

A short distance from Heritage Hills is a cabin similar to the one Abraham Lincoln lived in during his fourteen years in Indiana. Here, in contrast to our highly advanced facilities, Lincoln studied before an open fire. We look to this cabin site as part of our heritage and to Abraham Lincoln as our inspiration.

The Way We Were

A history of strong scholarship was continued. Seniors worked hard for good grades. This paid off as many of them received academic scholarships to colleges and universities. In addition, underclassmen were studying to make the honor roll, Student of the Month, or the National Honor Society.

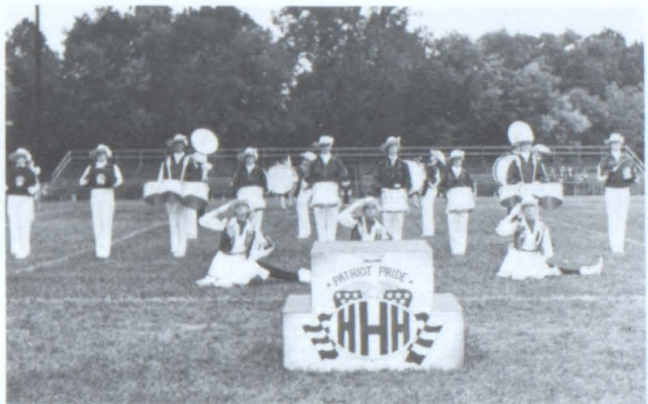

Athletic programs kept pace. Boys' sports finished a strong second in the P.A.C. All-Sports race. Girls' sports won the All-Sports Trophy. This was a first in the history of the girls' program.

Students blended creativity with hard work to excell in band and art. Numerous awards were won.

Everyone worked hard to achieve. Everyone played hard to win. It was a year filled with memories of "They Way We Were".

Kelly Kramer completes an assignment. She is typical of many students who spend more time on their studies.

Band students are proud to represent us.

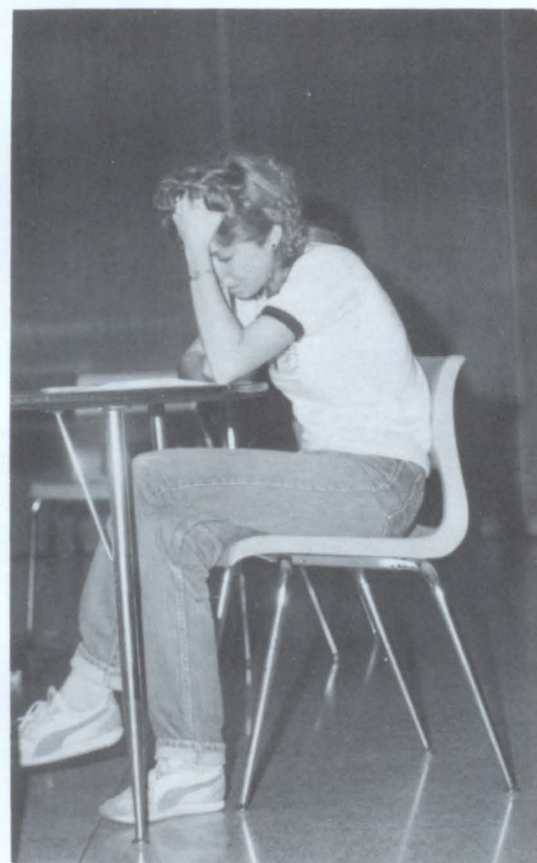

OPENING 1985

We Were Studying and Creating

Students were seen studying and creating throughout the year. In classrooms they took notes and tests. Study hall, of course, meant reading and studying. Art students created paintings and other artwork. Furthermore, whether reading a book, playing a trumpet, or drawing a picture, students usually gave their best.

Right: Students are inducted into National Honor Society.

We Were Playing to Win

What is a Patriot athlete? This question can probably be best answered in the words of the late Grantland Rice, who wrote the following.

How to be a Champion

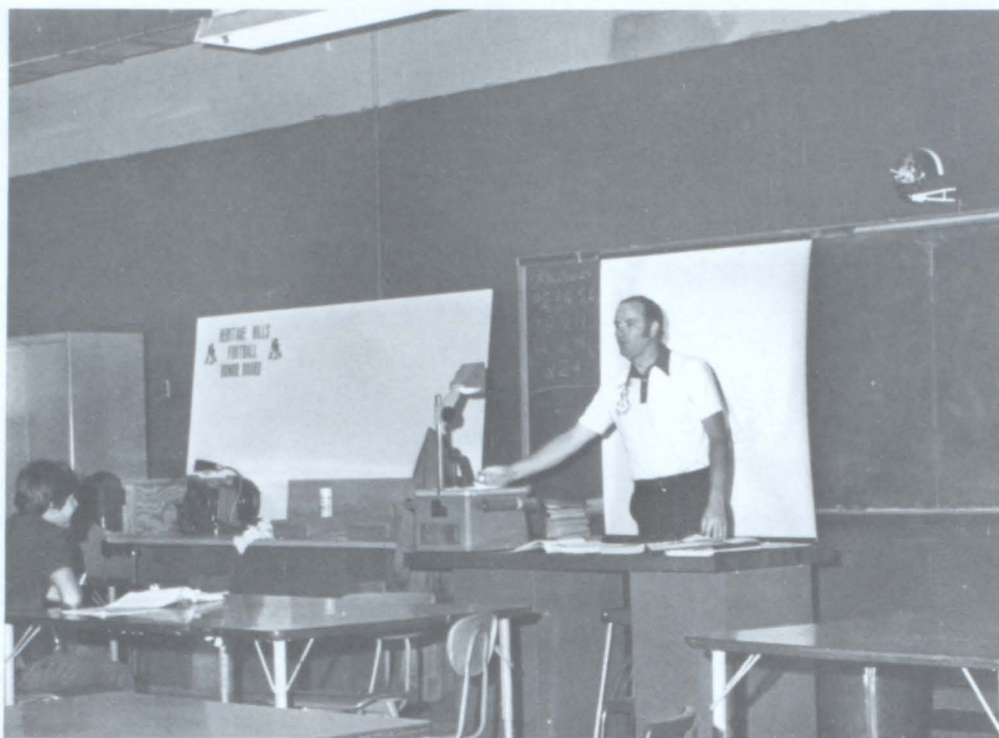

You wonder how they
do it and you look to
see the knack,
You watch the foot in
action, or the
shoulder, or the back,
But when you spot the
answer where the
higher glimmers lurk,
You'll find in moving
higher up the laural
covered spire,
That the most of it is
practice and the rest
of it is work.

We Were Busy But Prepared

Teachers spent more time in the classroom because of the required longer day. However, this didn't prevent them from being prepared. Eighteen teachers studied computer training at I.S.U. E. Many teachers read books and magazines to keep informed with the latest trends and innovations. As a result, teachers entered classrooms prepared to give students knowledge and skills.

Administrators made changes and additions. A new workroom was arranged for teachers and administrators. Some rooms had new walls and doors added. The baseball facility was upgraded with new lights and a new concession stand.

Right: Mr. Bell presents a lesson on an overhead projector.

Above: Mrs. Braun, librarian, organizes books.

Right: Mr. Lifke shows students how to operate industrial arts equipment.

The Way We Were

Students were in the classroom more than ever before because of the new state law. Students had more time in each class, which allowed them to cover more material. They had more time to study in study hall. Seniors and juniors could take a maximum of two study halls. Freshmen and sophomores could take one study hall because they had to have six solid classes.

Our students have always had a tradition of high academic achievement. With the changes bringing more time in the classroom and more studying, we'll maintain this standard.

ACADEMICS 1985

Hi-Q Team Dominates Contest

The Hi-Q team showed their trivia knowledge in a big way this year by winning the South Spencer Hi-Q Bowl. To get this title, they blew out Evansville Day, Forest Park and Pike Central, each by more than 150 points! To add to the excitement, they competed in the WAVE-TV 3 Hi-Q tournament on March 17. They lost to Louisville Ballard 190-35. However, Louisville Ballard is a much larger school with strict academic policies. The match was televised on March 24.

Students Learn the Numbers Game

The five math teachers are Mr. Schriefer, who teaches geometry, Mrs. Spencer, who teaches Intermediate Algebra I and Algebra II, Mr. Goldman, who teaches Computer Math and Senior Math, Mr. Hess, who teaches Intermediate Algebra I and Algebra II, and Mr. Hendren, who teaches General Math. There was a math contest on April 27 at Southern Indiana University, and Heritage Hills was represented well.

Industrial Arts gives practical knowledge to students through blueprint reading, Drafting I and II, power mechanics, electricity, vocational auto mechanics, Woods I and II, and metals and welding. The industrial arts teachers are Mr. Lifke, Mr. Bell, Mr. Rosbottom, and Mr. Waninger.

The art department teaches drawing, painting, and sculpture. Art I, II and III are offered. Art IV and V are for advanced students. Each year projects are entered in art contests at Brescia College and at the Holiday Inn at Jasper. The art department is proud to have won many awards at these contests. Art teachers are Mr. Morrison and Mr. White.

Band Marches to Hoosier Dome,

Marching Patriots started out with a slow year, but they worked to make this year the best.

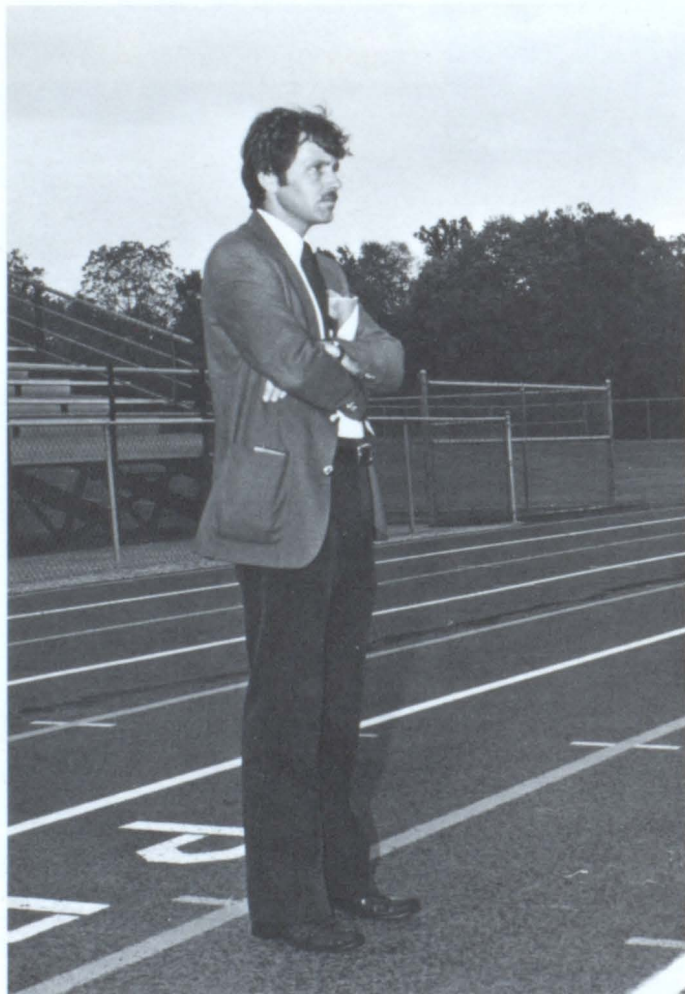

Band consisted of twenty-four seniors, twenty juniors, nineteen sophomores, and thirty freshmen. They also marched five eighth graders.

The marching Patriots not only got a Division 1 rating at District and Regionals, but they also made it to state finals. "This marked the first time in Heritage Hills' history," says director Steve Emmons.

Mr. Emmons went on to say, "It was a truly memorable event for the band, especially being able to march in the Hoosier Dome. I personally want to thank everyone."

Above: The band marches in another local contest, each time moving closer to state finals.

MARCHING PATRIOTS

ROW one: Scott Kirkland, Laura Sallee, Tammy Ficker, Brent Waninger, Robert Yeager, Bill Johnson, Kim Ubelhor, Keith Waninger, Brenda Vaal, Bob Hawley, Brad Smith, Mark Wead, Allen VanHoosier, Michelle Wahl, Lynn MacLeod, Kathy Miller, Sheila Roos, Jay VanHoosier, Greg Huffman. **ROW two:** Director Steve Emmons, Janeen Heidorn, Lisa Hasty, Gail Mullis, Tracy Spencer, Angie Brown, Tama Boeckman, Carla Michel, Brenda Hassfurther, Annette Kleeman, Connie Rexing, Rachel McCullough, Chris Mullen, Beth Vance, Gwen Jellison, Charlene Brummel, Teresa Carpenter, Angie Burrell, Jennifer Hellmers, Amy Yeager, Chris Price, Assistant Director Eddie Gerlach. **ROW three:** Denise Kirkland, Janet Mullis, Shannon Evans, Kristi Lindauer, Beth

Collignon, Sandy Deller, Joey Kulbeth, Christine MacLeod, Lisa Peters, Kim Mills, Amy King, Cindy Nord, Mike Manley, Jennie Hoffman, Kelly Ferguson, Denise Meyer, Tracie Stevens, Keith Barnett, Sonia Lasher. **ROW four:** Mike Lehr, Tonja Tischendorf, Darin Collignon, Kevin Patmore, Connie Hassfurther, Tracey Ubelhor, Peggy Dickens, Gail Schaeffer, Ray Kaetzel, David Lovell, Mark Vance, Pat Kuegel, Mickey Rohl, Brian Bolin, Krista Cassidy, Kevin Ramsey, Jimmy Trulock, Del Hazelip, Kurt Wittman, Mike Barnett. **ROW five:** Lisa Evard, Loretta Board, Kim Chamlee, Julie Dilger, Melissa Hazelip, Christine Durbin, Tonya Tribble, Heather Harper, Kim Motteler, Kelly Smith, Missy Sampson, Tammy Meyer.

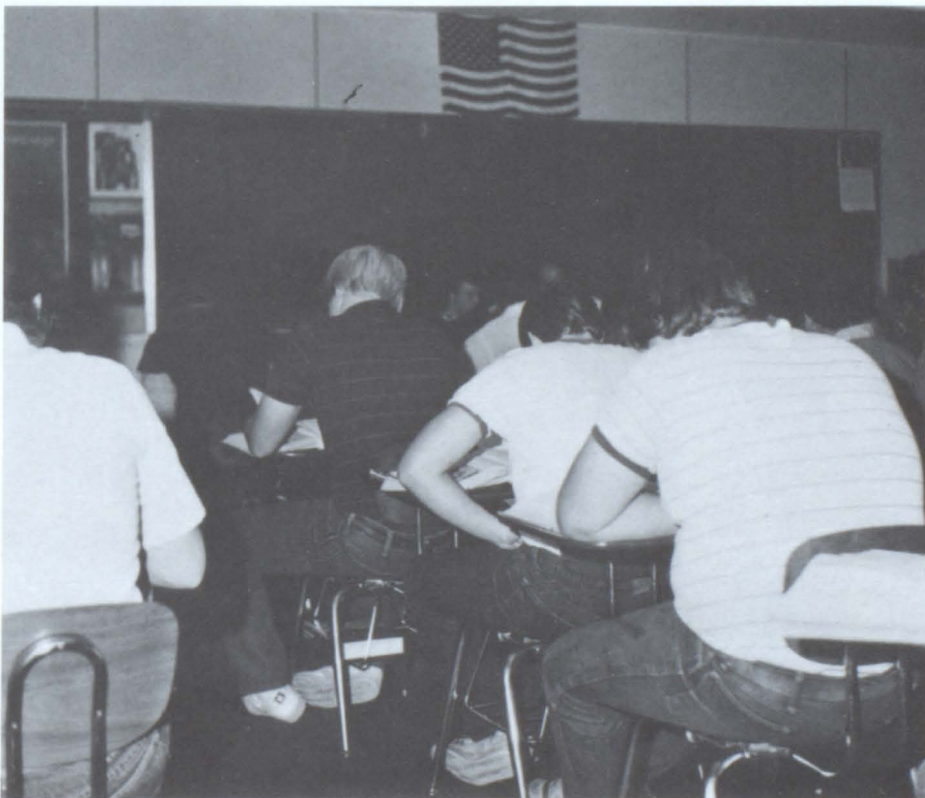

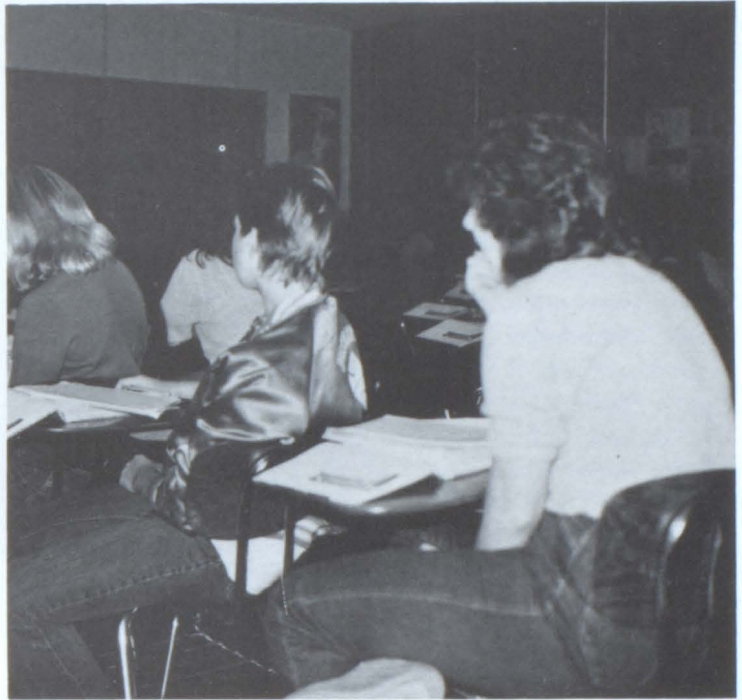

Democracy, Voting, and History

Above: In economics, Chip Delaney explains how phosphorescent lights use less electricity than regular lights. **Right:** Students listen to a history lecture.

"Those who don't know history are destined to repeat the mistakes of the past."

George Santyana

Social studies classes offered are government, geography, U.S. History, World History, and civics. Students in these classes learn how democracy works, what citizen's rights are, why it's important to vote, and how the past influences us today.

In addition, students who take psychology learn how the mind operates. Economics teaches students the importance of managing money wisely in an ever-changing economic system.

Left: Students complete a history assignment in Mr. Prusz's class.

Language Is What Makes Us Human

Language Arts offers students many exciting classes. Students have opportunities to improve their reading skills, writing skills, listening skills, speaking skills, and thinking skills. Courses are offered for the college bound student, and other courses prepare students for the work force if they go to work immediately after high school graduation.

New textbooks were adopted, students were ability grouped, and classes became more language arts oriented.

Our Language Arts Department wants students to understand themselves better, understand others better, and use communication skills better in the ever-increasing complexity of today's world.

Right: The Bookmobile offers students many good books to read.

Chorus Entertains at Concerts

Chorus is very exciting for students who enjoy singing. It is for students who have good voices and who are dedicated to singing. They have concerts at Christmas and in the spring. Performing for large groups of people, they learn to read music while singing many different songs. Chorus is taught by Mrs. Daubenspeck.

Experiments Open Eyes to Science

We have many interesting science classes this year at Heritage Hills. Physical science is designed for students interested in meeting graduation requirements without a science major. Other classes are biology, chemistry and astronomy.

Above: Mr. Tower demonstrates the human torso in science class. Left: David McFarling and Matt Leiberling experiment with chemicals. Below: Mr. Michel lends a helping hand to Jeff Gasaway in science class.

Above: A driver education car sits on the driving range, which is where students get plenty of driving practice. **Right:** Dane Badger plays basketball in physical education class. **Below:** Students play a volleyball match; this is one of many different sports that they will learn during physical education class.

Driver's education teaches safe driving skills. Students spend time in class, use driving simulators, and practice on the driving range. This prepares them for actual driving on the highway. Mr. Maxey conducts the annual Driver Safety Contest at the end of the year.

Physical education stresses good physical fitness. Students learn rules and skills for various sports. Also, they learn sportsmanship and teamwork. At the end of the course, they take the National Physical Fitness Test.

Students in health classes learn the importance of good personal health habits.

The Way We Work

The yearbook class works hard throughout the school year. Mr. Blessinger, the yearbook adviser, teaches his new yearbook students the basics, such as how to draw lay-outs and measure copy. The photographers are well prepared because they attended Yearbook Photography Camp at Georgetown College for a week. Editors make sure students finish stories to meet deadlines. Each student is assigned to a section. Yearbook class is hard work at times, but it's very rewarding and worthwhile when the new yearbooks arrive.

Above: Front row: Mary Boehman, Julie Dilger, Frances Decker, and Tommy Meyers. **Second row:** Gina Obermeier, Anita Talbot, Kevin Lubbehusen, Rick Balbach, Beth Greulich, Janice Lifke, and Gary Spaulding. **Third row:** Shannon Evans, Gina Schwindel, Cheryl Roach, Missy Bender, Michelle West, Maria Villaverde, Robin Vaughn, Holly Gripenstroh, Lisa Hempfling, and Jerri Foster.

Journalism Produces Quality Newspaper

Newspaper journalism works hard throughout the year to produce a quality paper. With about ten issues a year, the **Towne Crier** has been a symbol of success here for many years. In order to meet the deadlines, students must gather information, write, and type stories. Other students take pictures, proofread stories, and design layouts.

Mr. Painter, the adviser, oversees advertising, writing copy, proofreading, layout designs, and paste-up.

Allen Terry was absent.

It's Business As Usual

Francis Decker types another semester paper.

Business department not only prepares students for jobs after graduation, but it also prepares students for college business classes.

Business classes meet the needs of students and includes vocational training for future workers. Because all students need some business courses as a part of their general education, every student should have a basic understanding of the business system, a knowledge of record keeping, legal contracts, insurance, taxation, and correspondence to carry on the day to day activities. Classes are offered in three major areas: 1. Clerical; 2. Secretarial; and 3. Accounting — Data Processing.

Twenty-One Inducted Into Honor Society

The Heritage Hills Chapter of the National Honor Society held their induction ceremonies on Friday, April 19, in the auditorium. President Bob Hawley made the introductory speech, which was followed by the lighting of the ceremonial candles by other senior members of the society. Twenty-one new members were then inducted and accepted by Mr. Lake. Afterwards, refreshments were served to the members and their parents.

Up, Up, Away

Army recruiters literally flew here to talk to students about the Army life. The recruiters landed on the school parking lot in a huge army helicopter. The loud sound of the huge chopper was heard throughout the school. After landing, the recruiters allowed students to walk through the passenger section and the cockpit.

Scholars Honored by Optimists

Santa Claus Optimist Club honored upperclassmen who have a 3.5 or better grade point average. The night started at 6:30 with a very nice dinner. After dinner, all went to the auditorium. Plaques and certificates were awarded to senior honor students. Junior and sophomore honor students received certificates. This makes the third consecutive year for the Optimist Club to honor students. Reverend Emerson Abts, president of the Optimist Club, gave the introductory speech. Other guest speakers were Mr. Lake, Mr. Collins, Mr. Scott, and Mr. Buckles.

The Way We Were

Various organizations and numerous activities added variety to school life. Students joined clubs in their area of interest. A new organization, S.A.D.D. (Students Against Drunk Driving), was formed. Band and chorus gave students opportunities to perform in front of crowds. Sports events kept fans in suspense. Dances after ballgames were popular. The new Christmas Dance was well-attended. The Jr.-Sr. Prom was one of the year's highlights. Students had plenty of things to do when they weren't studying.

SCHOOL LIFE 1985

Students Enjoy Studying Español

The Spanish club consists of 100 members. Its advisor is Mrs. Heneisen. Scott Blazey is president, Alfred Maglalang is vice-president, Chad Cannon is secretary-treasurer, and Natalie Koch is reporter.

The Spanish club plans a roller skating party in the spring, as well as a banquet. Several club members plan to take trips to Mexico or Spain.

GERMAN CLUB KEEPS BUSY

The German club consists of 55 members. Its sponsor is Mr. Nixon. The German club has not selected any officers this year. Some of the German

members studied German for the fourth year. One of their main projects was to sing Christmas Carols at the area nursing homes.

Farmers of Future Unite

Future Farmers of America is advised by Mr. Rosbottom. There are 34 members, including Pam Schaefer, who is the only girl in this traditionally male club. The officers are Mark Springstun, president; Greg Ficker, vice-president; Pam Schaefer, secretary; Matt Hallman, treasurer; Jerry Puertzer, reporter; Mike Polster, sentinel; and Alan Fleischman, adviser.

Girls Learn Homemaking Skills

The Future Homemakers of America has eleven members and is advised by Mrs. Wright. The officers are

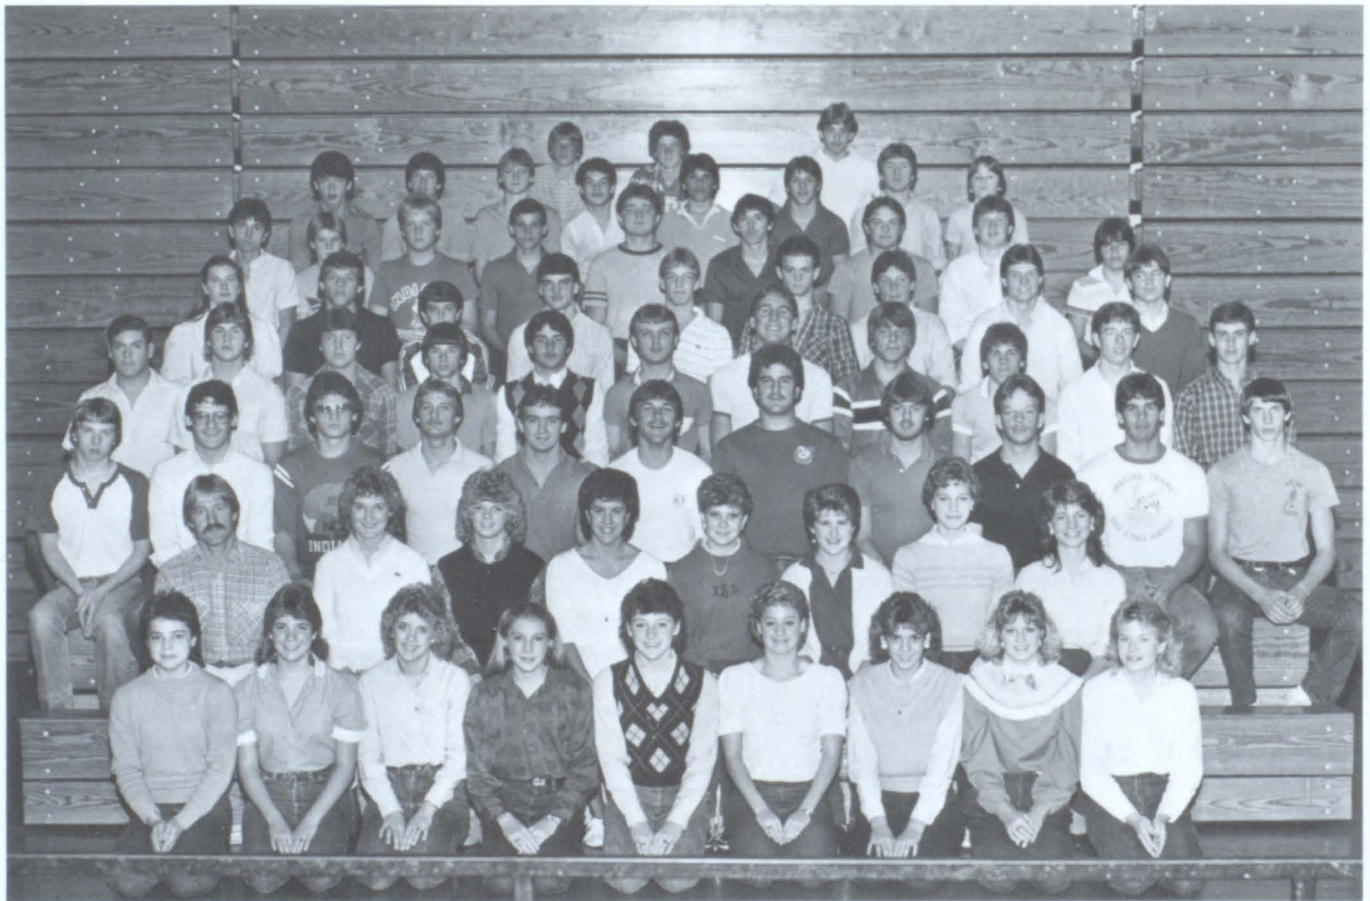

as follows: Angie Woods, president; Janet Mullis, vice-president; and Jean Traver, secretary-treasurer.

Safe Driving Is Their Motto

The driver and traffic club has 7 members. The officers are Matt Neyenhaus, president; Danny Williams, vice-president; Rita Rust, secretary; and Tony Chamlee, treasurer. Mr. Maxey sponsors this club. At the conclusion of the school year, they held a contest in safe driving.

Love for Football is Common Interest

The football club is sponsored by Coach Clayton and promotes an active interest in football. The officers are

Mark Raven, president; Paul Nighswonger, vice-president; and Neal Daunhauer, secretary-treasurer.

Heritage Sings at Graduation

Heritage consists of 19 people. It is directed by Mrs. Daubenspeck. Heritage is a special club; unlike the others, students must try out to get in it. This group has performed at various churches and school functions. Also, Heritage had the distinction of performing at the graduation ceremonies in May.

Students Against Drunk Driving

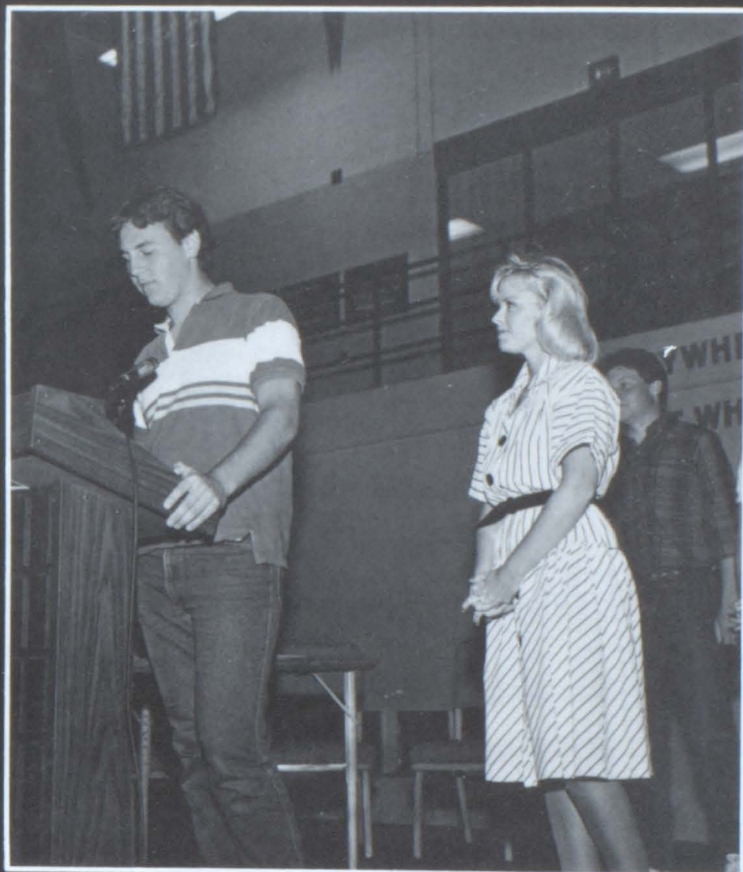

After a home basketball game a group of former students approached Mr. Lifke. They asked for his help in organizing a S.A.D.D. group at Heritage Hills. Mr. Lifke went to a few of his students and the Student Council to ask them to help spread the word.

The first meeting of our S.A.D.D. group was held on March 4, 1985, with 87 adults and students attending. Kathy Coley, president of M.A.D. D. in Evansville, was a featured speaker. Mrs. Coley's sister, Beth Temple, was killed two years ago on her way to work by a drunk driver. Another speaker was Phil Parker, Santa Claus Town Marshall. He demonstrated the procedure that he uses when he arrests a drunk driver. He explained how a DWI arrest affects one's future, the experience of going to jail, and how alcohol affects one's driving.

In the second meeting officers were elected. The results were as follows: Paul Nighswonger — president; Kim VanWinkle — vice-president; Sandra Tretter — secretary; Reid Teaford — treasurer; Neal Daunhauer — public relations; Alfred Maglalang — public relations; and Denis Kirkland — reporter.

The main goals of our S.A.D.D. group are the following: 1. To help eliminate the drunk driver and save lives; 2. To alert high school students to the dangers of drinking and driving; 3. To have community programs.

Flags Fly in Hoosier Dome

This years' flag corp started out slow but ended up very strong. With all the after school practices and summer camp, the hard work paid off at the State Band Contest. This year they made it to state for the first time. It was held at the huge Hoosier Dome. They finished seventh in the state in their class. Missy Sampson, a member of the flag corp, said, "There was a lot of hard work involved, but it was all worth it after going to State."

O.E.A. Keeps Pace with Changes

Students Learn How to Use New Word Processor

The Office Education Association is advised by Mrs. Aldridge. The club officers are as follows: Shannon Evans, president; Mary Boehman, vice president; Jill Altman, secretary; Sarah Schutzius, treasurer. The O.E.A. consists of 14 members. They entered some of the state contests. They performed well, which continued a tradition that began years ago.

Students learn practical business office skills. They keep pace with recent trends and innovations in office equipment. Also, they learn the importance of correct grammar, spelling, typing business letters correctly, and proper communication.

A new word processor was added. Students learned how to use it and how it helps in the office.

Blood Drive a Success

Brad Rust gladly gives a pint of blood.

"You give but little when you give of your possessions. It is when you give of yourself that you truly give."

Kahlil Gibran

The annual fall blood drive occurred on Oct. 12. A total of 85 students registered to donate blood. From the 85, there were 75 units of blood collected. The Red Cross staff would like to thank all of those persons that donated blood and want to especially thank Heritage Hills for hosting the drive. The two blood drives at the school each year are very necessary to the success of the Red Cross Blood Bank. Thanks again for the cooperation of everyone.

Before donating blood, Mrs. Braun has her temperature taken. She has faithfully given a pint of blood every time Red Cross has been here.

Heritage Bowl Tests Trivia

The Heritage Bowl is a tournament of homeroom teams which compete against each other in trivia matches. After a match, only the winning team is allowed to advance in the tournament. Team members are chosen either by the students or the homeroom teachers.

The final game of the year was held on May 22 in the auditorium. This match of champions pitted the defending champion G.E.'s against the Predators. Led by team captains, Jay VanHoosier and Robert Yeager, the G.E.'s again reigned as champions.

A Night on the Carribean

The annual Junior-Senior Prom was held on April 26. The theme for the prom was "A Caribbean Cruise" with the theme song being "Sea of Love" by the Honeydrippers. The gym, decorated in blue, silver, and white, became a large cruise ship for the evening. Following a buffet dinner provided by Bonifer's Catering, everyone danced to records played by D.J. Rick Crago. There were even casino tables for those who weren't quite so energetic. The evening was a great success and will be remembered forever.

Janice and Brad Reign at Prom

As everyone entered the Caribbean cruise, they were handed a ballot to choose who would reign as king and queen. When the final ballots were tabulated, Brad Rust was crowned Prom King and Janice Lifke was crowned Prom Queen.

Juniors Prepare "Sea of Love"

Fifty-three members of the junior class decorated the gym a week prior to the prom. Under the direction of chairpersons, Reid Teafor and Tracie Stevens, the juniors created a pleasant atmosphere which resulted in a successful evening of romance and fun. By forming committees, the juniors worked smoothly and quickly to have everything ready by April 26.

In Memory Of ...

Yearbook staff dedicates this page to the memory of Dawn Ann Piper, who died in May from Werding-Hoffman disease. Her parents are Robert and Gail Piper of Cannelton.

Although she was at Heritage Hills only one year, Dawn gained many friends. Despite difficulties, her sweet smile and quiet determination were an inspiration to those who knew her.

Dawn will be missed by many.

Exchange Students Enjoy Visit

This year we had seven exchange students at our school. One of them, Hedda Erickson from Denmark, stayed the whole year. The others stayed one semester.

They really enjoyed staying in the U.S.A. Their main goal was to learn English, but they also learned about American customs and people.

Maribel Villaverde from Mexico stayed ten months. She will study communications or languages in college.

Rogério Paes from Brazil stayed five months.

Jario Marin from Columbia stayed five months. He will study administration.

Ana Savazzi from Brazil stayed just three months. She will study computers.

Luis Alvarado from Honduras stayed five months. He will finish high school in Honduras.

Anne Hommik from Sweden stayed ten months. She will study science in college.

Mrs. Braun, Librarian, Retires

"I've enjoyed my years in the educational program because it has given me the opportunity to help others."

Mrs. Ruth Braun

Mrs. Braun is retiring after this year. She has been in teaching for 28 years. Her first three years were spent at Moosehart, Illinois, as a business teacher. She then taught business and physical education at Chrisney. After 13 years, the schools were consolidated and she began at Heritage Hills as the librarian.

When asked about what changes she has seen in education and library work, Mrs. Braun stated a few things she has seen. She said, "During my tenure, there have been many changes in discipline, attitudes of students, parents, and teachers. There has been school consolidation, greater emphasis on the need for libraries, and more classes in math and science. Audio-visual materials and computers for classroom instruction have been initiated".

Mrs. Braun says she will miss students and the faculty. "I've enjoyed my years in the educational program which has given me the opportunity to help others. I'm looking forward to meeting the challenge that each new day may present. I plan to spend more time with my family and to enjoy my home and community," she said.

Varsity Finishes Second in P.A.C.

The Patriot varsity football team started off slowly with an 0-3 record. However, over the last seven games, they went 5-2. They finished second in the P.A.C., behind North Posey and Southridge, who tied for first.

For the third year in a row, the Patriots were a major part of the All-P.A.C. team. Players named to the first string were Scott Wetzel as an Offensive Guard and Defensive End, Paul Nighswonger at Center, Mark Raven at Defensive Back, Rick Balbach at Linebacker, and Scott Kissel at Defensive Tackle. Earning honorable mention status were Chris Berg at Offensive Tackle, Scott Blazey and Donnie Jones at Running Back, and Neal Daunhauer as Kicker, Punter, and Wide Receiver.

J.V., Frosh Earn More Wins

Once again, junior varsity football has concluded another successful season by going 5-1-1. Their only blemishes to the record were a loss to North Posey and a tie with South Spencer. Wins over Boonville, Tecumseh, Wood Memorial, and two over Southridge accounted for their success.

After very disappointing seasons during their earlier years, freshmen football showed great promise for the future. After a very disappointing opening loss to Evansville Central, they completely reversed the trend, and finished runner-up in the P.A.C. They defeated a spectacular Boonville team in their season finale. Their season record was 4-2.

Cleland Qualifies for Semi-State

Patriot runners finished another winning season with a record of 27-20. Leading the team were Jamie Wise, and Tracy Cleland. Tracy went all the way to the semi-state, where he finished 37 out of 202 runners.

As a team, they finished fourth in the P.A.C. with Tracy finishing third, individually. The runners placed eighth in the sectional. Overall, Coach Nixon felt that the team did well.

Cheerleaders Keep Patriot Spirit Strong

Varsity Is Most Spirited at I.U. Cheerleading Camp.

Some of the most enthusiastic and spirited groups of students are the cheerleading squads. They led the cheering sections at football games and basketball games. Sponsors are Mrs. Heneisen and Mrs. Braun.

The squad was selected one of the top five squads at cheer camp, which was held in July at Indiana University. The J.V. squad also received the same honor. Our freshmen and eighth grade also attended. The varsity also received a trophy for being the most spirited squad at camp. Also, they won cash prizes and trophies at the Herbstfest in Huntingburg this past October. Varsity took third, junior varsity easily won second, and our freshmen earned first place.

Surprising Spikers Have Winning Year

Fella Makes All-P.A.C.

After losing four of their starters this year, the Heritage Hills volleyball team tied for second place with Southridge in the P.A.C. to surprise everyone.

Members of the varsity did a great job with their leaders, Kern and Fella. B. Snyder, A. Rust and T. Pund, along with M. King, proved to be good players off the bench. Howe moved up to varsity during the mid-season and the whole team turned out to be very aggressive, ending their season at 10-9. They beat a very good Crawford County team before being beaten by Perry Central in the semi-final round of the sectional.

Sherri Fella was named to the All P.A.C. team, while Michelle King and Martha Kern received honorable mention.

Netters Win Most Matches Ever

Lifke, Bennett, and Kaetzel Win Titles

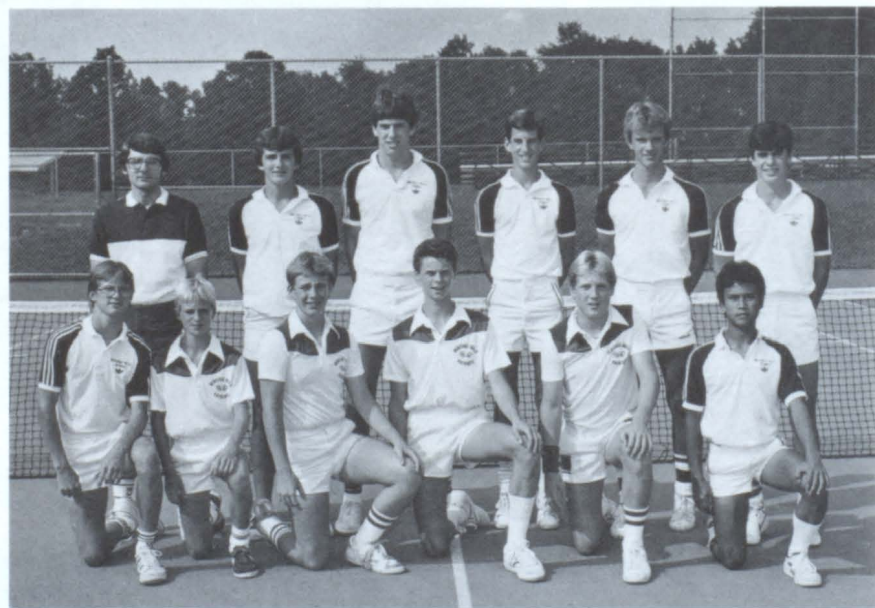

Boys' tennis capped off its most successful season ever by finishing 13-2. Also, they reached the sectional semifinals.

In the PAC, the netters won second place for the third season in a row. Winning championships were Steve Lifke at No. 2 singles, and Steve Bennett and Ray Kaetzel at No. 2 doubles.

Many new team records were set, including most wins in a season, 13, best winning percentage, 86%, and most consecutive wins, 9. In addition, individual records were also broken, including most career wins, 41, by Jarid Hirt, most wins in a season by a singles player, 15, by Steve Lifke, and most consecutive wins, 12, also by Steve Lifke.

J.V. Finishes Excellent Season

J.V. tennis finished another winning season by going 6-1-2. Over the last three seasons, they have a combined record of 25-3-2, which includes a streak of seventeen consecutive wins. This set a new school record.

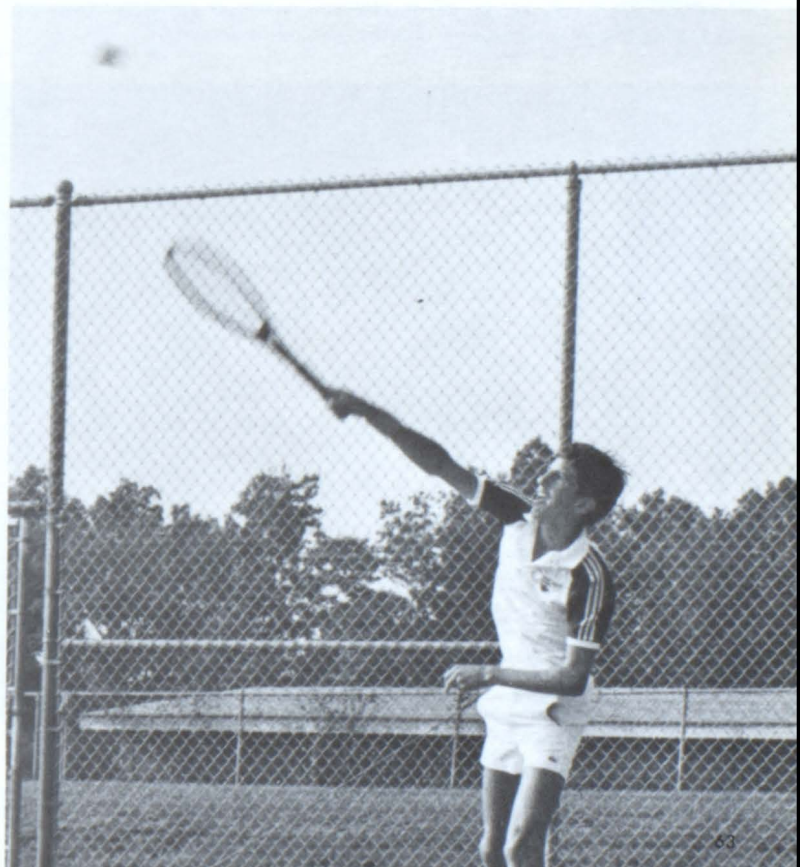

Darren Lynam (7-2) was the No. 1 singles player this year. He was helped out by Jesse Myers (10-0) and Thad Jackson (5-2) at No. 2 and No. 3 singles, respectively. Alfred Maglalang and Joey Kulbeth rounded out the team at No. 1 doubles.

Wahl Sets Scoring Record

Boys' basketball had its most successful season by winning the Southridge Holiday Tourney, the Boonville Sectional, and the P.A.C. title. They had a record of 17-7. Phil Wahl was named to the All-P.A.C. first team. John Becher made the All-P.A.C. second team. Wahl averaged twenty points per game and set a new career record. Becher scored about ten points a game. Ronnie Painter made about eight points a game. The rest of the scoring was done by Donnie Jones, Mark Bates, and Randy Kearney.

Coach Hein was very impressed with the season. He said, "We accomplished all of the goals we set at the beginning of the season."

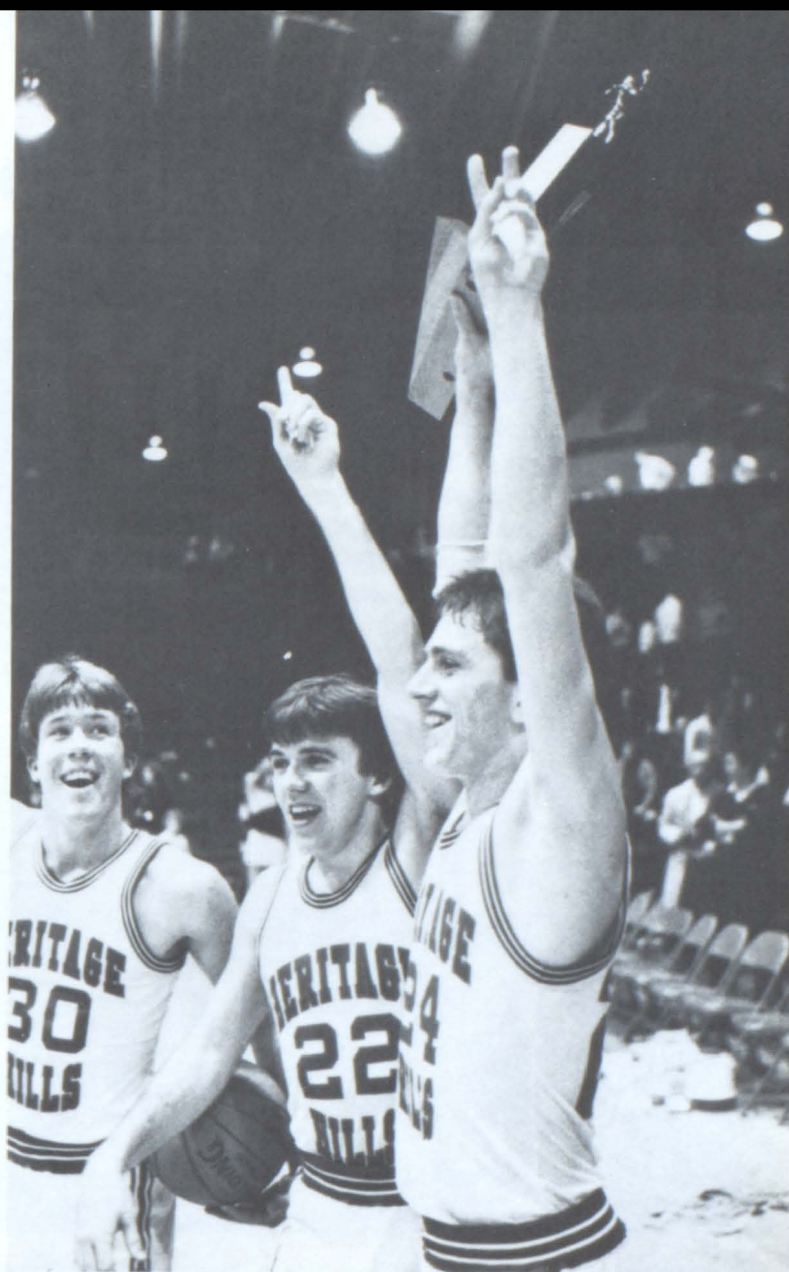

There were many exciting games during this past season. They defeated Evansville Bosse in overtime after being behind. This was the first time since 1980 that Heritage Hills has been victorious against them. In a game the previous Friday, they edged P.A.C. foe Southridge on a last second tip by Donnie Jones. The Patriots had been behind by nine points with less than four minutes to go.

J.V. basketball had an excellent season. They finished 6-0 in the P.A.C. and 18-2 overall. Furthermore, they won the Dubois Holiday Tourney.

Coach Philbin commented, "The team played hard and well all year. They were very coachable and really pulled for each other to do well."

The freshman "A" team won the P.A.C. and ended with a 12-2 record. Determination and hard work were the keys to their success. David Litkenhus and Jeff Hein led the scoring with 13 and 9 points per game, respectively. The "B" team was 5-4 for the year.

Track Just Misses P.A.C. Crown

"This was the most enjoyable track season I've had to date."

Coach Compton

Boys' track missed the P.A.C. title by just one-half point after an outstanding team effort. P.A.C. titles for individuals were won by the following: Mike Crews, 400 m. dash; Paul Nighswonger, discus; Tracy Cleland, 800 m. run; and the 1600 m. relay team of Donnie Jones, Neal Daunhauer, Kurt Arnold, and Mike Crews.

Lady Harriers Rely on Quality

"They were a very coachable group."

Coach Compton

Girls' track finished 13-11 and third in the conference. Individual P.A.C. titles were won by Christi Harpenau in the 100 m. low hurdles and Sandy Bettag in the 1,600 m. run.

"Although the numbers were small, there was good quality. They were a very coachable group," said Coach Compton.

Inexperience Hurts Lady Patriots

Girls' tennis had a rough season due to inexperience. They lost four of their top five players. However, they tried their best during matches. In the P.A.C. Tournament, they finished in third place.

In singles, Debbie Lindauer played no. 1, Sonia Lasher was no. 2, and Nancy Eble was no. 3. Playing doubles were Sheila Roos, Julie Evans, Joan Boehman, and Nicole Braun.

Cooks Prepare for Favorite Part of Day

During the school year, it seemed the favorite part of the day for everyone was lunch hour. The cafeteria has three choices for a meal each day. The Grade "A" line is the first choice, the A La Carte line is the second choice, and the salad bar is the third choice. Students can have the type of food they desire.

Diplomas Are Presented to 165

Commencement ceremonies took place at 2:00 in the high school gym. One hundred and sixty-five seniors received diplomas. Jay VanHoosier, class president, welcomed everyone. Connie Rexing, Natalie Koch, Martha Kern, and Lisa Peters, valedictorians, gave their addresses. Principal Bill Lake presented the class. Superintendent Tom Brumett accepted the class. Cornelius Collignon, North Spencer School Board President, presented the diplomas.

IN MEMORY OF ...

The 1985 seniors and the yearbook staff would like to dedicate this memory page to Dawn Thomas.

Dawn would have been a 1985 graduate of Heritage Hills, but she died from a heart and lung defect, cardio-pulmonary hypertension, on July 9, 1979.

Dawn would have turned 18 years old on January 1, 1985.

We would like for her parents, Dewey and Rosalee Thomas, and her sister, Lori, who is still a student at Heritage Hills High School, and the rest of the Thomas family, to know that we still think of Dawn, and that she is missed dearly in the hearts that knew her.

This is for you, Dawn!

The Way We Were

That's right; we're tough.

Students **work** to complete an in-class assignment (at least most are).

THINKING ...

If you think you are beaten, you are;
If you think you dare not, you don't
If you'd like to win, but you think you can't
It's almost a cinch, you won't.

If you think you'll lose, you're lost,
For out of the world we find
Success begins with a fellow's will —
It's all in the state of mind.

If you think you are outclassed, you are;
You've got to think high to rise,
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man,
But sooner or later the man who wins
Is the man who THINKS he can.

THE TRANSITION FROM AN ADOLESCENT TO AN ADULT.

TRAN - SI - TION ----- A movement, development or evolution from one form, stage or style to another.

As we evolve and develop, we find ourselves experiencing new experiences, altering our attitudes and opening our opinions. Our relationship to our environment is undergoing many changes. In general, we have to rethink the way we live - transition.

During this transitional process some of us will take on totally new characteristics while others will change more subtly. Some of us will resist any change at all.

Continuing our education will help us to plan and implement life strategies that will position us to take advantage of the changes that are taking place today and tomorrow. Whether it be on-the-job training or college, continuing your education will make your transition easier.

It is unbelievable how much can be achieved if no one cares who gets credit.

Above: First semester sports editors Jim, Gary, and Kevin work hard to meet a deadline.

CLOSING 1985

The theme has been "The Way We Were". The highlights of how we were, the successes and failures, the good times and the bad times, the fun-filled moments and the serious moments, new friendships and lost friendships, in the classroom and on the athletic field, were captured for future posterity.

In closing, the yearbook staff thanks everyone who assisted in any way. Special thanks goes to the following: Mr. Lake, principal, who helped us many times; Mr. Collins, assistant principal; Mrs. Pund, secretary; Mrs. Marker, treasurer; Steve Pumphrey, I.C.P. representative; Inter-Collegiate Press; Robert and Judy McCarty, professional photographers; THE DALE NEWS: THE JOURNAL-DEMOCRAT; and Darrell Coomes, sports photographer.

School is over, everyone is gone, and only empty chairs remain.
