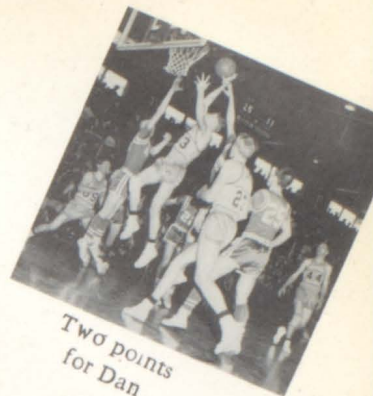

Bob Reinhart hit a layup in the third overtime to give the Aces a 40-38 victory over Tell City.

It was the first time that Dale had ever beaten the Marksmen in the final game of a sectional. Roger Kaiser paced the Aces with 13 points; Reinhart was close behind with 10.

Kaiser ran his free throw streak to 27 before missing his 28th attempt in the first overtime.

Neither team hit in the first overtime, but each managed a free throw in the second. Then after a jump ball between Grundhoefer and Kessler, Reinhart stole the ball and went in for his layup which gave the Aces their cherished win.

Pretty rough, wasn't it, Coach?

The Dale Golden Aces reached the final game of the regional for the first time in eight years when they eliminated the Lynnville Lindies in the afternoon game of the regional 67-45. The final game was a terrific battle between Southern Indiana's two top powers with the Aces building up a tremendous 38-29 halftime lead displaying a style of ball seldom, if ever, played by any Dale team. In the second half the Lions roared back to trip the Aces 63-57. Thus ended one of the best seasons D.H.S. has ever enjoyed, 22 wins and only 4 defeats which were within a total of 10 points. A heartbreaking finish to a great season!
