## To Your Memories And Your Friends

**I**t was quite a year. It was a year of change. It was a year of outstanding academic and athletic achievement. It was a year when everyone worked hard to make the most of available opportunities. Along the way it was a year in which many memories were made. Never say goodbye to them.

The most significant world event took place when the communist Soviet Union was dissolved. The Commonwealth of Independent States replaced the old government. Boris Yeltsin replaced Mikhail Gorbachev as the leader of Russia. Another very important event was the beginning of the Middle East Peace Talks between the Israelis and the Arab countries. Finally, Barcelona, Spain, hosted the Olympics during the summer.

Nationally, the Los Angeles riots taught the lesson that people should look at others as individuals and not as colors. Bill Clinton won the Democratic nomination for President. He picked Al

Gore to be his running mate. George Bush kept Hoosier Dan Quayle on the Republican ticket. Billionaire H. Ross Perot almost ran as independent candidate; he decided against running because he said that he could not win the race.

Statewide, everyone knew that Governor Evan Bayh was running for governor again. His opponent was Linley Pearson. Near the Evansville Airport a plane crashed into a nearby hotel and restaurant. Film buffs learned that most of a forty million dollar movie, *A LEAGUE OF THEIR OWN*, was going to be filmed in Huntingburg and Evansville.

Things changed on the local level as well. Ron Etienne, superintendent, Jeff Zook, the administrative assistant, and

NEVER SAY  
GOODBYE

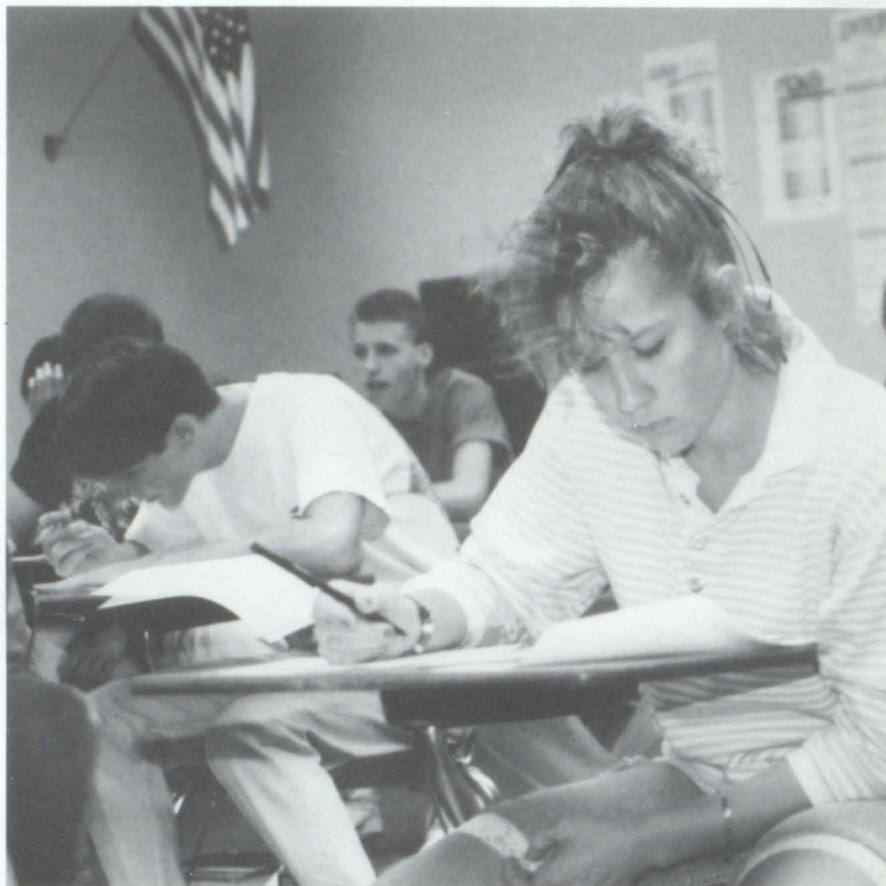

the school board continued fighting the problem of overcrowded elementary schools. They won that fight when the State Board of Tax Commissioners approved the two-school plan. Mr. Cox accepted the position of principal. Mr. Patterson was named assistant principal. Mr. Schriefer was named new administrative assistant. Mrs. Vaal and Mr. Wilson were named new teachers. Mrs. VanHoosier and Mr. Hendren retired from teaching. Heritage Hills was named a Four-Star School, which put it in the top twenty-five percent in the state. The math team won a state title and the science team won third place in the Hoosier Academic Super Bowl. Athletically, the boys' sports program won first place in the conference to win the All-Sports Trophy. The girls' sports program finished second in the conference. Furthermore, the baseball team won the sectional.

Although memories are history, never say goodbye to them.

B and received Division I ratings at both District and Regional Marching Contests. They received awards of first, second, and third at every contest. They won captain awards (field commander, guard, or percussion) at every contest. Unfortunately, they did not qualify for the state finals at the Hoosier Dome. However, their hard work did pay off with the coveted Division I ratings.

In addition to marching contests, band contributed in other ways. They entertained at all home football and basketball games. They marched in parades at Dale, Chrisney, and Rockport. Finally, they gave three school concerts, played in the Solo-Ensemble Contest, and performed at commencement.

# Heritage Players Excel

Heritage Players presented **CURIOUS SAVAGE** on October 31 — November 2. It was about an elderly lady who was put in a mental hospital by her three children after their father's death. Her children wanted the money that was left behind by their father. Miss Savage (Kerri Bates) has hidden ten million dollars worth of bonds. In the meantime she has made friends with other guests in the hospital. The guests were Fairy May (Jenny Schaaf), Mrs. Paddy (Jenny Brown), Florence (Katie Koch), Hannibal (Kevin Tretter), and Jeffrey (Jason Thompson).

Sell-out crowds watched the cast of **MAME** give exciting entertainment on March 13, 14, and 15. Mame (Kerri Bates), a vivacious woman, loved life and enjoyed it to the fullest. Furthermore, she wanted others to enjoy life.

# A Moment to Imagine

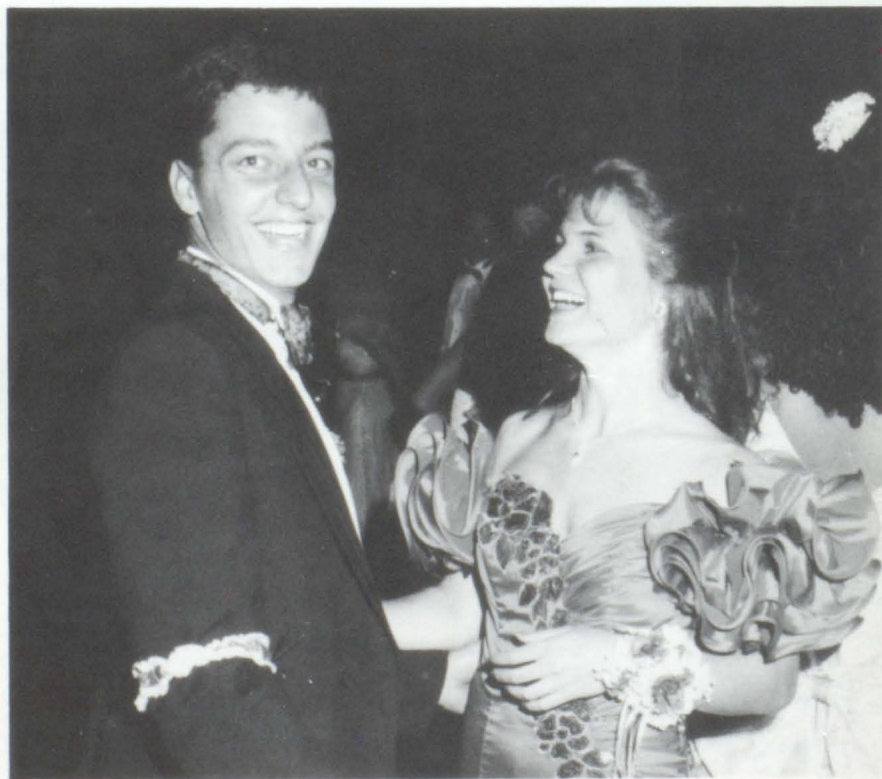

Fun moments and great memories describe the annual Junior-Senior Prom that was held on April 3 at the Ferdinand Community Center. The junior class decorated the room in light blue, icy white, purple, and teal. The theme of the prom was "A Moment to Remember." The theme songs were "The Sea of Love" and "The Dance" by Garth Brooks. Queen and king candidates were Kim Dauby, Chris Balbach, Tonya Frey, Greg Rexing, Christy Smith, Scott Waninger, Crystal Winchell, Jason Wilkerson, Jenny Fritz, and Rick Meyer. Crystal Winchell and Scott Waninger were the new queen and king. Everyone enjoyed the fabulous music and the giant video screen by the Heartbreakers. Everyone hated to say goodbye to the great memories that were made. However, the fun continued at the After-Prom Party, "Come Sail Away '92."

Prom sponsors were Shirley Heneisen and Larry Hess.

# S tudents Get in The Spirit

At the annual Christmas Dance that was held on December 14, the Student Council transformed the cafeteria into a very unique dance floor. A cozy Christmas scene provided the background for the pictures so that students had an opportunity to keep the evening's memories alive. Nu Soundz of Tell City supplied the music. Everyone caught the spirit of Christmas.

The student body had the privilege of enjoying a variety of Spirit Days during Sectional Week. They dressed for Farmer's Day, Fifties Day, Toga Day, Crazy Tie Day, Sweatshirt Day, Dress-up Day, Hat Day, and others. At the end of Sectional Week, a pep session whipped up student spirit one more time.

## L language Arts, Foreign Language

**L**anguage Arts students not only learned the basics but also new ways to learn them. More cooperative learning was evident; students often worked in small groups and discovered that they could learn the material by working together. Students improved writing skills with the new computer writing lab. Field trips allowed students to see plays and how newspapers were published. That students were learning the basics and

more was evident when the English team won first place in the Hoosier Academic Bowl at Jasper.

Students in foreign language classes studied Spanish and German. They had festivals, banquets, and parties. The German class presented a program about Germany to the second grade classes at David Turnham Educational Center. A group of Spanish students went to Spain, and a group of German students toured Germany.

## Math Department Gets New Computer Lab

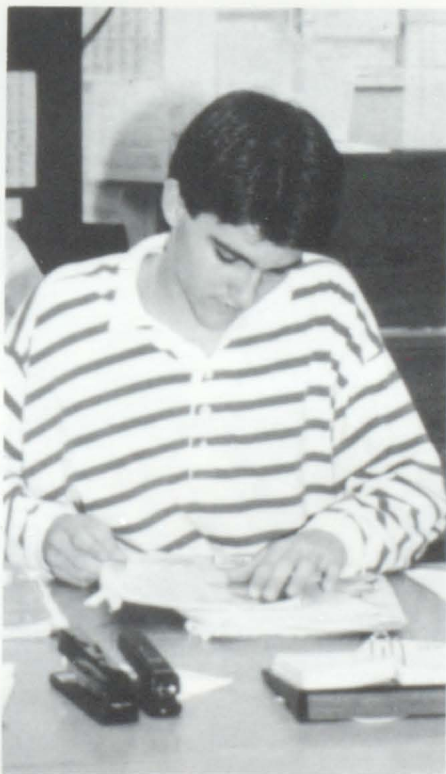

Students chose from a variety of elective and required math courses. Courses offered were geometry, general math, Algebra I, Algebra II, consumer math, calculus, and computer math in the new computer lab.

The math team performed incredibly well. First, the team won first place in the P.A.C. Academic Super Bowl. Second, they took first place in

the Hoosier Academic Super Bowl at Jasper High School. Last, but certainly not least, the math team won the state championship at the State Academic Super Bowl at Warren Central High School in Indianapolis. This was a first-time achievement. Team members were Rick Mohr, Steve Boyd, Jennifer Seifrig, Dannie Rennie, and Mike Scott. Coaches were Mr. Wilson and Mrs. Daubenspeck.

Two of the labs were for insect and animal dissection. Physics classes held a competition in which they made cars out of mouse traps. Furthermore, physics students took a field trip to the Louisville Mu-

seum. Astronomy classes studied the stars and planets throughout the galaxy. The science team performed very well. The team, Mary Payne, Robert Linne, Steve Boyd, and Rick Mohr, won first place in the Hoosier Academic Super Bowl at Jasper. # Staff Sets Record for Subscription Sales

## Wins Award from Indiana High School Press Association

"I was very proud of the yearbook staff. They worked very hard, and they showed a lot of excitement."

Mr. Blessinger

Yearbook staff members made two significant achievements. First, they set a record for subscription sales. Staff members sold nearly \$9,000.00 worth of subscriptions, which was by far the most in the twenty-year history of the school. Also, the yearbook staff won the Ten-year Membership Award from the Indiana High School Press Association.

Staff members learned the basics of design, copywriting, photography, and photo cropping. They studied the latest trends. Furthermore, a guest speaker presented a desktop publishing workshop.

## Council Sponsors New Activities

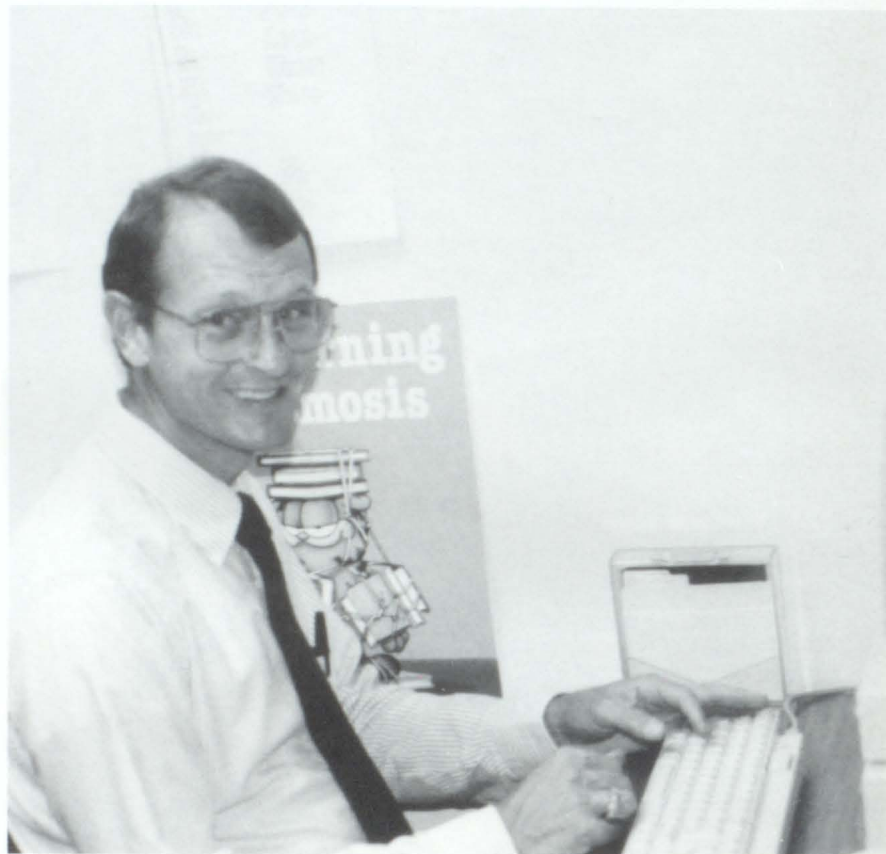

**“W**e had a very busy year, but it was a very enjoyable one.”

Mr. Schriefer

**S**tudent Council sponsored two new activities. The first one was the Valentine's Dance, which students enjoyed tremendously. The second one was the Spring Carnival, which was well-attended for a first-time event. In addition to the new events, the Student Council organized the football and basketball homecomings, the Christmas Dance, and the Canned Foods Drive. Boxes of canned goods and other food items were distributed to needy families in the North Spencer County area. An Adopt-A-Highway program and a recycling program were conducted by council members.

## Flag Corps Adds Color to Marching Patriots

**“T**he drill team would like to thank everyone who worked so hard to make it a successful year.”

Mrs. Emmons

**O**ne of the main responsibilities of the drill team was to entertain the fans during half-time of the home basketball games. However, providing fun for the fans wasn't their only activity. They coordinated the Kids Night Out program. They attended area clinics and competitions to learn new routines and improve their old ones. They also held clinics for children in the area. Aimee Emmons was the captain, and Heather Selzer was co-captain.

The sponsor, Vera Emmons, said, “The drill team would like to thank everyone who worked so hard to make it a successful year.”

Flags marched with the band at contests and helped at half-time of football games. They added color and excitement to the band.

# F. H.A. Prepares Students for the Future

## Students Learn Independent Living Skills

“We are an organization which promotes community service.”

Mrs. VanHoosier

Future Homemakers of America is open to any high school student who has taken or is enrolled in a home economics course. They conducted projects which helped people in need. For example they made gifts for nursing home patients and did sewing for numerous people. Also, they hosted their annual Mother-Daughter Banquet.

“We are an organization which promotes community service. We contribute to all in need. We encourage all of our high school students to become future members of F.H.A. and learn to be an asset to our society,” said Mrs. VanHoosier.

# F. F.A. Students Apply Farm Skills

## Club is One of School's Most Active

“We want to play an active role in the school.”

Mr. Melsheimer

That the Future Farmers of America contributed in many ways was easy to see by their numerous activities. They conducted a huge Citrus Sale before Christmas. They worked on Adopt-A-Highway program. They attended the state and national conventions and the Leadership Conference. They participated in judgings of soil, livestock, dairy, and forestry. They went to a farm show and other field trips. Finally, they invited everyone to their spring party. They were busy, indeed!

“We want to play an active role in the school. We have as many activities as we can,” said Mr. Melsheimer.

## Club Interest Grows with Fun Activities

“Our trip to Spain was wonderful. We saw many interesting people and places.”

Mrs. Heneisen

Fifteen Spanish Club students and their three chaperones took a fifteen-day trip to Spain, France, and England. Highlights of Spain included visits to the Prado Museum and the Royal Palace in Madrid, the Expo '92 Columbus celebration in Seville, the Alhambra in Granada, and the beach and shopping in Torremolinos. Mrs. Heneisen, Spanish teacher, and Mrs. Braun, social studies teacher, and Jeanne Cochennour, a parent, accompanied the students.

Some of the activities of the Spanish Club were ice skating in November, roller skating in March, the Spanish Academic Bowl in April, and a Spanish Fiesta in May.

# Peer Helpers Listen to Students with Problems

## Help Is Available at Any Time

**"S**tudents should feel free to request help. We are always available to listen."

Mr. Lifke

**T**he Peer Helpers program offers the following basic goal: to provide skilled listeners in a school setting so that students get the help they need. This help is available in a variety of ways. Students may just need someone to listen to them. However, other students may need stronger support. If this is the case, students may receive information on facts about a certain topic, they may receive referral to an agency or adult professional, or a student could receive direct intervention.

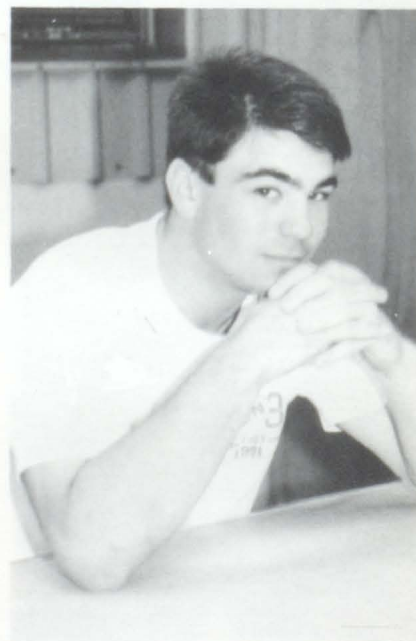

Mr. Lifke, sponsor, said, "Students should feel free to request help. We're always available to listen."

# National Honor Society Inducts Members

## Thirty-five New Members Are Honored

“Members must maintain a 3.33 G.P.A. and have a personal service project. Also, they must do group projects.”

Mrs. Winkler

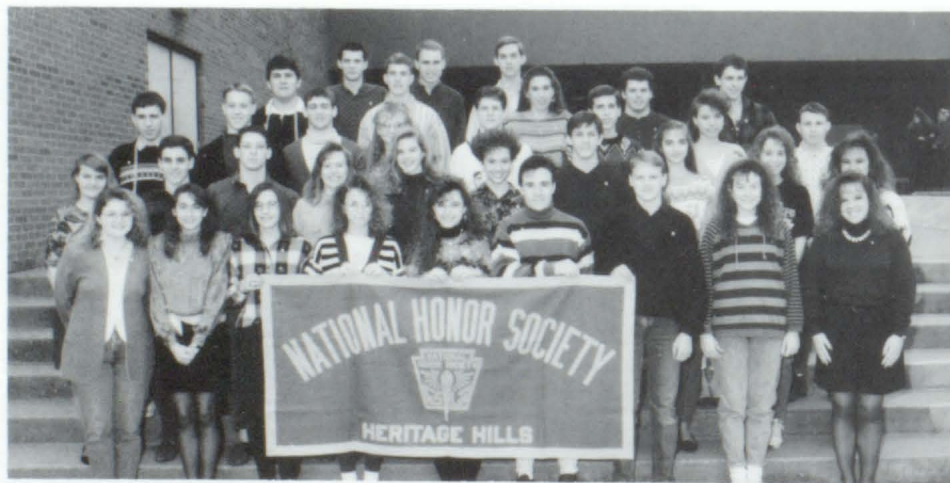

On February 26, National Honor Society members inducted thirty-five students into their chapter. Members were selected by a faculty council. Before becoming members of N.H.S., students had to meet high standards of scholarship, leadership, service, and character.

Mr. Cox, principal, was the speaker at the candlelight ceremony. Amy Ward and Kendra Schaaf provided special music. After the ceremony a reception was held in the media center.

Mrs. Winkler, the adviser, said, “Members must maintain a 3.33 G.P.A. and have a personal service project. Also, they must take part in several group projects.”

# Vivacious Cheerleaders Lead School Spirit

## Routines Require Extra Hours of Practice

“Cheerleading involves more than just showing up for football and basketball games.”

Mrs. Lynam

Busy describes the cheerleading squads as they participated in numerous activities. Before school had even started, they conducted a summer cheerleading clinic. Also, they attended a UCA camp. They painted many spirit signs for the hallways, cafeteria, and gymnasium. They assisted with the pep sessions. They worked at many of the concessions in order to raise funds. They even served meals for the teams.

Mrs. Lynam, cheerleader sponsor, said, “Cheerleading involves more than just showing up for football and basketball games to lead the crowd in supporting teams. In addition to practice time, many extra hours of hard work are required. Dedication and cooperation are necessary to have a successful program.”

# Seniors . . . Never Say Goodbye

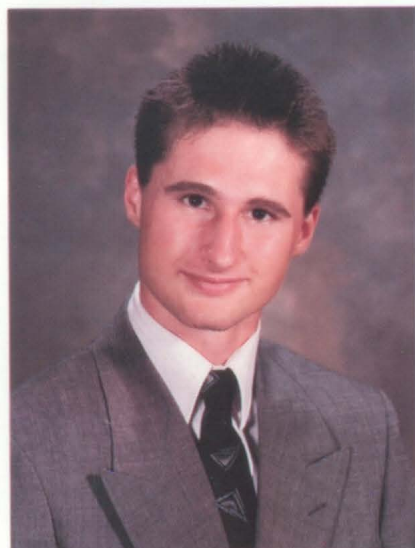

This is the year that we graduate, the year that we remember the past, and the year that we dream about the future. We have known each other for years now and through that time have made memories that will last a lifetime. Some may be ready to move on, yet others want to treasure the moments that have made their high

school years memorable. We want to thank our teachers and the rest of the staff who have helped us plan for our futures. The dedication and determination to make us succeed will never be forgotten. We have grown up together and have become a part of each other's lives. It is hard for us to say goodbye.

# Homecoming Win Pleases Court

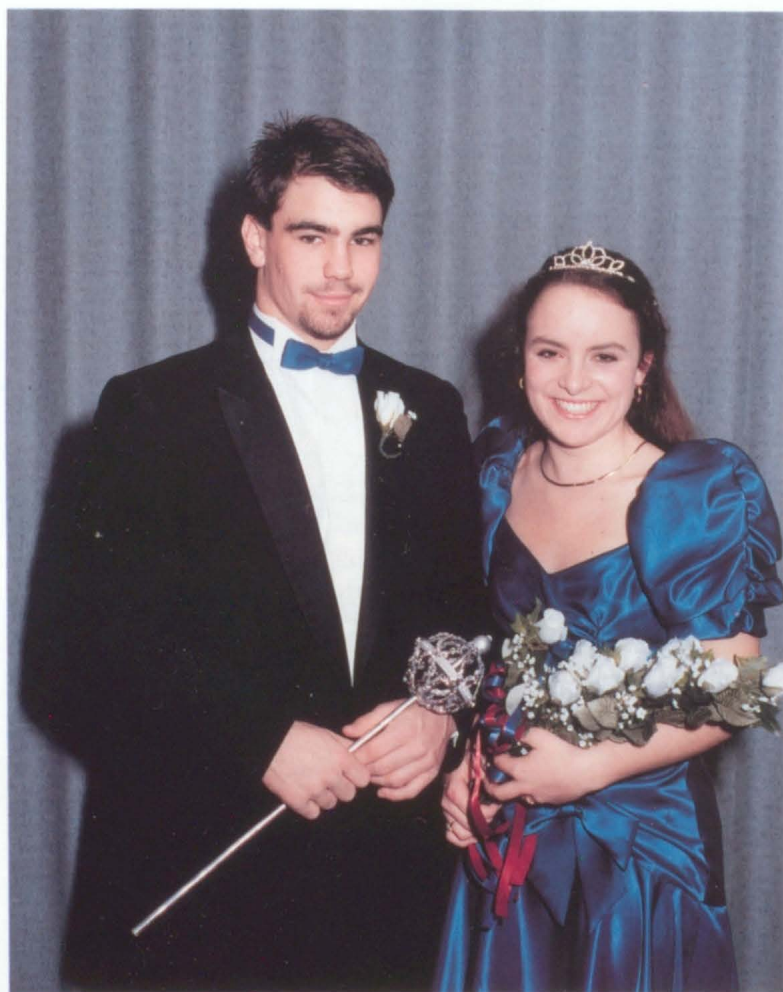

Smiles on the faces of the football homecoming court told the story on a clear, chilly night on October 11, 1991. They had just witnessed the football team dominate Evansville North in every phase of the game. The fired-up Patriots mauled the Huskies with a strong display of Patriot pride. The Huskies could only lick their wounds while they loaded their bus for the long ride back to E-Town.

## Court Cheers a Great Effort

On January 24, 1992, the Patriots played a strong Southridge team for the Homecoming game. The court cheered on their Patriots despite a 61-45 loss. During the homecoming ceremony, Gretchen Schriefer was crowned queen, and Josh Jenkins was named king. After the Patriots gave a good effort, the evening was capped with a dance after the game in the small gym. The loss failed to dampen the high spirits and the many memories that were made.

## rs. VanHoosier Retires after Teaching Home Economics for Thirty-four Years

**T**

eaching has been my life up to now. Then there comes a time when one must step aside."

Mrs. VanHoosier

**A**

fter teaching home economics and health in North Spencer for thirty-four years, Mrs. VanHoosier decided to retire. She chose home ec. to teach because it was her strongest subject in high school. She said that she will miss her students, interaction with teachers, and innovations. Her future plans are to become involved with crafts and travel with her husband.

"Over the span of my career, I estimate about 8,000 students have been in my classes. Teaching them has been my life up to now. Then there comes a time when to step

aside. I consider my decision to retire a wise one, while I'm still in love with my work. My last year has been the best. I will miss the students the most. I feel that they enjoyed my classes each semester. Many other things will be missed such as committees on which I served, new programs I was asked to write and were successful, and all of the little odd jobs I was asked to do. I appreciate the confidence the board and administration placed in me. I can't imagine spending my working life doing anything else. My deepest wish is hopefully many of my students have gained in some way through my teaching and guidance," said Mrs. VanHoosier.

## **T**eachers Sponsor Classes

**C**lass sponsors worked very hard to involve students in activities. Class meetings were organized and conducted. Projects were completed for both of the homecomings. The freshman class ordered class rings. The sophomore class received their class jackets. Juniors sold magazine subscriptions in order to raise money for the Junior-Senior Prom and other events. The senior sponsors took senior orders for senior keys, caps and gowns, and other graduation supplies. They also had the major responsibility of organizing commencement exercises.

# Seniors Supply Firepower

Varsity football compiled an 8-3 season record and finished second in the PAC. The team was led by the senior quintet of John Vaal, Jason Wilkerson, Josh Jenkins, Ryan Gripenstroh, and Todd Polen.

Eight Patriots received All-P.A.C. honors: George Schwenk, Quarterback; Ryan Burrell, Running Back; Jason Wilkerson, Wide Receiver; Aaron Vaal, Center; Josh Jenkins, Defensive Line; Brian Wessel, Defensive End; Chuck Webb, Linebacker; and Todd Polen, Defensive Back.

Coach Clayton said, "For only having five seniors, they provided us with excellent leadership and example. The young players did a great job of coming together."

Junior varsity football had a successful 6-2 season. They finished in second place in the P.A.C.

Coach Alcorn had this to say, "We were pleased with our efforts this year at the J.V. level. For the most part, we were competing with freshmen and sophomores while our opponents were using sophomores and juniors. This group showed a lot of heart, and we look for many good things from them in the future."

**R**ight: Brian Wessel makes an amazing, fingertip catch. This demoralized the defense.

## Rebuild

“This was more or less a rebuilding season with one senior on the team. We knew that it was going to be a struggle this season, but we did not let that hamper our season. We showed great improvement throughout the year, and this put us in a better position for next year,” commented Coach Ayer.

# Volleyball

## Makes History

Volleyball girls made history by winning their first-ever P.A.C. championship. They compiled a 15-8 record along the way.

Girls' volleyball finished in a 3-way tie for first place in the P.A.C. Julie Flaherty and Ashley Springston were named All-Conference. Jamie Rupp received honorable mention.

When asked to comment on the season, Mrs. Gunselman responded, "I felt that we had a well-balanced team. We did not have any outstanding players; rather, we had a number of good players who worked well together. We were very pleased with our final record and finish in the conference."

# Improvement Earns Spot in Sectional Championship

An extremely young team meant a rebuilding season for boys' basketball. However, they overcame inexperience to earn a spot in the sectional championship.

Varsity boys ended with a 6-17 record. Ben Lambeck led the team in scoring. Jason Wilkerson led in assists, and Rick Meyer led in rebounds. Meyer earned First-team All-P.A.C. honors. Lambeck was selected to Second-team All-P.A.C. Wilkerson was chosen Honorable Mention All-P.A.C.

Boys' JV basketball team finished their season with an 8-11 record. Considering they lost two players to the varsity and had three others splitting time on varsity, the younger Pats adjusted well to new roles and worked hard all year.

Coach Merkel said, "We did not have as good a season as anticipated but we ended strong and on a positive note. We only lose two players to graduation, so we gained a lot of experience this season. Playing three games in the sectional really helped prepare for next season. We'll miss Jason and Rick, though."

# Lady Pats Complete Winning Season

The girls' varsity basketball team compiled an 11-9 record. During conference play they finished 3-3.

The Lady Pats were composed of one senior, seven juniors, and three sophomores.

Coach Jochim said, "Considering we had only one senior, Gwen Steckler, I feel we had a successful season. We completed the year with a winning season but really feel we should have won several more games."

Two girls ended with P.A.C. honors. Ashley Springston was selected to the Second-Team All-P.A.C. Gwen Steckler was Honorable Mention All-P.A.C.

The junior varsity Lady Pats completed their season with a 5-11 record.

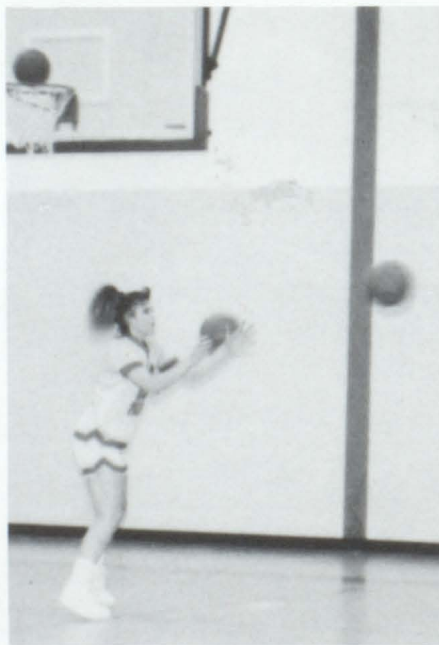

When asked to make a comment, Coach Hess said, "We had a young team with little experience at playing basketball. There was a lot of improvement by several of the players throughout the season."

# P.A.C. Crown Caps Swim Season

Boys' swimming had an outstanding season. While being led by Tim Gogel, Scott Olinger, John Vaal, Jason Wade, and Jason Wessel, the swimmers captured the P.A.C. championship. First places were won by Todd Miller in diving and the 400 free relay team of Brian Woebkenberg, Mark Tullis, Jason Susnjara and Brian Schnuck. Todd Miller qualified for the state meet.

When asked about the successful season, Coach Ayer said, "This was an outstanding season for us. We set some high goals at the beginning of the season, and the team did an excellent job of achieving most of these goals. The highlight of the season was the P.A.C. victory, only the second in the school's history."

# Wrestling Program Grows

Although wrestling compiled a dismal record of 5-24, they wrestled very competitively. In P.A.C. the team, led by Aaron Vaal, Jack Simon, Bruce Rose, and Mike Higdon, finished 4th.

When asked about the season, Coach Wallace responded, "This year was a tremendous year of growth for our wrestlers as well as our program. We knew we would take our lumps with both a young team (*No SENIORS* — 3 JUNIORS) and an improved schedule, but the team really responded well."

## Baseball Wins P.A.C., Sectional

“Outstanding” truly describes the performance of the baseball team. They won the P.A.C. crown with a perfect 6-0 record. Next, they earned the number 7 ranking in the state and a 25-3 record, including a string of twenty consecutive wins. However, their record-setting season didn’t end there. They won the South Spencer Sectional championship and were Evansville Regional finalists at Bosse Field.

Veteran Coach Henry Ayres said, “Our pitching was outstanding and we played good fundamental baseball. Our seniors did a great job and provided great leadership. Overall, we accomplished a lot of great things.”

Making the All-P.A.C. Team were catcher Josh Jenkins, pitcher Justin Crews, shortstop Jason Wilkerson, first baseman Brad Nix, and designated hitter Scott Myers. Brett Merkel and Chris Troth made All-P.A.C. Honorable Mention.

J.V. baseball won the Jasper J.V. Tournament title and achieved a record of 13-6.

**A**bove: And they're off! Runners leave their starting blocks as the 100 meter sprint begins. Getting a good start out of the blocks is very important.

## Boys' Track Works Hard

“**A**lthough the record does not show it, this team worked very hard to improve. We improved in many areas from the beginning of the season to the end. It's just that there were so many strong teams and individuals in the area. Also, we were a relatively young and inexperienced group of athletes. We did the best that we could,” said Mr. Compton, the head track coach.

Boys' track placed sixth in the conference. They compiled a 10-19 record.

In the sectional boys' track recorded strong performances by five individuals. Ryan Burress won the championship in the long jump competition. Aaron Vaal earned fourth place in the shot put competition. Finally, the 1600 meter relay team of Ryan Gogel, Todd Polen, Lance Fischer, and Ryan Burress placed third.

**L**eft: Discus thrower Aaron Vaal gives it all he has. He was strong in the discus and the shot put.

## Girls' Track Takes P.A.C.

“**T**his was a very rewarding year for women's track. The ladies won every important meet that they were in except for the sectional. We have developed into a conference powerhouse, having dominated the P.A.C. for a third year. This was a very fun group to be associated with because of their competitive spirit and good work habits,” commented Coach Bob Compton.

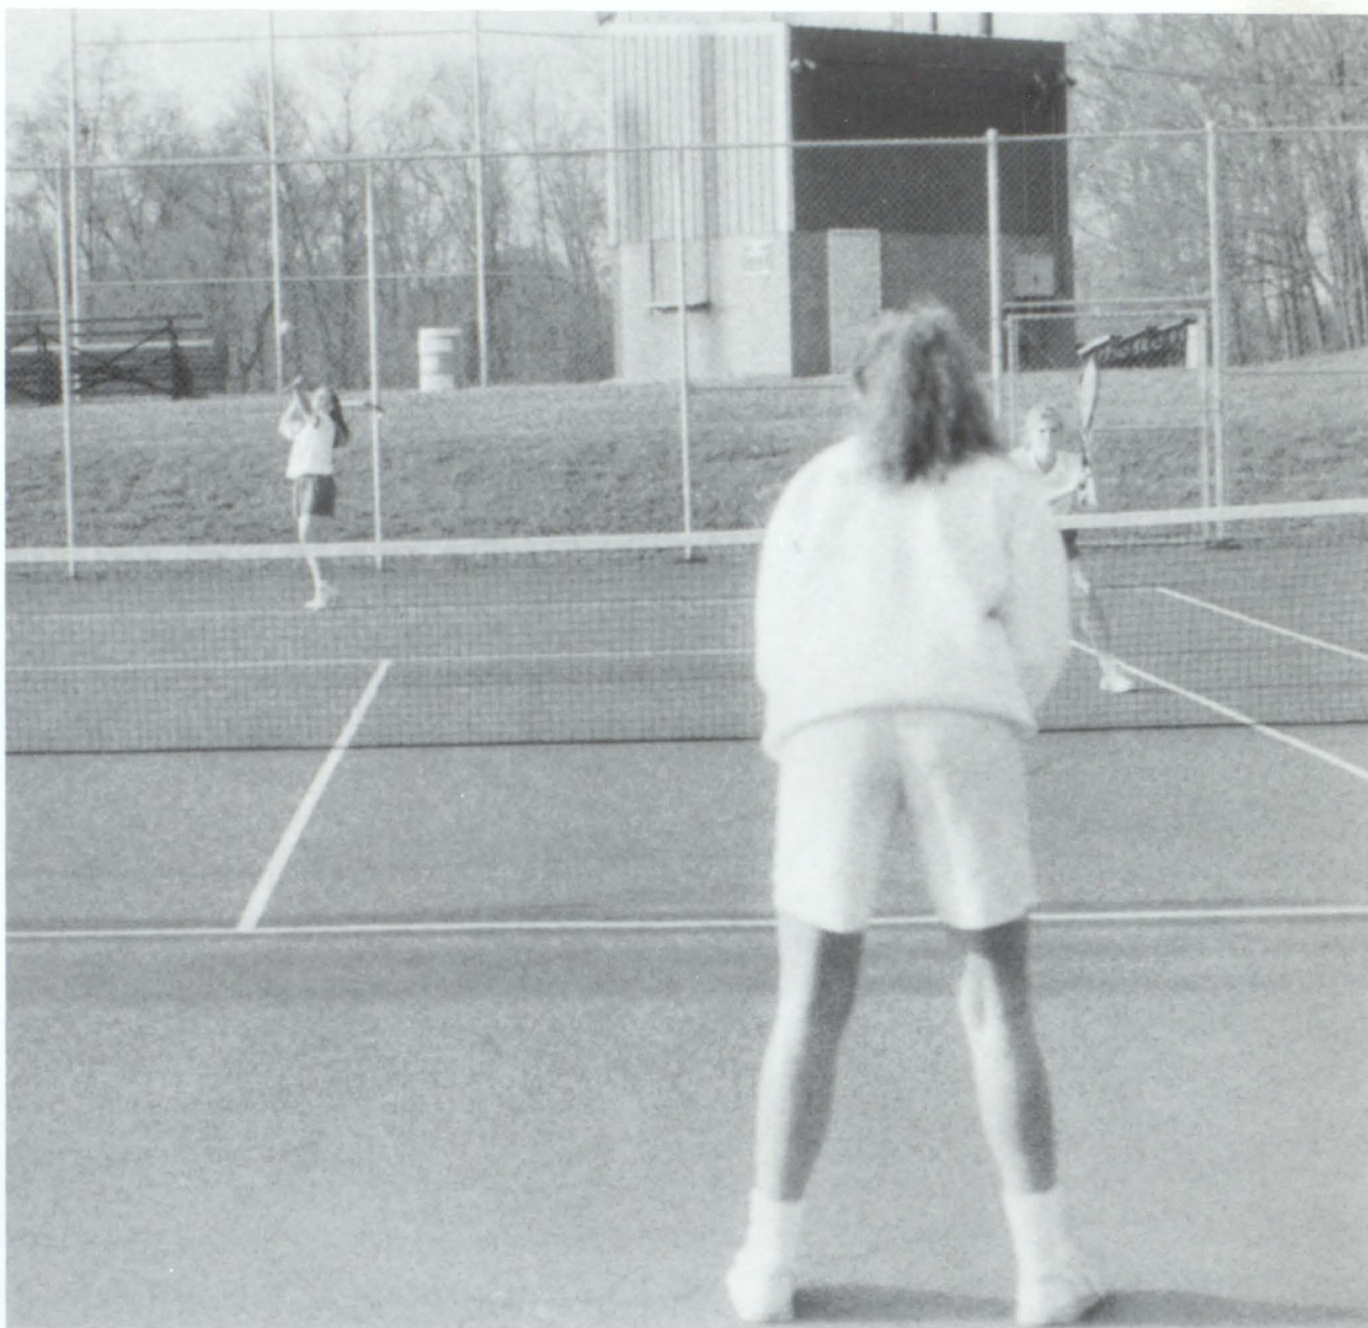

Girls' track won the Pike Central Relays, the Southridge Invitational, and the P.A.C. They compiled a 20-3 record. Conference champions were Crystal Winchell, Ashley Springston, Kara Arnold, Sara Wetzel, Joanie Franchville, Tammy Waninger, and Carole Schaefer. **A**bove: The other doubles team prepares to serve. Like the other doubles team, this team won a P.A.C. championship, too.

This helped the team earn second place in the P.A.C. Tourney.

## Girls' Tennis Settles For Second

**E**ven though girls' tennis won both doubles' titles, they had to settle for second place in the Pocket Athletic Conference Tennis Tournament. Emily Hess won the number one doubles crown with her partner, senior Gretchen Schriefer. Katie York and Jill Ebert won the championship medals in number two doubles. Regular season play earned the team a 4-8 record.

"Both doubles' teams really stood out, and our singles played strong but just couldn't make it. I thought that we did very well considering it is a rebuilding year for us with only one senior," said Coach Hess.

## Golf Garners P.A.C. Crown

A P.A.C. Tournament championship capped a successful golf season. The young Patriot golfers outshot South Spencer by five strokes. Greg Rexing won team medalist honors with an 81. Close behind with an 82 was teammate Brian Murray. Todd Grundhoefer and Breck Vinson rounded out the scoring with scores of 90 and 92, respectively. The tournament was played at Christmas Lake Village golf course.

In sectional action at Jasper, the golf team placed fourth. Brian Murray paced the Pats with an 83. Thus, he qualified for the regional.

"We had a good season; I enjoyed working with the team," said Coach Markos.

## Closing Thoughts

As this is the closing of the yearbook, this is also the closing of our school lives as seniors. As we go on to college or the work force, we will never forget what we have learned.

Underclassmen, strive to do your best during your remaining high school years. We wish you many successes.

We thank Mr. Blessinger for his knowledge and support. We would never have made it through the year without him.

We thank the following for their time, patience, understanding, and cooperation: Mr.

Etienne; Mr. Zook; Mr. Cox; Mr. Patterson; Mr. Schriefer; Mr. Ayres; Mrs. Pund; Mrs. Marker; Mrs. Murray; Mrs. Lynam; Mrs. Dotson; Mr. Buckles; Mrs. Winkler; Mrs. Schum; Mr. Woolems; Mr. Toy; Mrs. Ball; the faculty; Dan Saylor and Inter-State Studio; the coaching staff; the cafeteria staff; the custodial staff; Cheryl and Mike Rohl; Paula Hufnagel and Jill Grundhoefer; our student body; advertisers; Mike Morgan and Steve Pumphrey of Herff Jones; and Herff Jones Yearbook Company.

Although we have to say goodbye to the people who have meant so much to us during our school years, we will never say goodbye to our memories.

— The Editors
