SPORTS

## Cross-Country and Volleyball Teams are winners in first year

The Patriots produced winning teams in all their fall sports, with the girls volleyball "A" and "B" teams both going 3-2 in the first interscholastic girls' sports in the area's history.

Under Bernie Burk, the Pat cross-country had the best record of any North Spencer team in five years. They took the Perry-Spencer meet (left) away from Tell City and, led by Van Poehlein in every meet, they took third place in the PAC.

These words were inscribed on a plaque given to Coach Snow by the graduating seniors who had been under Snow's tutelage for all four years of high school. In those four years, at both Dale and Heritage Hills, Snow's teams compiled a 26-14 record, taking second in the PAC the last two years.

The Patriots basketball unit continued the new school's winning tradition with a 15-8 record, trying for the PAC crown, winning the Boonville Holiday tourney, and finishing the season as runner-up at the Boonville sectional.

It was to be Bernie Burk's last season in the North Spencer system. In four years, Burk compiled a 52-35 record, was runner-up at sectional three times, and won two Holiday Tourneys.

# Run!

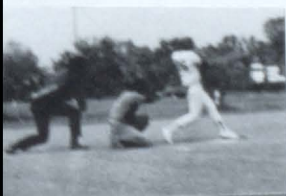

1973 was the first year of girls' track in our area, as is evidenced by the above pictures. The girls won one of their three meets, while the boys took all their dual and triangular contests, plus the Forest Park Invitational.

# Spring and baseball in the air

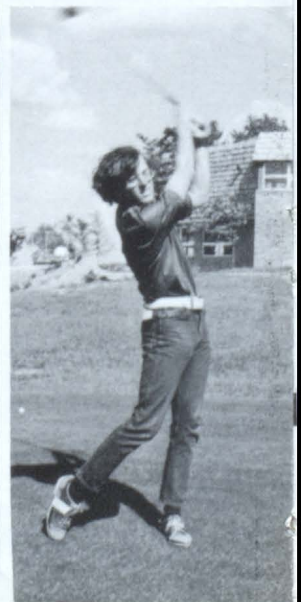

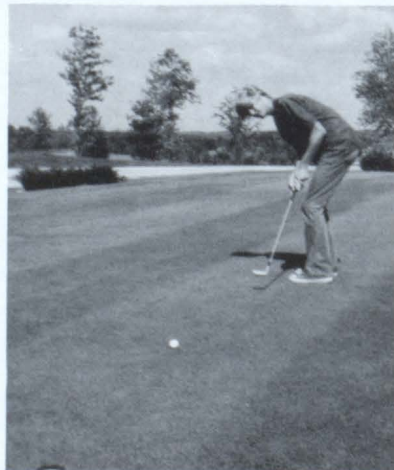

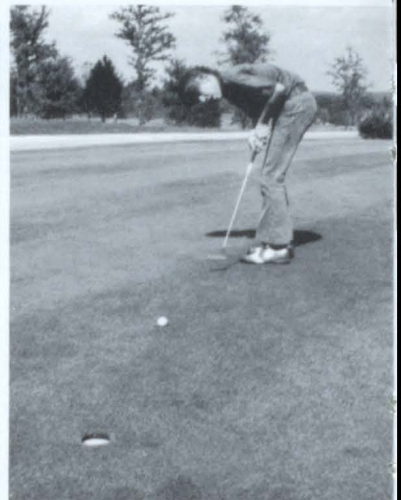

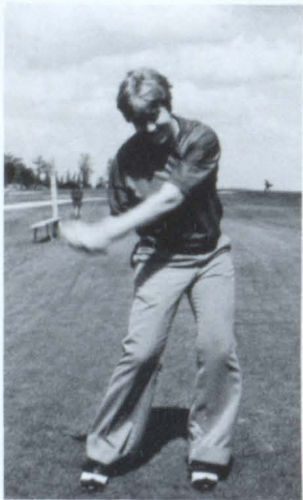

The Patriot baseball team struggled all season to reach the .500 mark. They did have a winning PAC record before bowing to highly-ranked Boonville in the Sectional opener. These photos show Coach Henry Ayers' (TOP LEFT) troops in action in a 3-1 loss to Castle.

# These are swingers?

Under Coach Harold Bennett (TOP ROW, MIDDLE), the Pat golfers took five meets and will have five of their top men back next season. Mike Schum (LOWER LEFT) won the Kiwanis Award, and Jeff Arnold (MIDDLE LEFT) was low scorer on the year.

SCHOOL LIFE

# Tammy and Paula . . . co-queens

# represent North and South Campuses

Heritage Hills crowned its first queens for homecoming. Yes, QUEENS. With the new school, it seemed two queens were better than one. So, Tammy Polster from the south campus and Paula Aders from the north campus were crowned co-queens.

To add to the excitement and celebration of homecoming, all the classes made floats or lawn displays to show their spirit. As the Juniors captured the spirit trophy, the Patriots captured the game as they beat Tecumseh 22-14.

# Royalty reigns as Pats crown Pups

The Patriots' first Basketball season brought Hoosier Hysteria Heritage Hills Style and homecoming queen Vicky Schutzius. Vicky's charm proved to be successful, as her subjects, alias "the Patriots", rolled over the Cannelton Bulldogs 72 to 46.

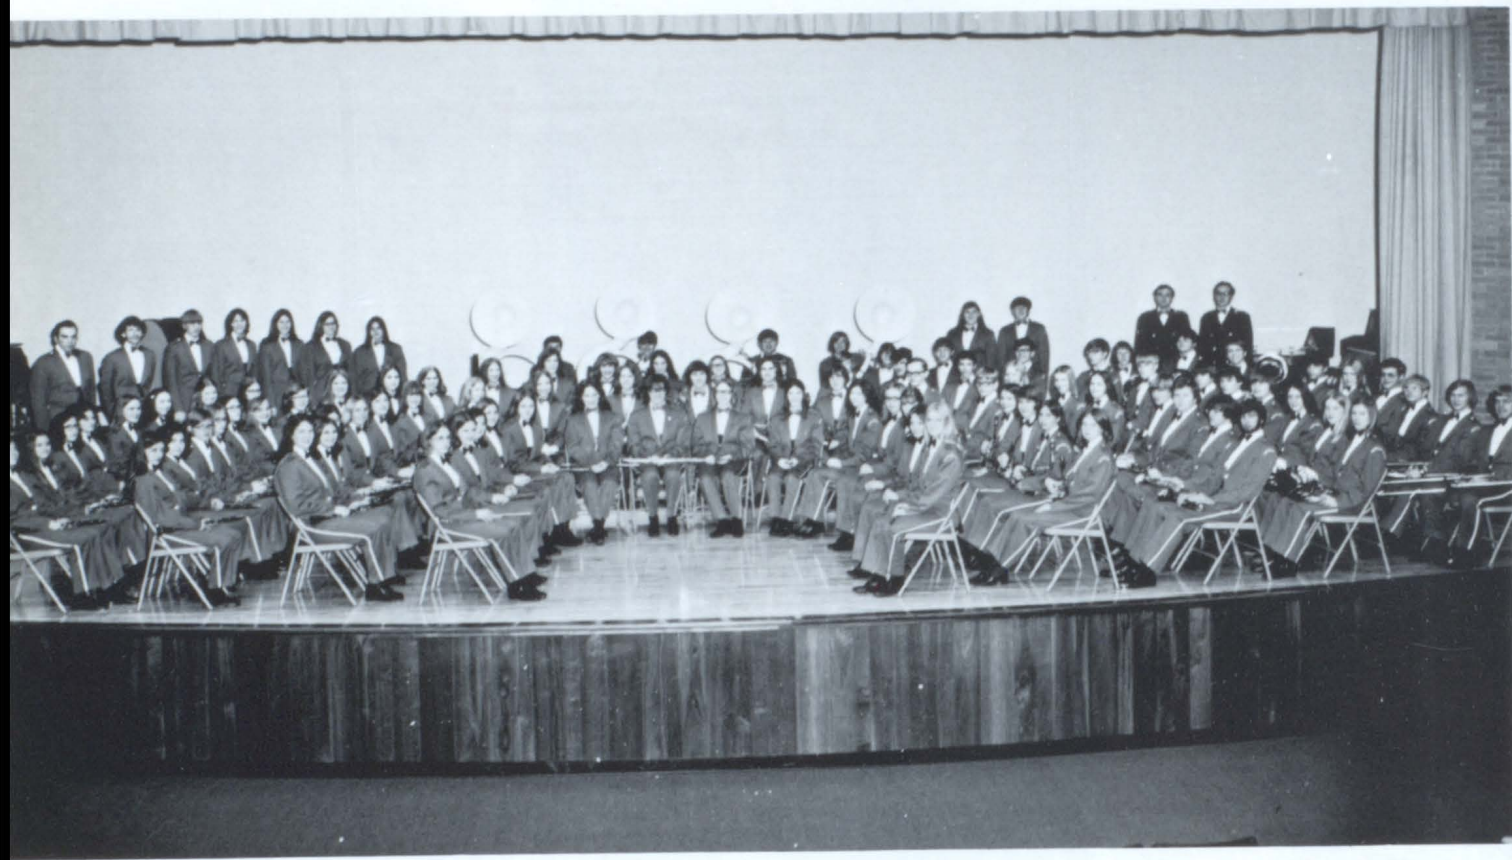

We believe

The Heritage Hills band under the direction of Mr. Charles Mallory and Mr. John McCulley are shown at their first formal concert wearing their new uniforms.

# Senior Class History

## 1973 - A Class History

69-70 - Freshman year for the class of '73. Heritage Hills High School was on the drawing boards, opening date uncertain. At that time, we could have been the last graduating classes of Chrisney High School and Dale High School, the first graduating class of Heritage Hills High School, or the second graduating class of Heritage Hills High School. As things turned out, we now have the honor of being the first graduating class of Heritage Hills High School.

As freshmen, we came from the various towns and rural areas scattered over the North Spencer School Corporation's jurisdiction. We went to Chrisney and Dale High Schools. During the first year we settled down to the hard work (?) of studying (Some of us anyway). As freshmen, we ordered the last Chrisney and Dale jackets, but also in this first year, we made friendships which will last beyond these four brief years.

70-71 - The sophomore year. This year brought us one year closer to consolidation. This year also saw the last Dale and Chrisney rings ever ordered. Studies were attacked with renewed vigor. Athletics played a big role in many of our lives also.

71-72 - Marked the final year in the old Chrisney and Dale High Schools. Henceforth, all students would go to Heritage Hills High School.

What else did we do as juniors? The high point was, in my opinion, the prom. For the better part of our junior year, we took care of the concession stands to earn money. The hustling, the excitement, and the worry about decorations, flowers, and the band.

72-73 - The final year has arrived. Though we were still going to the same schools (for the first semester), they were Heritage Hills north campus and south campus.

The second semester found us in the new school building. Quite a few adjustments were made in those first few weeks, both by students and teachers. The system hasn't been flawless, granted, but with so many new friends to fall back on, who worries?

Taking top honors as Valedictorian is Connie Groves. Salutatorian is Larry Bertke. Congratulations to these people who've found enough time, and have worked and studied and perservered to come out on top of the heap.

Among all things that can be said, we cannot forget that these four years are preparation for our lives ahead. No matter where we go from here, be it to college or a job, we'll look back and remember. As time passes, we'll tend to remember only good things about our high school days. I think our feelings are summed up best by our school newspaper editor, Tom Kleiser. In his last editorial, he says, "We'd like to thank the school board, not so much for the building which improved our learning environment immensely, but for the chance we received to meet the people whom we now call our classmates." Truer words have never been, nor ever will be, spoken.
