A short distance from Heritage Hills is a cabin similar to the one Abraham Lincoln lived in during his fourteen years in Indiana. Here, in contrast to our highly advanced facilities, Lincoln studied before an open fire. We look to this cabin as part of our heritage and to Abraham Lincoln as our inspiration.

Memories . . . of Patriot Pride

Patriot pride is evident in all areas of our school. Students work hard in the classroom and play hard at sports. Administrators and teachers inspire and challenge students to set high goals. Parents support school programs. Also, area businesses help throughout the year. Each contribution is vital in our pursuit for excellence.

Academically, our school maintains a strong tradition of success. It had an average S.A.T. score of 932.5 last year. This was higher than the state average of 863. Furthermore, this was higher than the nationwide average of 891.

In the sports arena, we have a strong program. Boys' sports won the P.A.C. All-sports Trophy for having the top program in the conference. Close behind were girls' sports, which finished second in the all-sports standings. Baseball won the sectional and its first regional. Conference championships were won and school records were established. In addition, many athletes won individual titles and all-conference honors.

Our contribution to the arts is significant. For example, the band continues to grow in numbers. They won contests and earned a Division I rating. Another example is the art department. Art students won awards at area contests. Some of these students will study art in college.

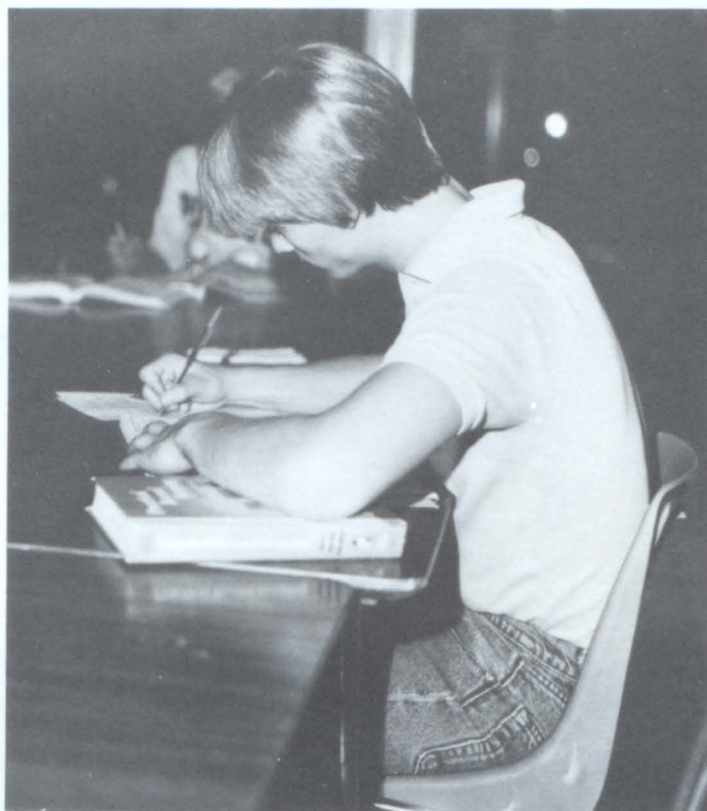

We are proud of our school, as well as our achievements. We hope that as you look through the pages of this yearbook, you will see "Patriot Pride" at its best. Furthermore, we hope you'll remember that this pride is one of the reasons that our school keeps moving ahead to greater heights.

Senior cheerleader, Betty Harpenau, shows Patriot pride.

Pride in Academic Excellence

Pride in academic excellence is an everyday occurrence. No matter where or when you look, you can find students reading, completing assignments, writing term papers, or studying for tests. This is because they take pride in making the honor roll, being selected to the National Honor Society, or getting the knowledge necessary to make it in today's changing world.

Pride in Artistic Achievement

Our students take pride in artistic achievements. This is verified by the band's victories in numerous contests, the many awards won by art students, and the expertise of students in blueprint reading and woods class.

Top left: Darren Wirthwein applies his art skill to this piece of clay. **Top right:** Lisa McIntosh and Jarid Hirt display their fine drawing of the school. **Above:** The band keeps the crowd entertained.

Pride in School Spirit

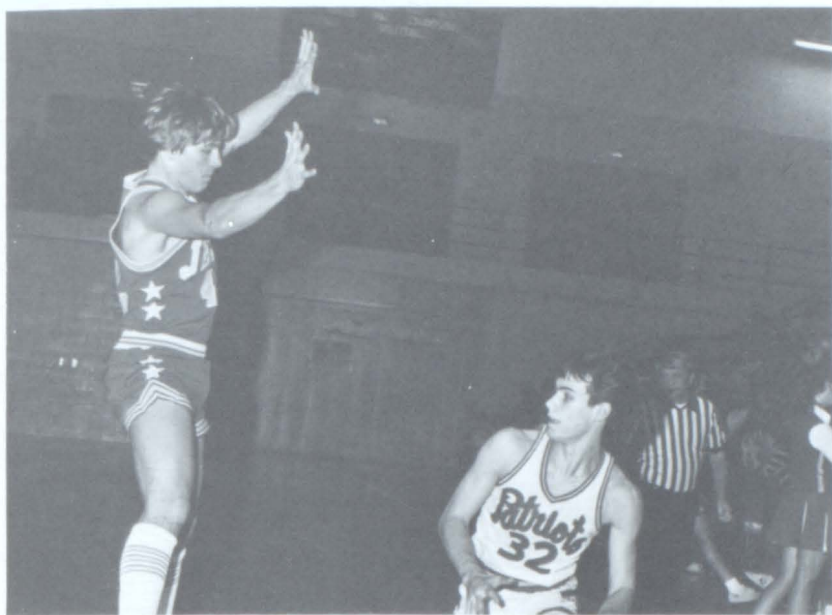

When it comes to pride in school spirit, we are at the top. Students support our teams through the best of times and the worst of times. This spirit comes out on Sweat Suit Day, '50's Day, Toga Day, Red, White and Blue Day, and at all Patriot sports events.

Above: Student spirit is high at a basketball game. **Left:** Punk Day gets these students in the spirit. **Below:** These fans are waiting for the mighty Patriot football team.

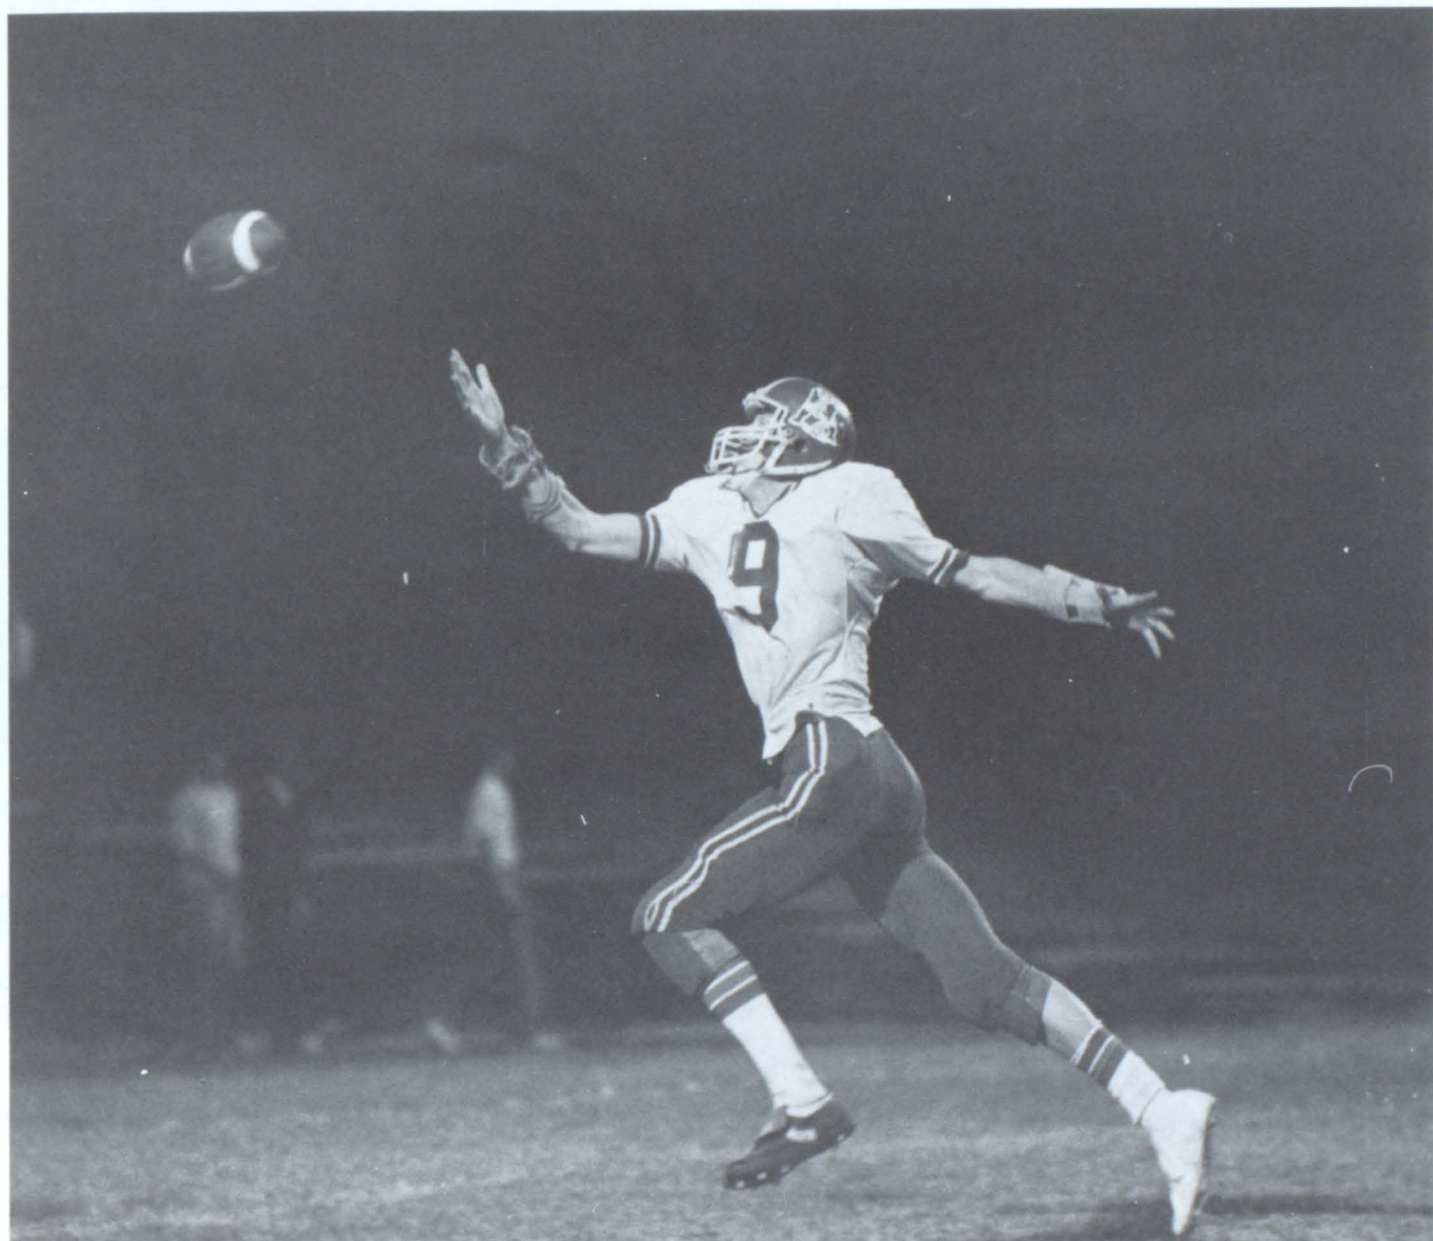

Pride in Athletic Success

Because our athletes and coaches take pride in what they do, they have one of the top sports programs in the state. They put in long hours each week to master the fundamentals and get in top physical condition.

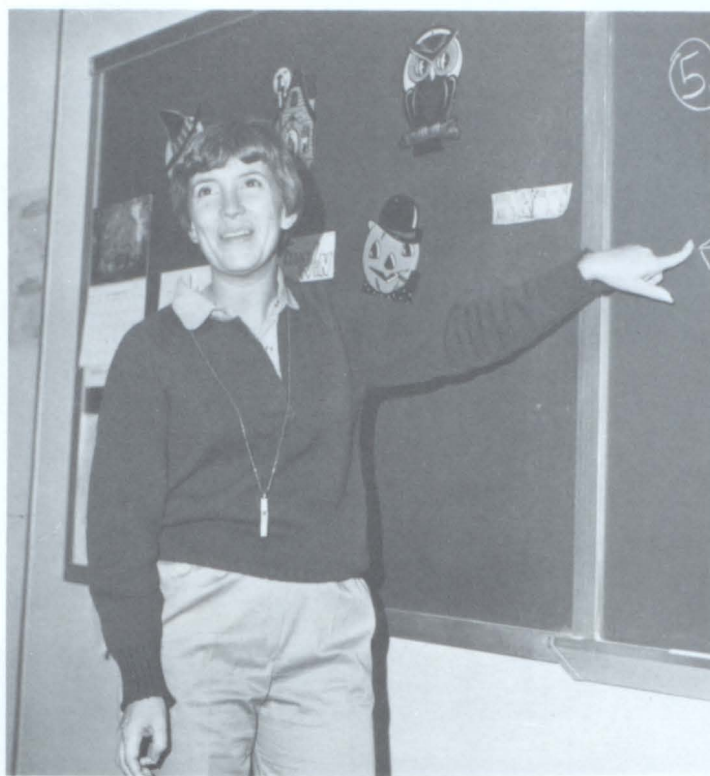

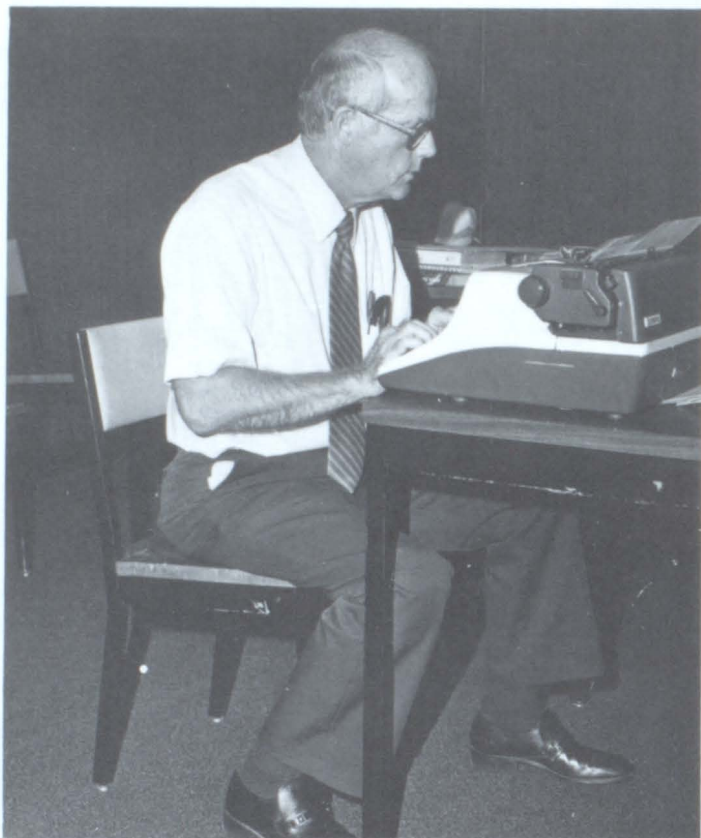

Examples of their success are numerous. Football, basketball, and baseball teams have been ranked among the top teams in the state. All three of them won conference titles. The baseball team won its second sectional in a row. The other boys' sports won titles or set records. Girls' sports had a banner year.

Left: Donnie Jones drives for another basket. Below: Brad Fella shows the grace and agility which makes him one of the top athletes in the state.

Teachers Inspire Students with Pride

Our teachers take pride in their ability to inspire students. This is because they care about each student. Regardless of how busy they are, they are always willing to help a student with a problem. Furthermore, they equip students with the necessary knowledge and skills that they need now and that they'll need in the future.

SENIORS

Above: Class officers: Lana Leiberling—treasurer, Steve Garmon—president, Lynn Pfister—vice-president, and Paula Roos—secretary. Below: Lisa McIntosh looks for relatives and friends at graduation.

We, the senior class, would like to thank many people. We thank our teachers, who gave us knowledge and guidance. We thank our parents, who gave us advice. We thank our friends for their understanding and caring.

We leave with mixed emotions. We are happy to begin our independent lives. On the other hand, we are sad because we have to leave our friends.

We have gained new skills and knowledge. We have learned to do things by ourselves. We hope to make new friends. For these reasons, we face the future with optimism.

Mr. Emmons, band director, said, "Each contest was a highlight because of the improvement made between each of them, the strong leadership provided by the seniors, and the outstanding attitude of the band members. The biggest reward is seeing everyone pull together and become a giant family and seeing the support from the parents and fans. We are proud to be a part of Heritage Hills and appreciate the support from everyone."

Mexican Culture Is Focus of Tour

On June 18, five Heritage Hills students (along with their teacher, Mrs. Shirley Heneisen, and three other adults) traveled to Yucatan, a region on the Caribbean side of Mexico. Students were Lisa Evrard, Kim VanWinkle, Bridget Heeke, LeAnn Sallee, and Annette Rust.

Flying from Evansville, they arrived in Merida, the capital city of Yucatan. The next day was spent shopping and exploring this colonial city.

They visited many famous Maya pyramids and other ruins in Chichen Itza and Uxmal. The temple at Uxmal was particularly interesting, but the steep sides made the descent difficult. The Light and Sound Show at the ruins during the evening was impressive, giving the story of the ancient Mayan civilization.

The last part of the trip was spent on the beautiful island of Cozumel, where they swam, sunbathed, and explored.

A large group of juniors worked very hard for many hours to make this a successful prom. Bob Hawley and Mary Boehman, prom chairpersons, led a committee of fifty students. Their task was to transform the small gym into a Parisian setting. By working together, they accomplished this task. They created a beautiful setting, one that made everyone in attendance feel that they were actually in Paris for one special night.

The juniors and seniors along with their guests danced to the record music of Spectrum Sound. DJ Terry Tunks played records in front of the wall facing the "Seine River." Terry played many favorites, including the theme song "Tonight I Celebrate My Love For You."

The tables were decorated in burgundy, grey, and white. Completing the backdrop was the famous restaurant "De La Pari."

Following the crowning of the Queen, Debbie Rust, and King, Steve Garmon, everyone enjoyed a buffet dinner catered by Bonifer's.

Varsity Wins Another Crown, While

This year's varsity football team had a successful season. They came out with a final record of 7-3. Also, they captured the P.A.C. crown with a 6-0 record. This is their fourth title in five years.

Patriots dominated the P.A.C. team. Voted to the offensive team were the following: Mark Meyer, center; Scott Wetzell, guard; Jeff Schaefer, tackle; Brad Fella and Jim Franchville, ends; and Pat Crews, quarterback. On the defensive team were the following: Tim Ray, down lineman; Bob Fuchs, end; Joe Howe, linebacker; Brad Fella, punter and kicker. Pat Crews was named captain of the offensive team.

Coach Clayton said, "We had a late start due to some starters playing baseball, and it showed. We lost two of our first three games, but we had a good season after the slow start. Also, I'm pleased that we won the conference, yet I'm disappointed that we didn't make the play-offs."

J.V. and Frosh Finish Perfect Seasons

J.V. had an excellent season. Their record was 5-0. This gave them the P.A.C. reserve crown. They scored 129 points and gave up only six. Coach Philbin said, "Our team morale was good."

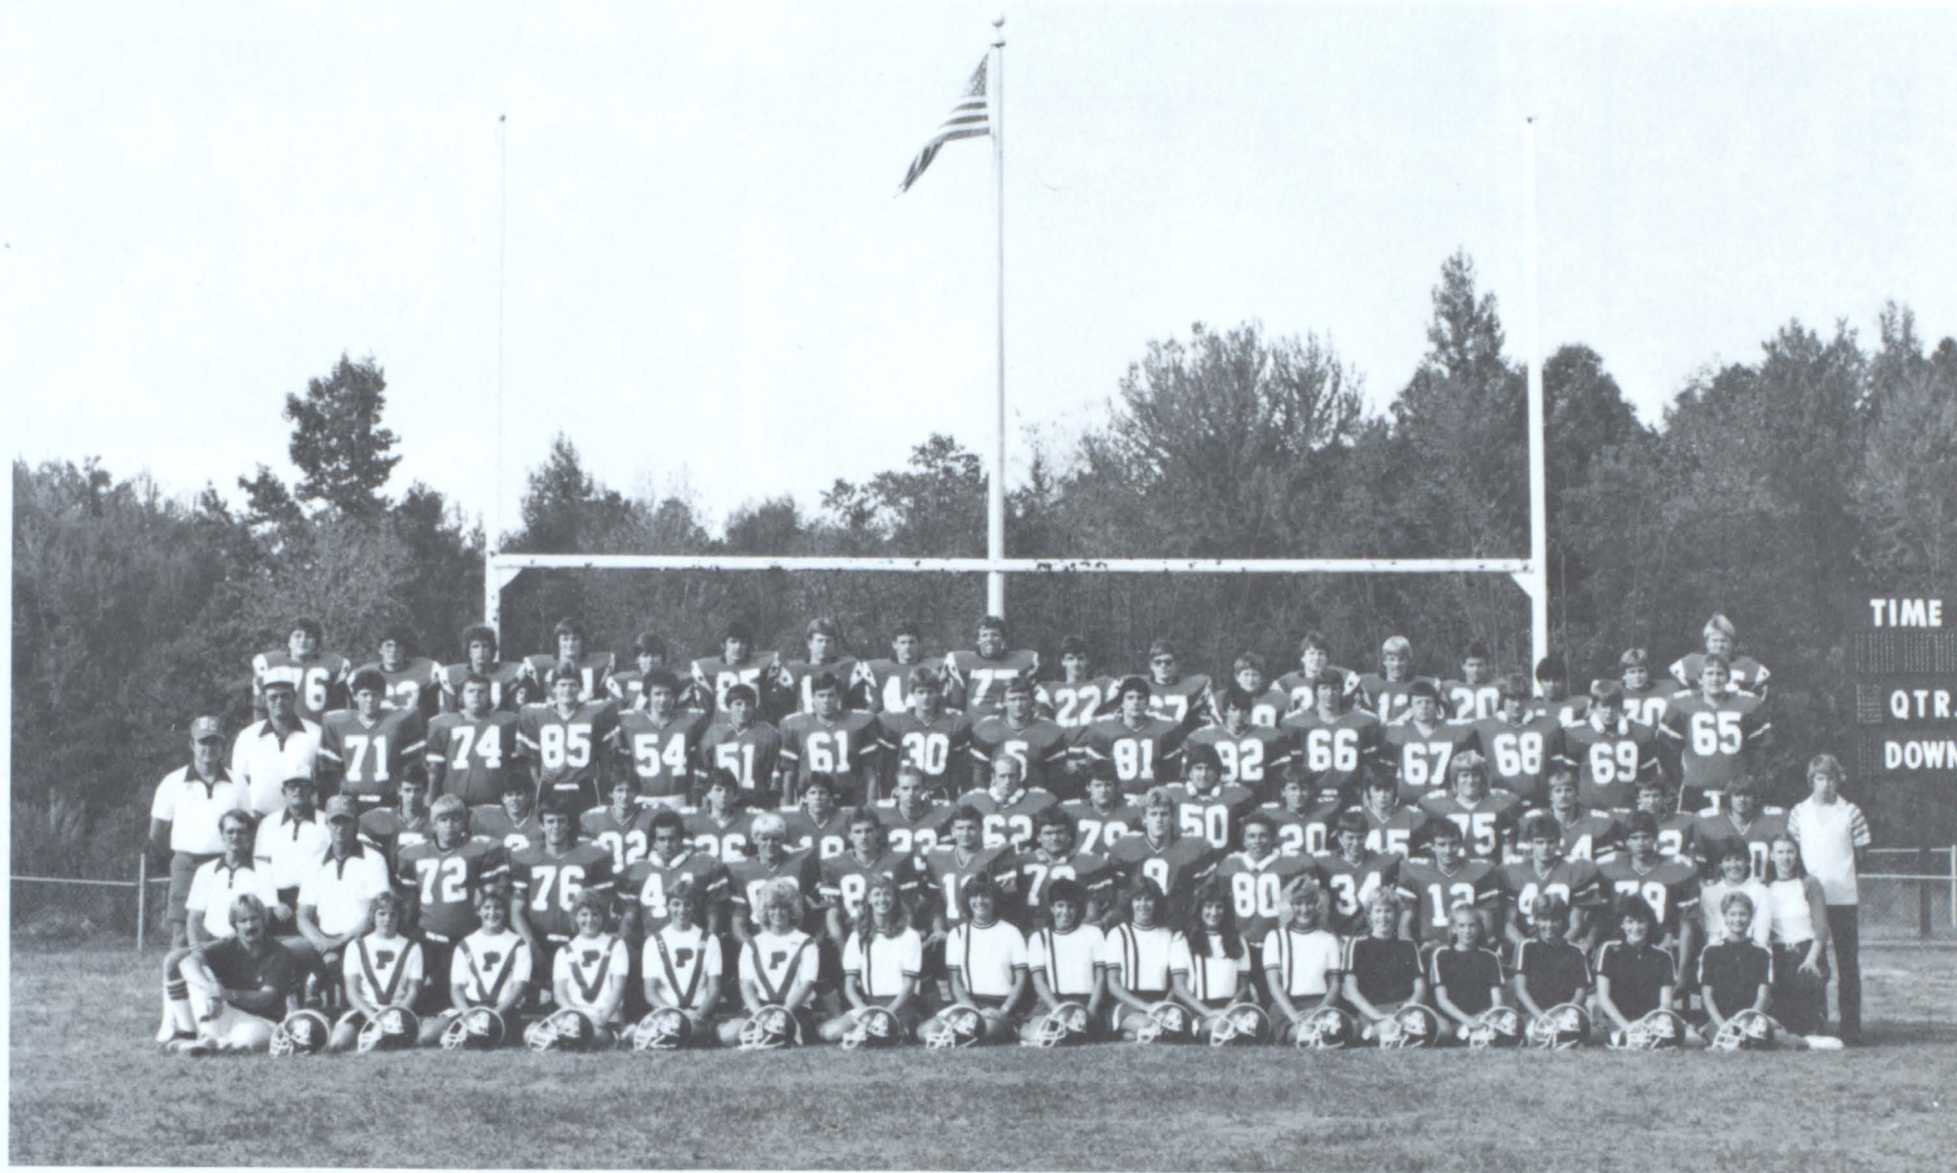

The freshmen compiled a 6-0 record. Coach Schriefer said, "We started with a small squad, only 18, but each player, most of the time, played to his utmost."

"We lost two of our first three games, but we had a good season after the slow start."

Cross Country Runs For More Wins

The cross country team did very well this year. They were 42 and 21. The Patriot runners finished second in the P.A.C., which they lost by only five points. In the P.A.C., Tracy Cleland was first for the Patriots and fourth overall. Jim Wise, in his first year, ran a fantastic race for the Patriots by placing first in the J.V. race. The varsity went on to place fifth in the cross country sectionals. This qualified them for the Jasper regional. In the regional, they took a strong eighth place.

Coach Nixon said, "The team had a respectable season. We were besieged with injuries for the first six weeks of the season, and we still had a winning record. With a little work and no injuries, we should be very competitive in 1984."

Girls' Swimming Continues Tradition

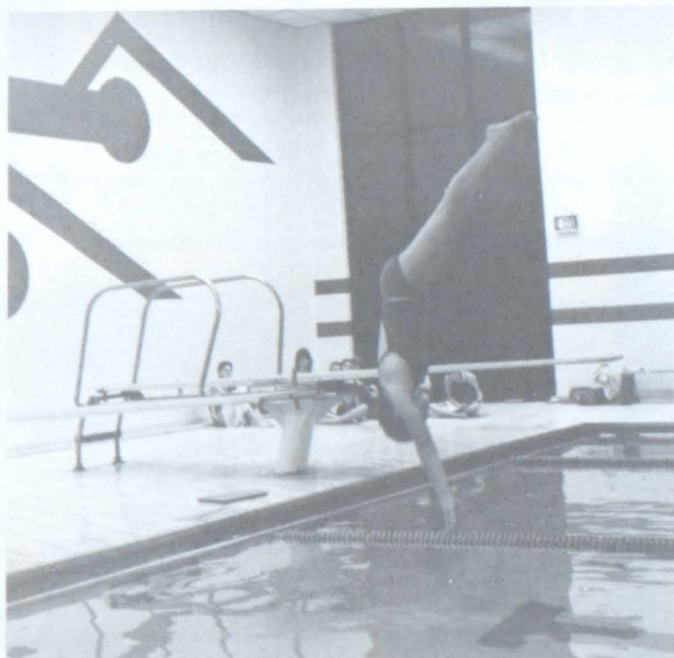

"By the end of the season, I feel that we had jelled as a team."

Coach Ayer

Girls' swimming carried on its tradition with another conference championship. They have won every P.A.C. title since its inception seven years ago. In the sectional, they placed eighth out of fifteen teams. Their record was 9-5.

Coach Ayer commented, "We had a good season. It was exhilarating and enjoyable yet frustrating and irritating, too. This was a learning experience for me and a period of adjustment for the team. By the end of the season, I feel that we had jelled as a team, supportive of each other."

Volleyball Has Best Season Ever

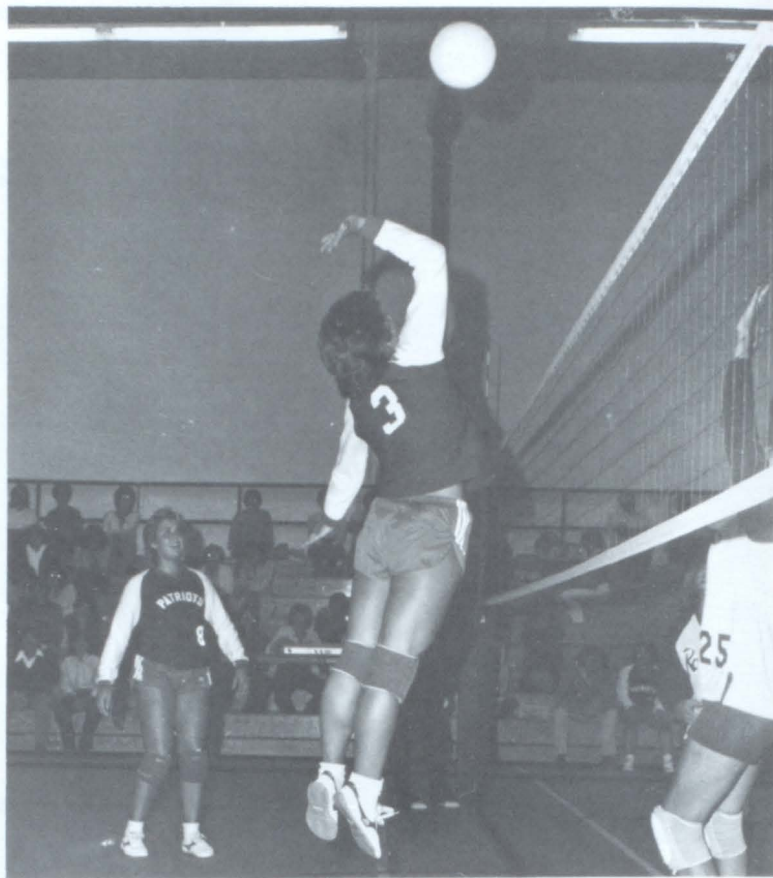

"They did much better than people expected them to."

Coach Kern

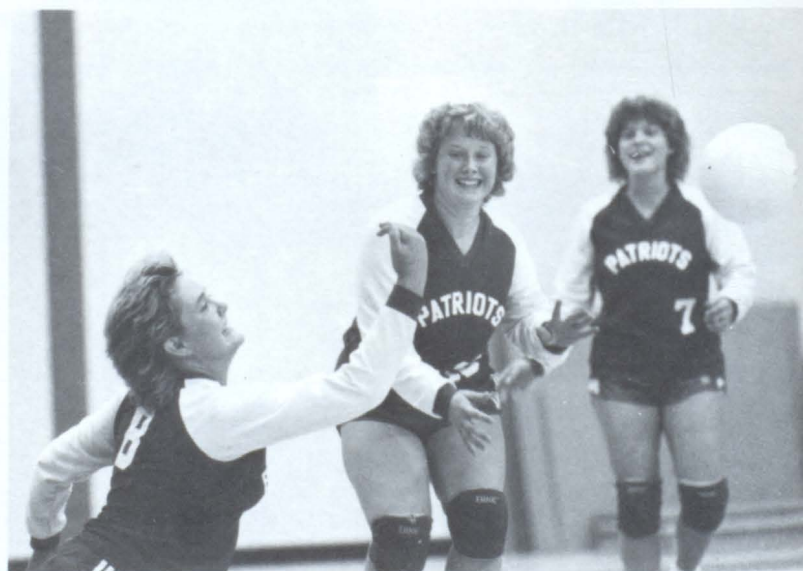

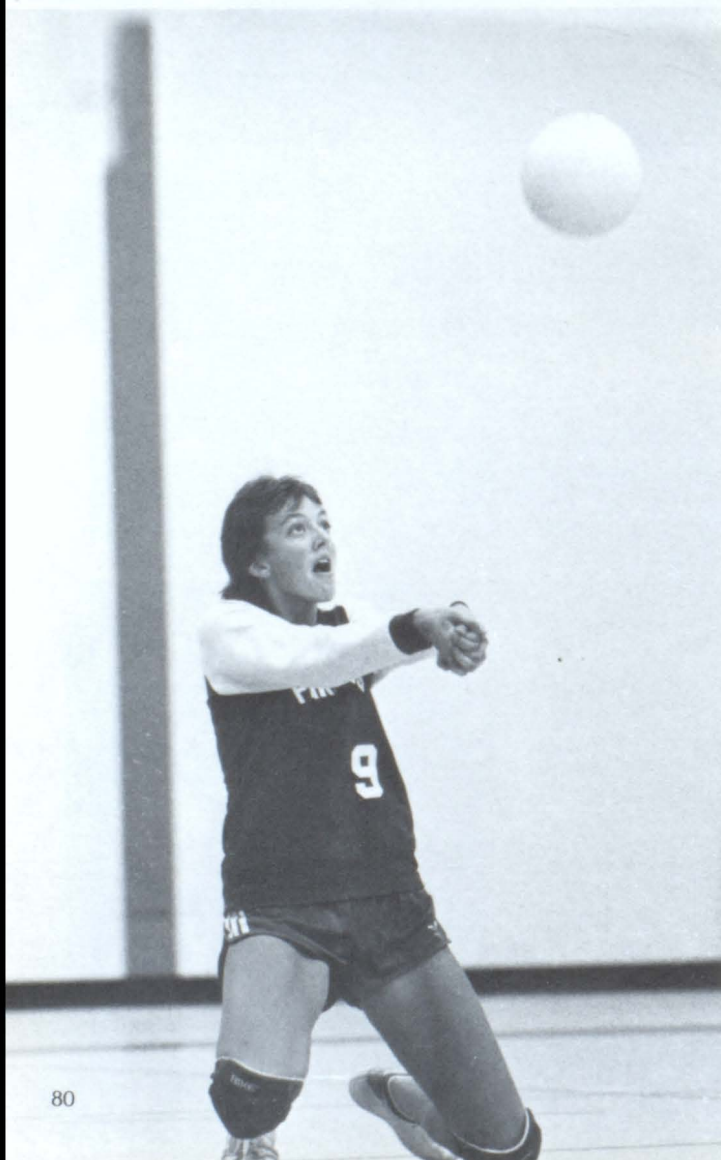

Volleyball had its best season ever this year. They had a final record of 9-10, which topped last year's slate. After receiving third in the conference, the girls went on to the sectional. Here, they defeated Crawford County but lost to Tell City in the second game.

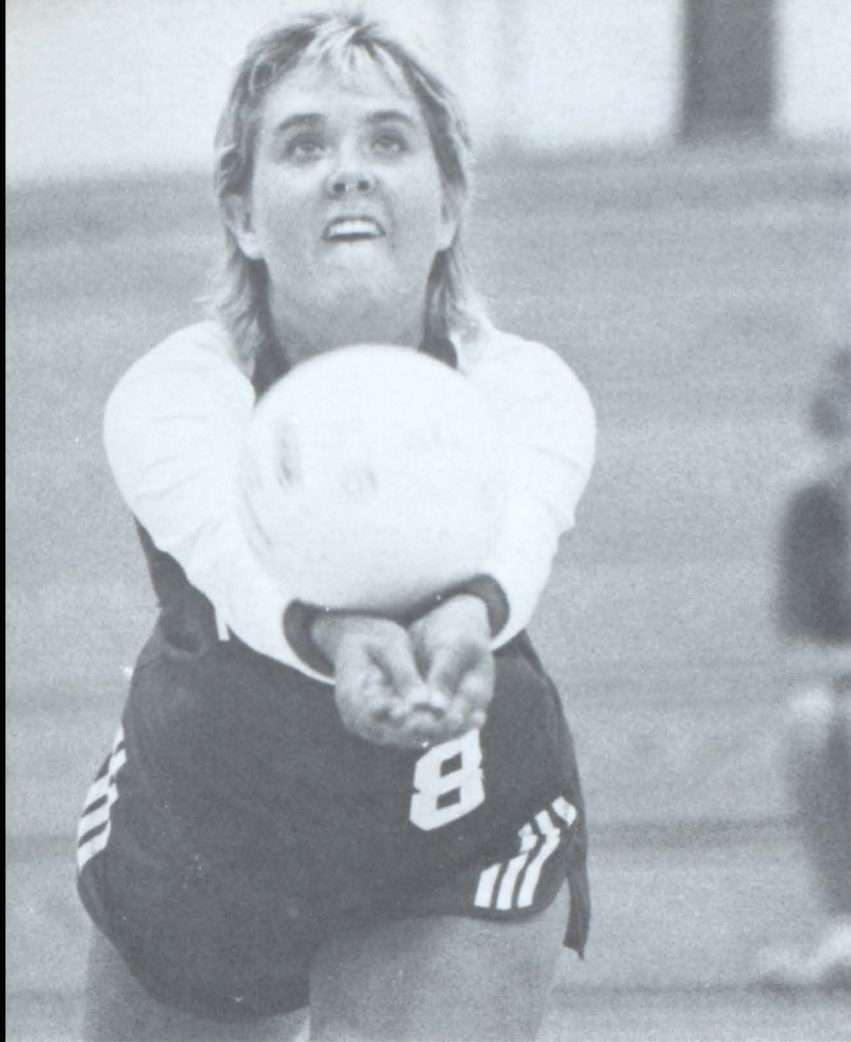

Out of a smashing team, eight girls received letters, four of which are returning next season. The girls all agreed that with much effort they definitely accomplished their goal of beating last year's record.

Coach Kern said, "I'm happy with the girls. They did much better than people expected them to do."

Individual records were set, also. Steve Bennett completed a 10-0 season, the first undefeated junior varsity player. Keith Waninger and Darren Lynam set a record for most wins by a doubles team. They finished undefeated at 9-0. In addition, the number 2 doubles team of Ray Kaetzel and Jesse Myers finished undefeated with a record of 8-0.

Title Taken by Boys' Basketball

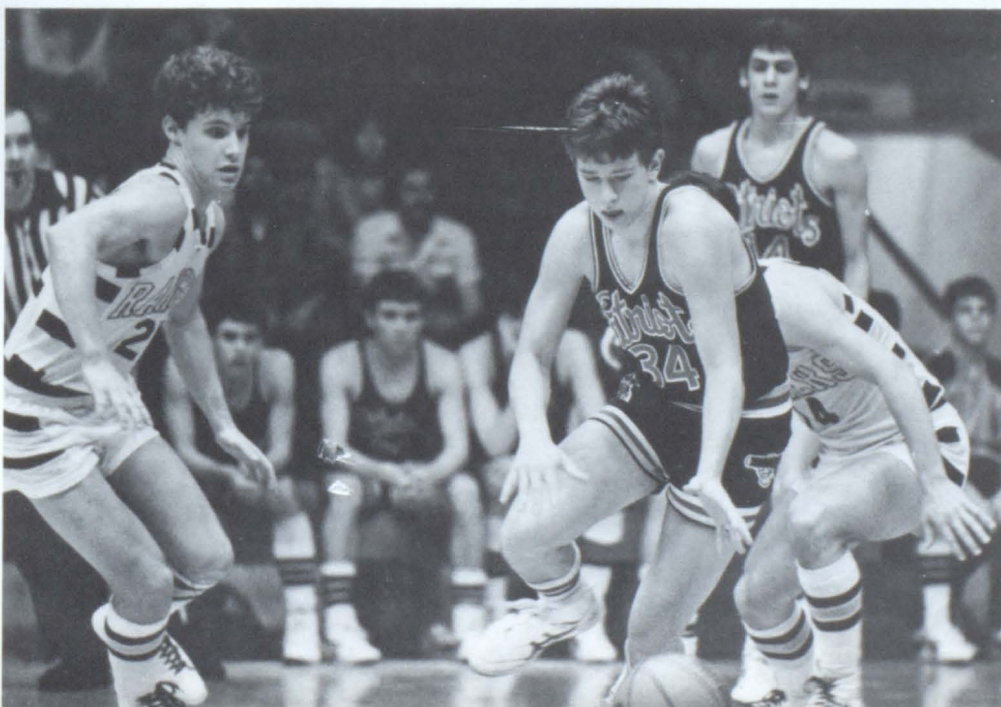

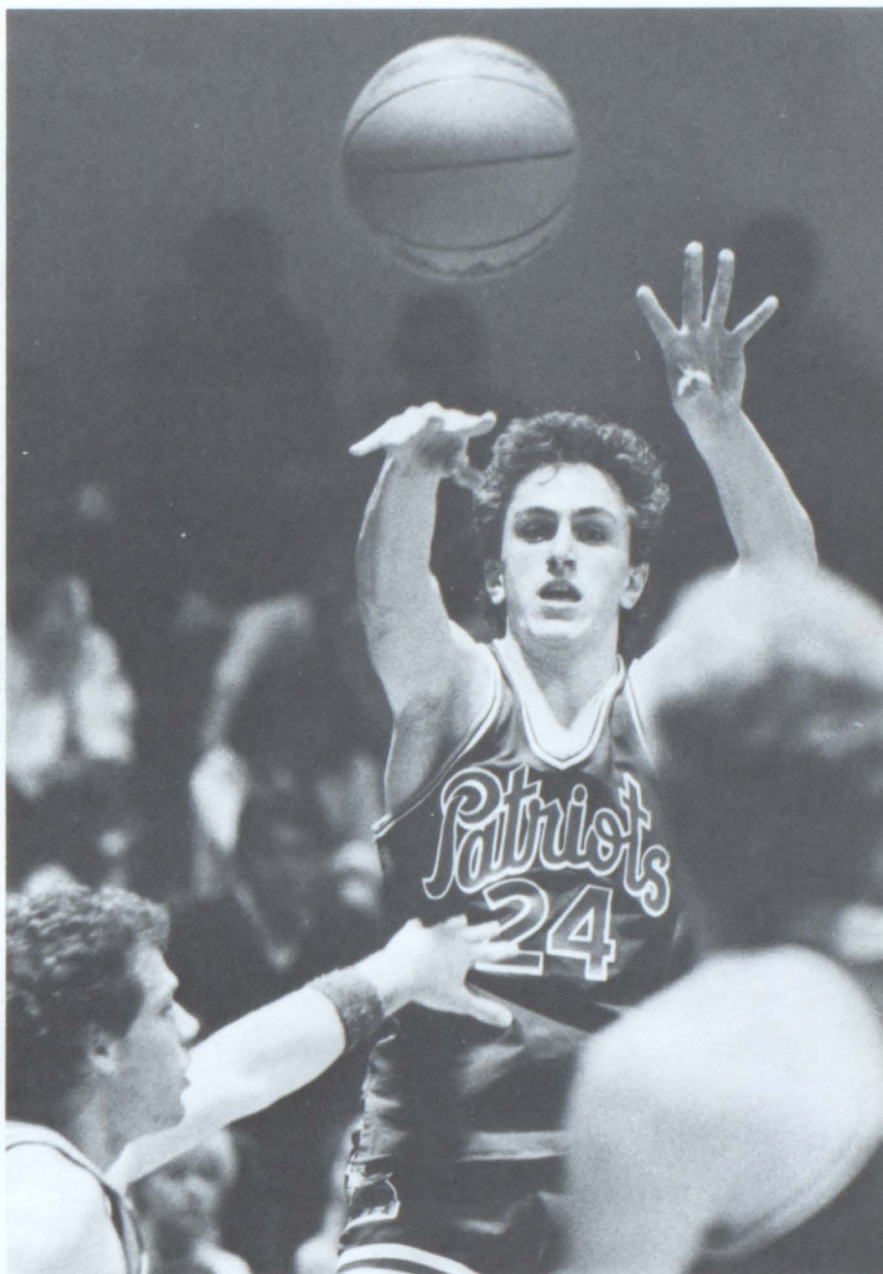

Fella and Wahl Make All-conference Team

Boys' basketball had a good season. Their final record was 16-7. They won the P.A.C. with a perfect 6-0 record. Brad Fella made the 1st team of the conference, and Phillip Wahl made 2nd team. In the sectional they were defeated by Boonville in the final round. Coach Hein said, "The first few games were a disappointment. We lost a few games because of injuries and illnesses. Our team morale was very high the last two thirds of the season. We have three lettermen coming back next season. Our biggest wins were over Southridge for the P.A.C. championship and probably Loogootee up there late in the season."

Baseball Wins Sectional Crown and

"This is by far the best team I've ever had, as far as pitching, hitting and defense. This is a pretty well-balanced team."

Coach Henry Ayres

The baseball team achieved many things. They won the P.A.C. title and placed six on the conference team. They won twenty-four games and lost only three. They won their second straight sectional. Their season was capped with a regional championship.

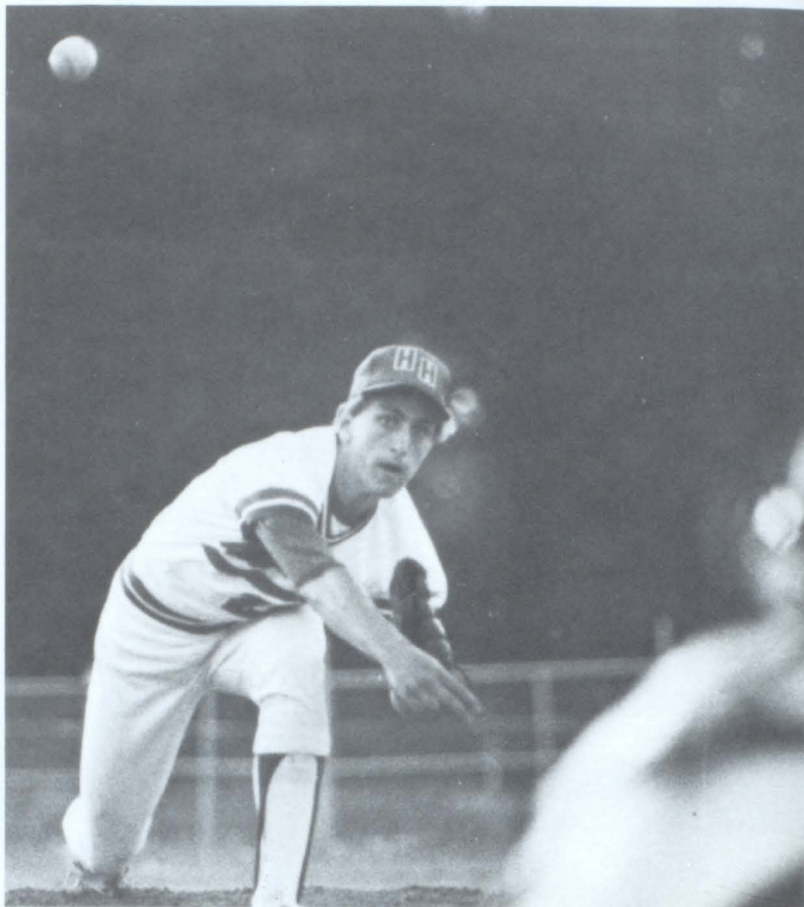

In the sectional, they opened with an easy win over Boonville. Next, they edged Castle 6-5 after Mark Huffman made an excellent play to prevent them from scoring. They routed Tecumseh 14-0 for the title.

They opened the regional against Gibson Southern. Brad Fella threw a two-hitter to lead them to victory. In the championship, they trounced Evansville Central 9-3.

They lost to Jeffersonville 6-1 in the semi-state.

In addition, six players were named All-P.A.C. They were Keith Ayres, Brad Fella, Pat Crews, Mark Huffman, Steve Garmon, and Mark Reisz.

Track Finishes Fourth in P.A.C.

Hawley Competes in State Meet

"I have mixed emotions about our season. I was really pleased with the freshmen and seniors, but I felt we didn't improve like we were capable."

Coach Compton

Three seniors led the boys' track team in the conference meet. Pat Crews took two first place medals. He won the 100 and 200 meter races and set new P.A.C. records in the process. Richard Hawley took first in the high jump and set a new P.A.C. record. Kerry Barnett did well in long distance running events.

Pat Crews and Richard Hawley did well in the sectional. Crews took third in the 100 m. and fifth in the 200 m. Hawley was second in high jump. In the regional, Crews and Hawley both qualified for state. However, Crews couldn't participate in the state meet because of baseball. Hawley's jump of 6'7" in the regional set a school record. He didn't place at the state meet.

If I should lose, let me stand by the road and cheer as the winner rides by."

THE TRANSITION FROM AN ADOLESCENT TO AN ADULT.

TRAN - SI - TION ----- A movement, development or evolution from one form, stage or style to another.

As we evolve and develop, we find ourselves experiencing new experiences, altering our attitudes and opening our opinions. Our relationship to our environment is undergoing many changes. In general, we have to rethink the way we live - transition.

During this transitional process some of us will take on totally new characteristics while others will change more subtly. Some of us will resist any change at all.

Continuing our education will help us to plan and implement life strategies that will position us to take advantage of the changes that are taking place today and tomorrow. Whether it be on-the-job training or college, continuing your education will make your transition easier.

The theme of this yearbook has been "Memories of Patriot Pride". It has been from this proud point of view that the yearbook staff has produced these "Memories" for you to ponder.

Students in yearbook class have spent numerous hours drawing layout designs, writing copy, typing, taking pictures, proofreading, and completing other tasks.

Because of limited space, time, and budget, we give you a general view of Heritage Hills memories for 1984. Yet, we hope that we have helped to jar your recollections of the high points in your 1984 year at Heritage Hills.

In closing, the yearbook staff thanks everyone who assisted in any way. Special thanks go to the following: Inter-Collegiate Press; Steve Pumphrey, I.C.P. representative; Robert McCarty Studio, professional photographer; THE JOURNAL-DEMOCRAT; THE DALE NEWS; and THE HERALD.

Kris Lasher and Pat Crews, proud graduates, close their high school careers by congratulating each other.
