YOU HAD

TO BE

TH

Patriot Spirit and Patriot Pride were everywhere. Whether it was in the classroom, at the Academic bowl, in the "Jungle", on the gym floor, in the auditorium, at a farm show, or a field trip, "you had to be there" to understand the fierce pride and strong spirit of a Patriot.

Certainly, one of the highlights was notification from the Department of Education that Heritage Hills was named a Four-Star Hoosier School. This outstanding academic achievement only goes to schools that are in the top twenty-five percent in state achievement tests in four key areas: Math, English, Attendance, and overall scores. ISTEP scores continued the tradition of scoring higher than most students in Indiana as well as in the nation. In addition, high SAT scores were evidence that teachers were teaching and students were learning. For the first time, sophomores took the ISTEP Qualifying Exam, which students must pass to graduate. Academic Bowl teams placed high. You just had to be there to believe that this much learning could take place. "Patriot Pride" was in high gear.

You had to be there to see Patriot athletes and teams excel. We continued the tradition of strong sports programs. One highlight was the football team earning an undefeated regular season, a PAC title, a sectional title, and a regional title; they were ranked fourth in Indiana. Another highlight happened when the boys' track team won its first sectional championship in school history. Furthermore, they earned an undefeated regular season and a conference crown. Many other teams and individuals won PAC and sectional titles throughout the year. Truly, you had to be there to believe the incredible "Patriot Spirit".

Success didn't stop there. The Marching Patriots won District and Regional Division I ratings. Odyssey of the Mind teams presented strong performances; one team won third place in the state. Art exhibits displayed outstanding student artwork. These traditions and others, like the outstanding performances during the fall play, *Charlie Brown*, and the spring musical, *Fiddler on the Roof*, demonstrated the incredible creativity and talent of student Patriots. Again, to really appreciate it, you had to be there.

Several new faces greeted students. Susan Grundhoefer was named Administrative Assistant; Mike Schriefer moved from Administrative Assistant to Assistant Superintendent. Mike Kemp was hired in the new position of assistant in the technology department. Band Director Jon Hyneman unexpectedly quit in the middle of the year. Kevin Reberger moved up from Assistant Band Director to Band Director. His wife, Lori Reberger, was then named Assistant Band Director.

By the time you get to the end of the book, you will notice the positive results of "Patriot Pride" and "Patriot Spirit". At that time, you won't have to say "you had to be there" because "you were there"!

Football Homecoming

A packed house watched the football Patriots cut down to size the Gibson Southern Titans at Football Homecoming on Friday, October 3. The victory thrilled the royal homecoming court. The new Homecoming Queen was Melanie Vaughn. The new Homecoming King was Adam Heeke. To promote spirit, the students engaged in Patriot dress up week prior to the big game. The dress up days were as follows: Monday — jungle stripes, Tuesday — safari/kakai, Wednesday — tropical sun, Thursday — monkey silly, and Friday — jungle/green camo.

Basketball Homecoming

The boys' basketball team defeated the Cannelton Bulldogs during Basketball Homecoming on Friday, January 30, in the Patriot gym. The spirit filled homecoming crowd watched Charmian Steckler get crowned Homecoming Queen and Jade Winchell be crowned Homecoming King. The homecoming theme was "Supporting the Patriots through the Years". The fans got a 'kick' from watching numerous students dressed in clothes from the past. The dress up days were as follows: Monday — 50's attire. Tuesday — 80's attire. Wednesday — 70's attire. Thursday — dress as a child or elder. Friday — 60's hippie child.

GRADUATION

Above: The members of the senior class gather for their last school picture.

One hundred and forty one seniors reached the height of their education when they received diplomas at commencement exercises on Saturday, May 30 at Lincoln Amphitheater in Lincoln State Park. Meredith Willard, class president, welcomed everyone. Valedictorian, Shannon Thake, and Tammy Boeglin, salutatorian, gave their addresses. Next, Mr. Al Logsdon presented the class, and Mr. Ron Etienne accepted them. Then the moment all students wait for came as the diplomas were presented by Mr. Mike Seckinger. The senior class chose the following motto: "Carpe Diem" or "Seize the Day." The class flower was the Tiger Lily.

“One Moment in Time”

Prom attendees danced the night away at this year's Junior/Senior Prom. “My heart will go on” was the theme song. Koren Hammond and Jade Winchell were crowned Queen and King, respectively. It was definitely “One Moment in Time” that will not be forgotten. You just had to be there!

The special Olympics team traveled to St. Meinrad College on May 2. The day kicked off with a parade followed by the softball throw, standing long jump, frisbee toss, and 50 meter dash events. The Heritage Hills athletes showed a lot of spirit and it was a fun time for all.

Star Light, Star Bright

On December fifth, student danced to the theme of "Star Light, Star Bright" during the annual Christmas dance. The student council did a great job of organizing this event. Koren Hammond was crowned Christmas Dance princess and Jade Winchell was crowned king. The DJ's toilet paper machine, plastic guitars and playing of such classic songs as "Staying Alive", "Lady in Red", "Ice Ice Baby" and current hits such as "How Bizarre," "One Boy One Girl," "Fly," and "Crash" helped make this a memorable night of rockin' and rollin' and what not.

Powder Puff Extravaganza

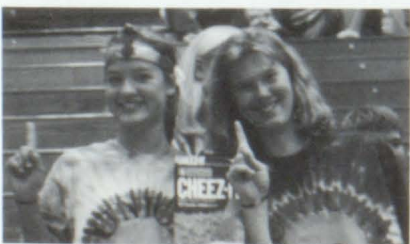

The 1997 Powder Puff Extravaganza was held during football homecoming week. Each class had a representative team of fierce fighting females. The Seniors suffered a first round defeat to the freshmen. The sophomores were soundly defeated by the juniors. In the final game between the juniors and the freshmen, it was the juniors who came out victorious.

Our Fearless Leader

Left: Mr. Logsdon smiles for the camera.

Dear Patriots,

It is a pleasure to reflect on the many positive things that happened at Heritage Hills Jr/Sr High School during the 1997/98 school year. Our sophomores participated in the first ever graduation-qualifying exam and achieved a high level. Our academic teams were successful in many of the local and conference meets. The high school Odyssey of the Mind teams finished very well at the state competition. Many of the sophomores, juniors and seniors attained remarkable scores on the PSAT, SAT, and ACT examinations. Hats are off to those young men and women who seriously pursue learning and excel in academic activities.

Those students who participated in extracurricular activities in the middle and senior high school were competitive in both fine arts and athletic competitions. It was fun to sit in the snow bowl in Indianapolis and watch the Patriots play the top ranked team in the state. We did not win, but the fans in Indianapolis know that we have a competitive program. Students in the drama program provided a lot of entertainment with their productions. "Evita" was performed by the Marching Patriots and favorably received by our patrons. Our students received a tremendous education by participating in the many activities provided by our school.

We wish success to the 1998 graduates of Heritage Hills High School. May you take the lessons learned as a student and transfer them in to the skills necessary to succeed in life. Thanks to each of you for sharing your life with us.

Patriot's Capture Sectional Title

The Patriot football team had another great winning season. Highlighting the season was the winning of the conference and sectional championships. They had a regular season record of 9-0 and won the conference with a 7-0 record. Their record for the season was 12-1 with a tragic loss to Indianapolis Chardt in the regionals.

The players that made all-conference were the following: Andy Toth — center, Mike Fromme — guard, Jeremy Hurd — tackle, Brad Dilger — end, Jade Winchell — quarterback (also Most Valuable Player), Jon Goldsberry — punter, Kris Burress — defensive tackle, Dustin Detzer — linebacker, Adam Estabrook — defensive back, and Andy Fischer — kicker.

When asked for a reflection on the year, Coach Clayton said, "They had everybody gunning for them, and they still went undefeated. They set a school record for wins in a season and this is the first team to win both a conference and sectional championship."

Coach Clayton gives senior Alan Masterson (#37) some advice.

THE TEAM IS HERE . . . THE TIME IS NOW!

"The time is now" was the familiar cry of the young Patriot volleyball team as they took the floor. The team's determination and positive attitudes paid off as the Lady Pats finished the regular season with a 22-9 record. After a tough season the Lady Pats lost to Mt. Vernon in the first round of the sectional.

In retrospect of the "spicy" season, there were many accomplishments that were made. The Lady Pats were Boonville and HHHS tournament champs. Team captain and senior, Jessica McAllister, was named First Team All-Conference. Sophomore, Tara Graman, was named First Team All-PAC. Junior, Tara Grandhoefer, was named Second Team All-PAC.

Coach Gunselman commented on the season by saying, "Although we did not win any major championships, this was one of the best groups I have ever coached. They worked hard and conducted themselves well both on and off the court."

Although the season is over, the fond memories and accomplishments that "spiced up" the season will never be forgotten!

Patriots Kick It Soccer Style

Soccer had an awesome season! They finished the regular season with a record of 11-3-1. The Patriot soccer team set a new standard of excellence for soccer teams to live up to. The Patriots left their mark this year by advancing to sectional finals. They fell short by only two goals to a tough Washington team. They accomplished a lot. They went 3-0 in the conference, and were Heritage Hills Invitational champions. The Patriots were led by team captain Brian Varner. Coach Asbury had this to say about the season, "When we scored more than our opponent, we won 95% of the time."

The boys worked hard all season and accomplished a lot, including a 34-18 record. They finished fifth in the Pocket Athletic Conference. They accomplished all of these things, with an over-all young team. The team was led by their two captains, Matt Schriefer, who

was named Academic All-State, and Erik Phillipps, who went on to win the sectional championship. Coach Nixon had this to say about the boys, "We did well with mostly sophomores against some pretty big schools. This was truly a gargantuan achievement!"

Girls' Cross Country Has an Impressive Season

The girls' cross country team sprinted to a unprecedented finish this season with a 28-23 record. They finished third in the PAC for a great season. One high point in the season was a victory in the Perry Spencer Invitational. Two runners had All-conference status; they were Annette Kern and Rachel Lowe. Coach Nixon has just finished his 10th year of coaching, and has built another strong team. **GOOD JOB GIRLS!!!**

Tennis Team, Young but Talented

The boys' tennis team finished the season with a regular season record of 6-5, and they were 4-2 in the Pocket Athletic Conference. With Daniel Hopper as the only returning letterman, the Patriots were faced with a lot of inexperience.

New coach, Dwayne Knies, had this to say, "I was very pleased with the progress of the team throughout the season. With only one returning letterman from the previous year, we had several young players who stepped in and played well during the first season. The team was a lot of fun to coach."

They concluded the season with a runner-up finish in the Tecumseh Sectional.

Daniel Hopper earned All-Conference Honors at number one singles.

Patriots Swim Team Finishes another great season

The Patriot swim team entered their second co-ed season with spirit and determination. Fourteen girls and six guys completed the swimming and diving team. In spite of the small number of swimmers, each member worked hard at improving their individual times and keeping the team momentum going.

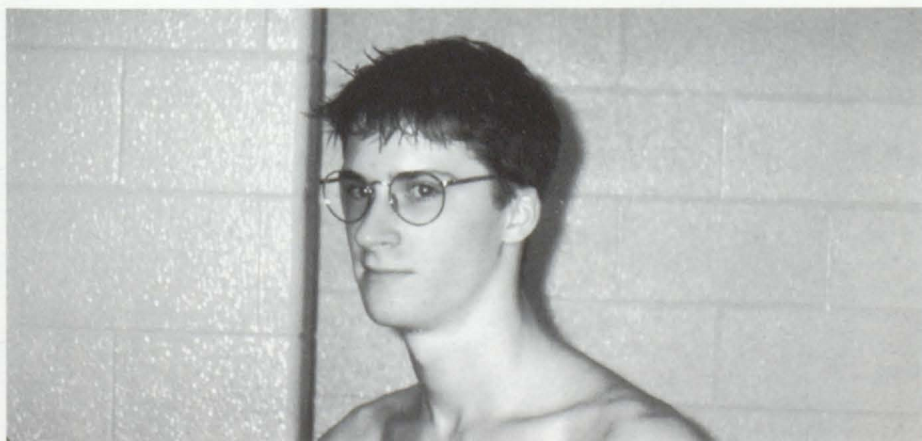

The five fabulous seniors, Kristy Woebkenberg, Angie Kern, Sarah Ash, Brian Egloff, and Adam Heeke, led the team. Their enthusiasm spread easily to the other swimmers and divers. The breaking of the 200 free-style relay record was the highlight of the 1997-98 swimming season. The four-member relay consisted of senior Angie Kern, junior Carrie Frey, and freshmen Audra Hildenbrand and Lesley Greulich. Way to go, girls! Senior Adam Heeke ended his diving career with another great season. His accomplishments for his senior year included winning sectionals, qualifying at regionals, and finishing 22nd at state. Freshman diver, Valarie Lagrange, finished 2nd in conference and 3rd in sectionals. She also qualified in regionals. Good job, swimmers and divers, on completing another successful year!

Patriot Basketball Finishes Another Winning Season

The Patriots had a great season and exceeded most expectations. They finished the season with a 13-9 record, and they were Southridge Tourney champions. The Patriots were led this year by the four seniors: Tim Denning, Mark Wahl, Matt Marshall, and Kris Hirt. The most memorable moment for the Patriots came when they defeated a tough Mt. Vernon team in the first game of the Boonville 3-A Sectional.

Earning All-Conference honors for the Patriots were Tim Denning — First Team, Kris Hirt — Honorable Mention, and Mark Wahl — Honorable Mention. Tim Denning also received special recognition by being named All-Southwestern Indiana First Team, HBCA All-Star, and All Sectional.

Coach Merkel had this to say about the season, "After getting off to a 7-0 start, we slipped and lost five in a row. We then turned our season around and finished real strong."

The Patriots finished the season with a record of 9-11, and a conference record of 4-3. Jessica McAllister was selected Second Team All-Conference, and Kristin Mosby and Tonya Schum received Honorable Mention honors.

A few of the more memorable events that took place during the season were the following: Jessica McAllister scored a career high thirty points, against Tell City, and the seniors designed the T-shirt, "One Man Named Stan," which is where the headline came from.

Coach Stan Jochim had this to say about the season, "I think we had outstanding leadership from our two seniors, Kristin Mosby and Jessica McAllister. This team played hard and had a lot of class."

The Patriot wrestlers earned a fourth place in the conference tourney on their way to a 13-13-1 season. Matt Vaal was the single wrestler to be named all conference. They were also led by a couple of sectional champions, Nick Gerlach and Jon Goldsberry. Coach Alcorn, in his tenth year of coaching, had this to say about the season, "We improved a great deal this season; we are looking for a lot of good things next year."

After a fairly slow start, the baseball team put it together at mid-season. The result was a 6-1 conference record; this was good enough for a Pocket Athletic Conference championship. Also, they earned a winning season of 14-9.

All-conference players were Mark Wahl at catcher, Andy Fischer at pitcher, Jim Litkenhus at first base, and Luke Woolems in the outfield. "It was a good year as we collected our second straight conference championship," said Coach Kirchoff.

With the help of outstanding pitching and good defense, the Lady Pats enjoyed a successful season. Regular season play showed the team won seventeen games and lost only six. Big conference wins were 14-0 over Southridge, 8-4 over Wood Memorial, 10-0 over North Posey, and 1-0 over Tecumseh. Other big wins were 4-2 over Castle and 5-0 over Barre Reeve. In opening round sectional action, Ericka Weaver pitched a perfect game to lead her team to a 4-0 shutout of Crawford County. The Lady Pats were not as fortunate in semi-final play; they lost a close game to sectional host, Pike Central. Their season ended at 18-7. "I'm extremely happy about the perfect game, not only for Ericka's sake, but also for the good defense from our entire team." said Coach Asbury.

Boys' Track Wins First Sectional

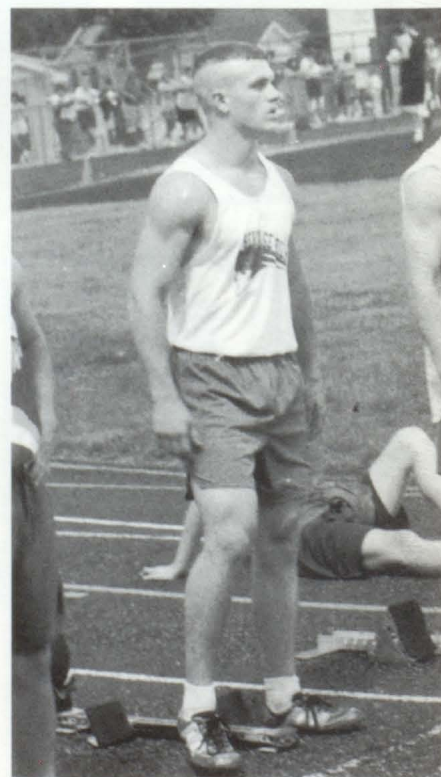

On the strength of Jade Winchell's record-shattering performances, the boys' track team won their first track sectional in school history. Winchell won the 100 m., the 200 m., and the long jump. Records tumbled in the 100 m. and the 200 m. Josh Simon won a title in the shot put.

Earlier, the boys' track team won the PAC title and compiled an undefeated regular season. "These kids have really worked hard to win a sectional," said Coach Compton.

Row 2: Mike Nixon (Coach), Melissa Steckler, Annette Kern, Melissa Weatherholt, Lindsay Gogel, Tonya Schum, Koren Hammond, Ashley Skelton, Theresa Fromme, and Aaron Mundy (Coach).

Despite the small girls' team this year, the girls showed area teams that it is not the quantity but rather the quality of a team that matters. Although their record could not tell the whole story, the team's small numbers were countered by their great talent and positive attitudes.

The ladies finished second in the Pike Relays. Rachel Lowe advanced to "Regionals" and finished eighth overall in the mile. Annette Kern also advanced and placed ninth overall in the two mile. Good job, girls!

Girls' Tennis Nets a Winning Season

Led by the senior duo of Kristin Mosby and Renee Gelarden, girls' tennis put together an excellent winning season. Two major highlights were a six match winning streak during the regular season and the advancement of the number one doubles team to the semi-state at Indianapolis North Central. In team sectional action at Boonville, the Lady Pats de-

feated South Spencer in the opening round. However, they lost their semi-final match, a 3-2 squeaker against Tell City. Coach Becher said, "Our number one doubles team won fairly easily. However team wise we were disappointed. We could have been there. We knew they were an equal team to us."

After excellent regular season play on the links, the golf team put up a good fight at the Jasper Sectional. However, they couldn't stay with Jasper to the end, and they finished a solid second behind the Wildcats and easily ahead of the Raiders. The strong showing by the Patriots qualified them for a berth in the Christmas Lake Village Regional. The singular medalist was Brandon Vinson. Completing a successful regular season with a 9-3 record, they were led by Brandon Vinson, Brian Egloff, Zach Lambeck, Brandon Arnold, and Matt Schriefer.
