# In the Still of the Night PROM 2005

Prom had been on the students' minds for a while. Girls have so much to think about and to do. Nevertheless, prom turned out to be a night to remember. Prom was at the Ferdinand Community Center on April 1, 2005 from 7-11. The guys looked like gentlemen and the girls like beauty queens. As everyone danced to music by Heart Breakers, pictures were also taken. Seniors Jeriah Harmon and Lindsey Neighbors were announced king and queen of the 2005 prom. They danced to the theme song "In the Still of the Night." As prom came to an end, students and their dates got ready for after-prom.

# Going Back in Time AFTER PROM

- After Prom was held on April 2 in the big gym after the Prom on April 1. It lasted from 12:00 a.m. to 4:00 a.m. During that time, students played games and won tickets to put in the Patriot lotto drawings and won prizes in the big give-away.

- Junior and senior parents decorate, plan, and put on the after prom every year with the money raised by the junior and senior students and donations.

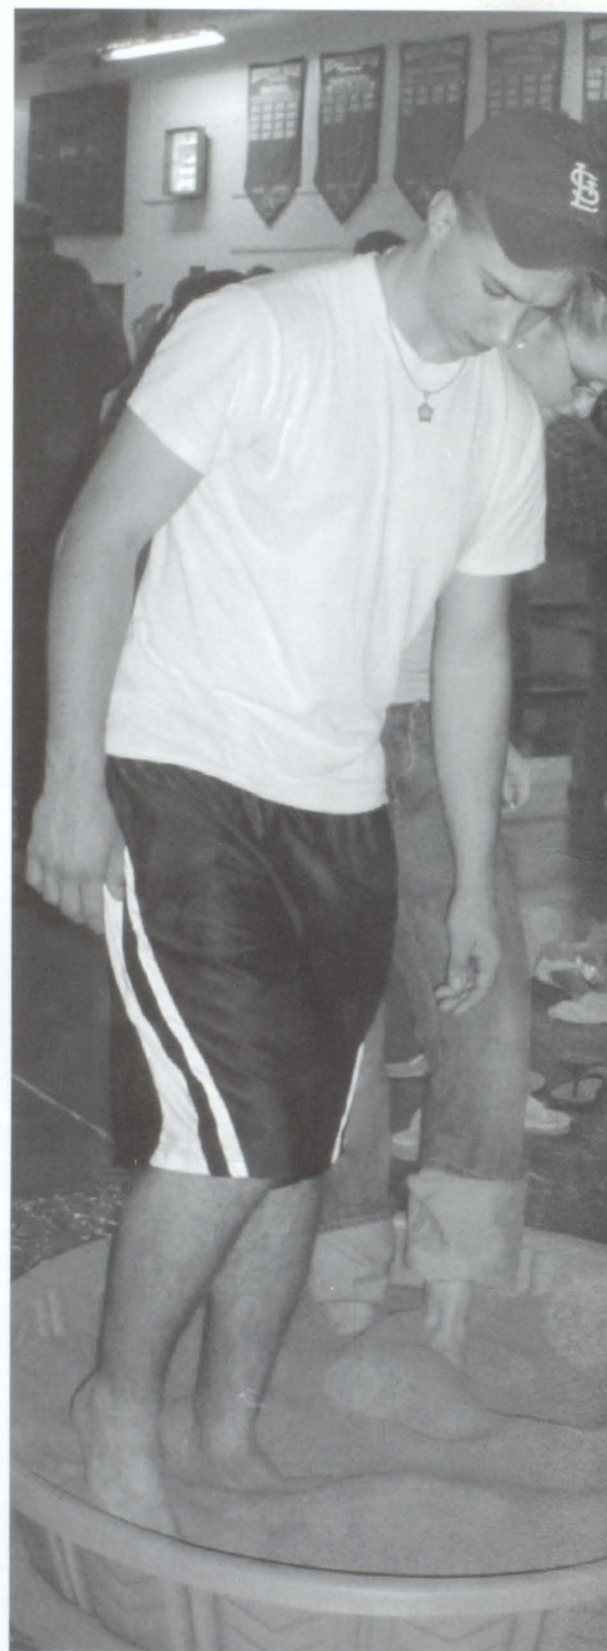

- Starting at 3:00 a.m. about three thousand dollars worth of gifts are given away to seniors and juniors that are present. There also was money and prizes donated by many local businesses. The prizes usually last until 4:00 a.m.

- Activities at after prom ranged from casino and gambling games, to dressing up, skee ball, boxing, golf, and so much more.

↑Juniors David Maddox and Andrea Meyer play the new Texas Hold 'Em Poker game with many friends.

→Senior Austin Fischer digs his feet into the tub of sand trying to find some money. Austin was very succesful. As the night went on Austin also won \$24.50 in the sand box and \$25.00 in the big drawing. "I liked the way the sand felt between my toes," laughed Austin.

Patriot Lotto drawing winners were announced every twenty minutes. The students who won got cash prizes.

← Seniors Angela Berg and Justin Leiberling played Dice. Each person rolled five dice. Whoever rolled the highest number of dice of the same number was the winner. Angela smiled as she dominated by rolling four fives.

# Administration

Dear Students,

The reputation of Heritage Hills being a hard-working, upstanding school only got stronger with this year's school year. In a time where most schools are struggling with lack of funding, direction, and motivation, Heritage Hills' students and staff set their goals and proceeded full speed ahead.

This year's senior class answered loud and clear the question: "How are you going to respond and continue the legacy that is Heritage Hills High School?" They responded with hard work, perseverance, and character.

The year was not without its share of struggles. We all seemed to fight through the newness of the Problem-Solving four D's process. The cafeteria installed a new

computerized payment system. The Engineering and Advanced Manufacturing Career Academy was put into action. A new computer lab was created in the Language Arts side of the building. The swimming pool was updated and renovated. Everyone adjusted and welcomed the changes and improvements.

Our extracurricular activities continued to shine with the band, football, and cross-country teams all receiving state tournament recognition. The football team continued its amazing regular season winning streak to fifty-nine. The band received an eighth place finish. The boys' cross-country team finished eighteenth at state. The Business Professionals of America had nineteen out of twenty-one contestants qualify for state competition.

While there is still much improvement on the horizon, our staff and students have worked extremely hard in their academic ventures. We have approximately twenty more students taking the SAT than we had five years ago. Our total SAT score has improved by thirteen points in that same time span. Our students are reading and retaining at a higher rate than ever before and our "Writing Across the Curriculum" school-wide goal is beginning to pay dividends in our quality of writing.

As we press on toward the future, I am confident that Heritage Hills graduates are as prepared or more prepared than any other high school graduates.

# A New Road to Travel

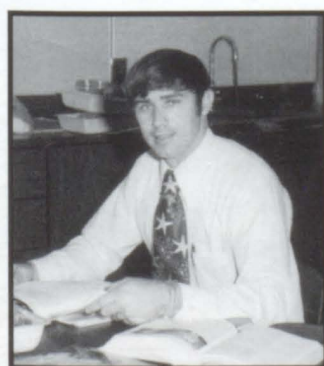

**Mr. Morrison** has been teaching for a total of thirty-six years. He has been teaching in the art department at Heritage Hills High School for thirty-three years. After he leaves the Heritage Hills art department behind him, he plans to substitute at Heritage Hills, work on his paintings, and many other things. Mr. Morrison will miss the students the most after he leaves Heritage Hills. He hopes that

the department keeps going on the level that it is now. Also, he hopes that everyone realizes how far the art department has come since he has been teaching here.

**Mrs. Winkler** began teaching at Dale High School in 1967. She taught there for six years until Heritage Hills opened. Since then, she has been at Heritage Hills High School for twenty years. After retirement, she wants to garden, play golf and bridge, travel, and spend time with her six grandchildren and her parents. Mrs. Winkler also wants to start a book club with some of the other teachers who have retired and would like to work with kids

who have literacy problems. Mrs. Winkler will miss the students the most. She loves just being around teenagers all the time and the enthusiasm that teenagers radiate. She will also miss all the great talks with students. Mrs. Winkler said, "Teenagers are very smart and I've learned a lot. I just love to talk about books with kids."

**Mr. Michel** has been teaching since 1969. He spent four years teaching at Chrisney Elementary before he started teaching here. He started teaching here in January of 1973 when Heritage Hills High School opened and has been here for thirty-two years. Mr. Michel said that he will miss all of the students and all the various personalities that come through the doors of this school and his classroom. After retirement, Mr. Michel

plans to farm and spend lots of time with his grandkids. "I've enjoyed the thirty-six years in North Spencer and would like to see more of our college graduates stay in Spencer County or at least in Indiana," Mr. Michel commented as the conversation came to a close.

# A Look At Learning...

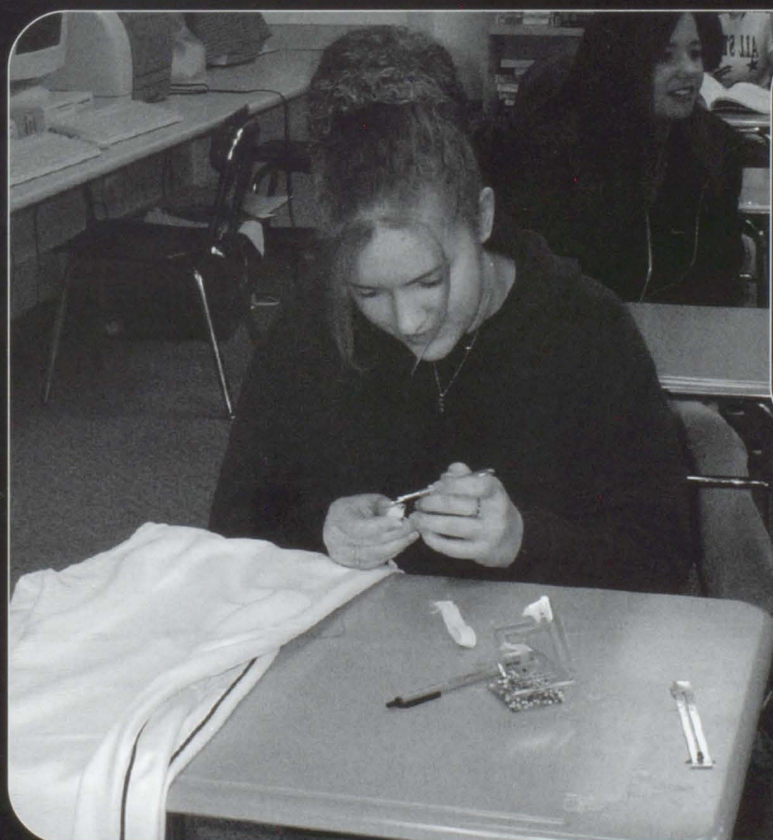

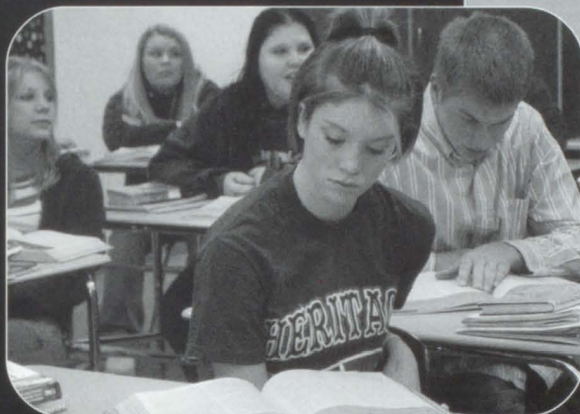

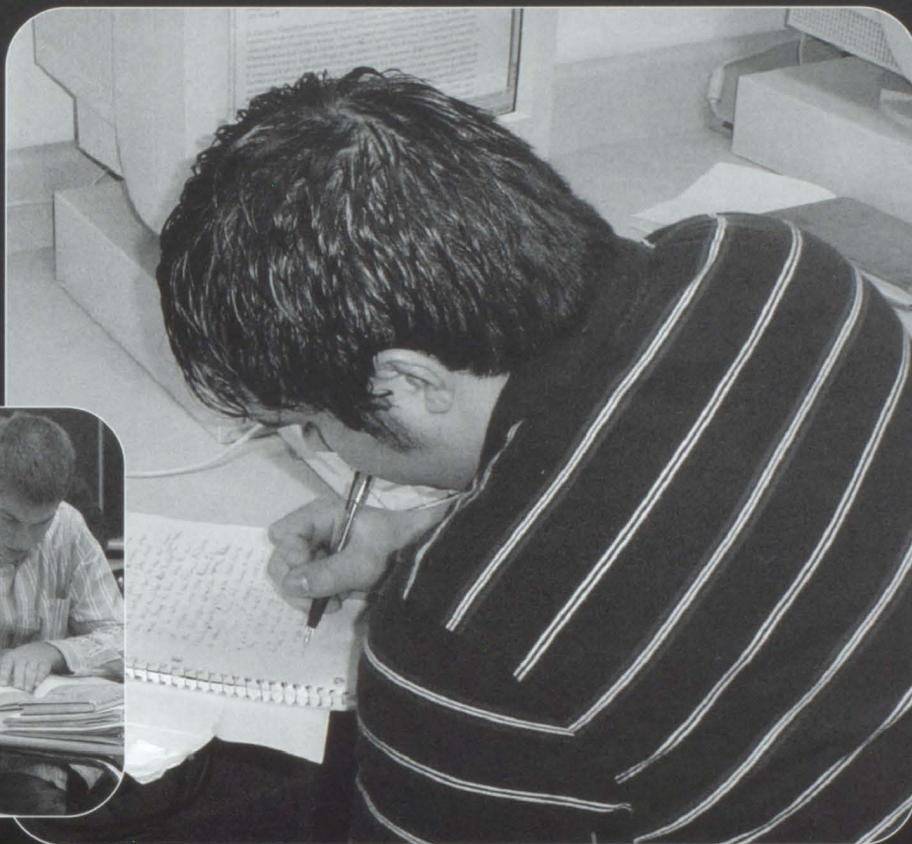

## Through the Window of Opportunity

## ENGLISH

Juniors Tim Hollander and Brittney Schutzius work arduously on one of the many reports juniors are assigned in Miss Wade's class. Miss Wade drills the students in fundamentals of grammar and English mechanics to prepare them for college English. Students also write daily journals and interpret art to improve their writing skills.

## Textiles and Fashion

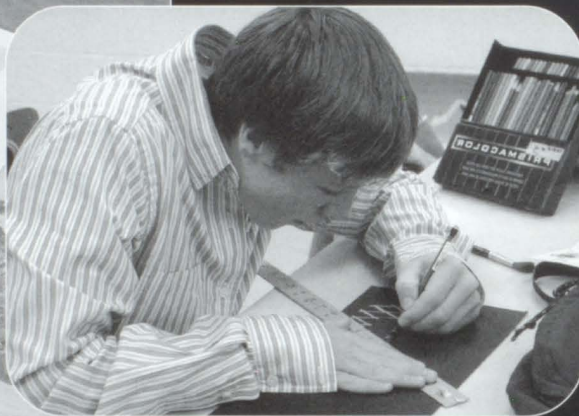

Juniors Amber Cleland and Dusty Bolin demonstrate great precision and excellent technique as they add the final touches to their shirts. In textiles and fashion, Mrs. Black educates her students on the arts of sewing. The students constructed several pieces of clothing, as well as "froggies," for use in the high-risk nursery in Louisville as a community service project.

Designed by Holly Begle and Jordan Bradfield

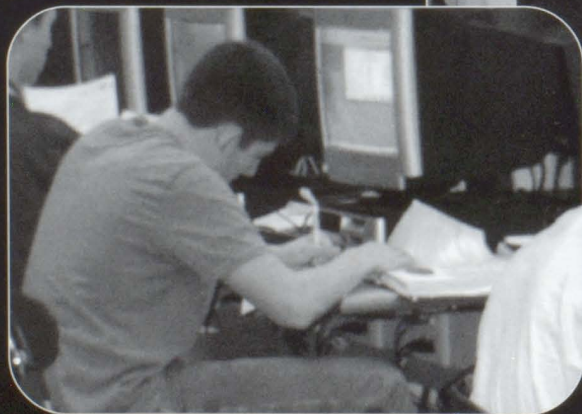

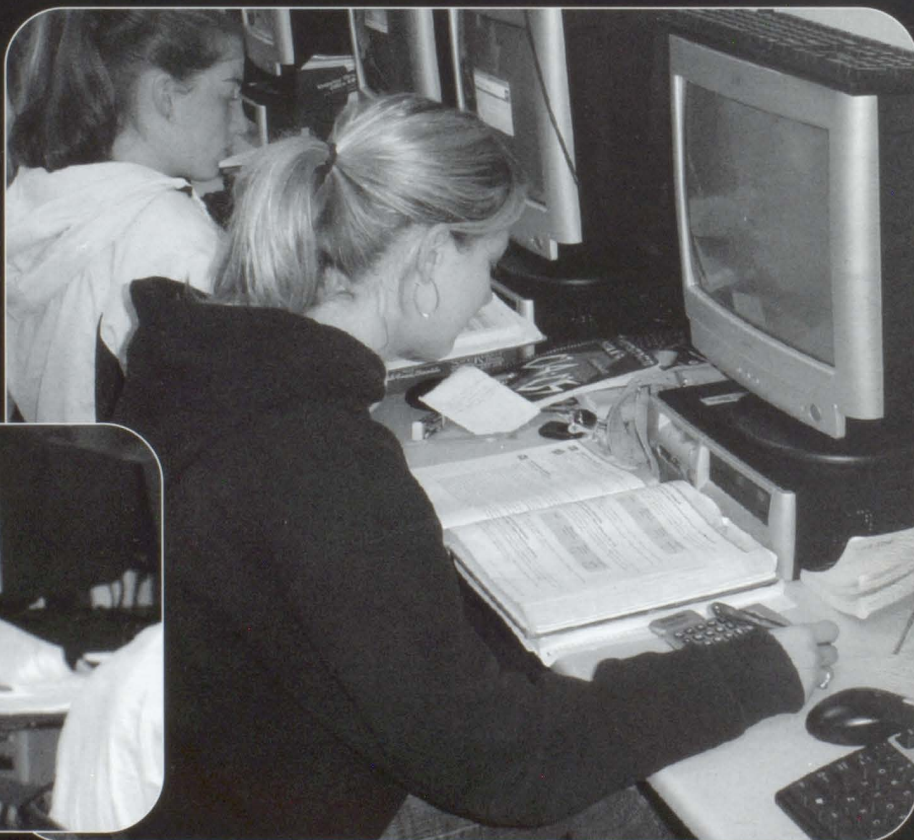

## Art

Sophomore Kala Wahl works on her Art II landscape painting while senior Logan Pund carefully makes measurements for his Art I word project. The main projects of Art III are self portraits, and architectural paintings. It is customary in Art IV to have more freestyle projects.

## Accounting

Senior Lacy Fritz and junior Valerie Kern work on their accounting assignment during class. Junior Tyler Jochim checks over his completed assignment. Accounting is designed to teach students the basics about banking and bookwork.

## ***U.S. History***

Juniors Nick Schwenk, David Simmons and Jace Vaal listen intently as Mrs. Braun speaks to them about World War I. In U.S. History, which is a required class, the history of the United States is reviewed from the beginning of America's history up to current times.

## ***Shop***

Juniors Joe Schaefer and Jared Bumm work on a stereo system in a car during auto class. Below senior Dane Detzer and junior Phil Heim work on a project during wood working class. Auto class, where students learn the mechanics of vehicles, can be taken during three class periods of the day.

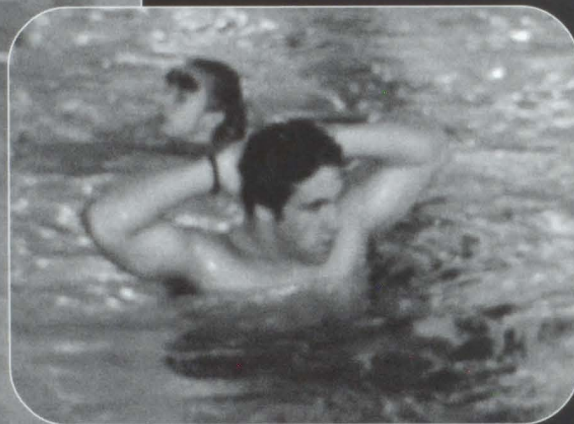

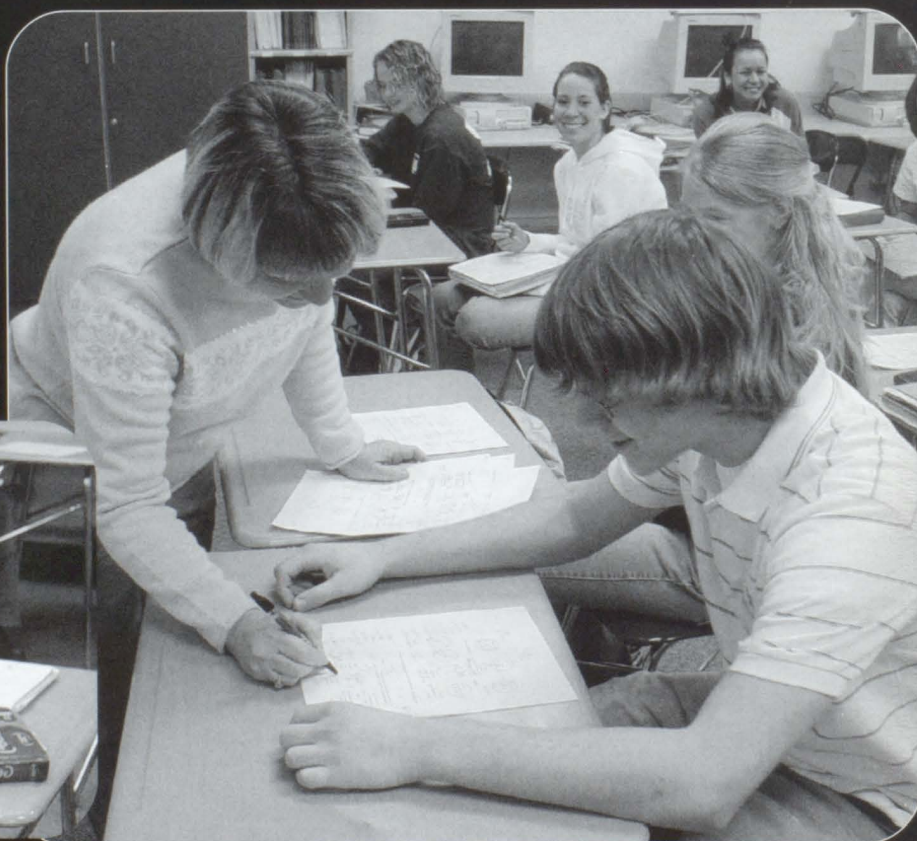

## ***P.E. and Swimming***

Sophomore Jessica Bromm stoops down to catch a ball during her P.E. class. While in swimming, sophomore Kyle James takes a break from his daily laps. P.E. and swimming are a required class during the 7th, 8th, freshman, and sophomore years.

## ***Geometry***

Mrs. Spencer helps junior Casey Williams on a homework problem during class while junior Amanda Williams checks over her homework on her own. In geometry the main focus is to learn about problem solving through the use of proofs, shapes, and formulas.

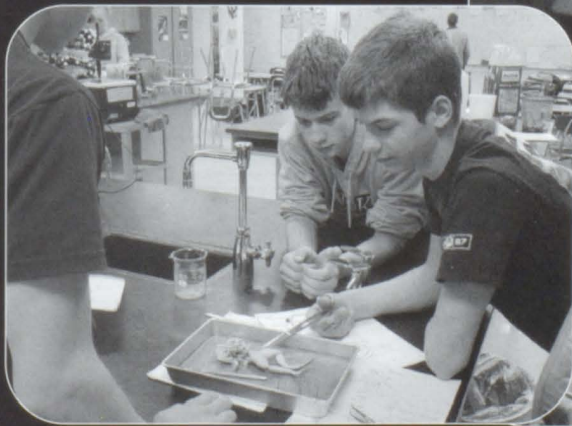

## Spanish

Mrs. Kerchief helps senior Shannon Long measure flour for the tortillas made during Spanish IV. Below seniors Andrea Herrera and Angela Berg cook their tortillas. Spanish is one of the two foreign languages offered at Heritage Hills.

## Biology

Freshmen Danielle Harth, Bridget Hedinger and Morgan Betz are quizzed over the parts of their frog by Mr. Michel. Meanwhile, freshmen Dustin Vaal and Chris Howell dissect their frog to find the parts they are required to know for their test. In biology, much is learned about our living world.

# Heritage Heroes...

→ Senior Lindsey Neighbors lip synchs to the song "I Need a Hero" from the musical *Footloose*. Lindsey was a part of the pep club skit which was the first skit to perform at the academic rally. "I don't really care what I look like when I'm up there. I just run around and try to make a complete fool of myself: it's fun," said Lindsey on whether or not she gets nervous before performing.

→↓ Sophomore Cole Konerding holds on to a tricycle during the BPA-FFA skit. Their skit told the story of Superman from country bumpkin to world-renowned super hero. Here Cole, scantily clad in a make-shift diaper, plays young Clark Kent. Cole sat on the tricycle during the whole skit, standing up every now and then to pose and flex his muscles.

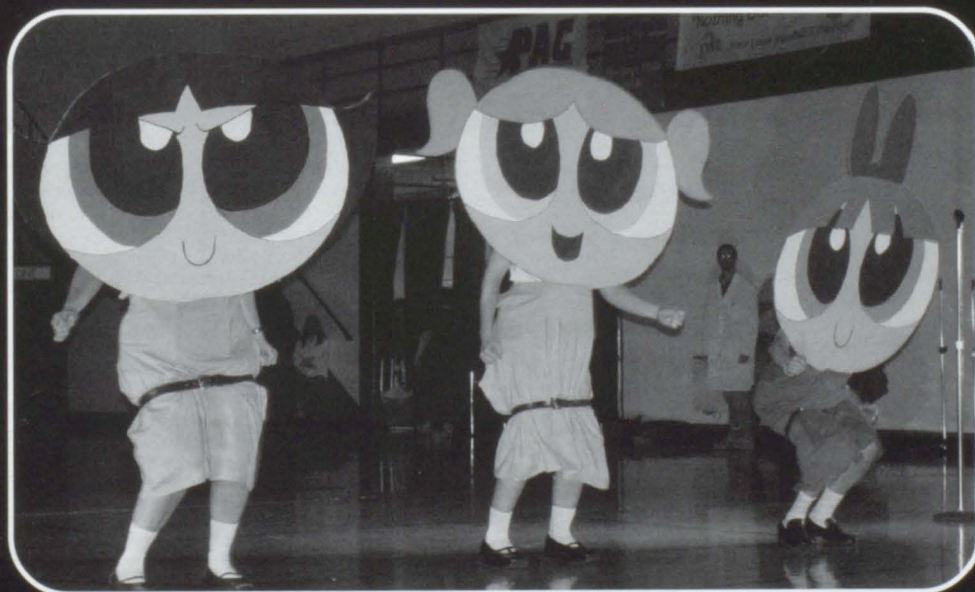

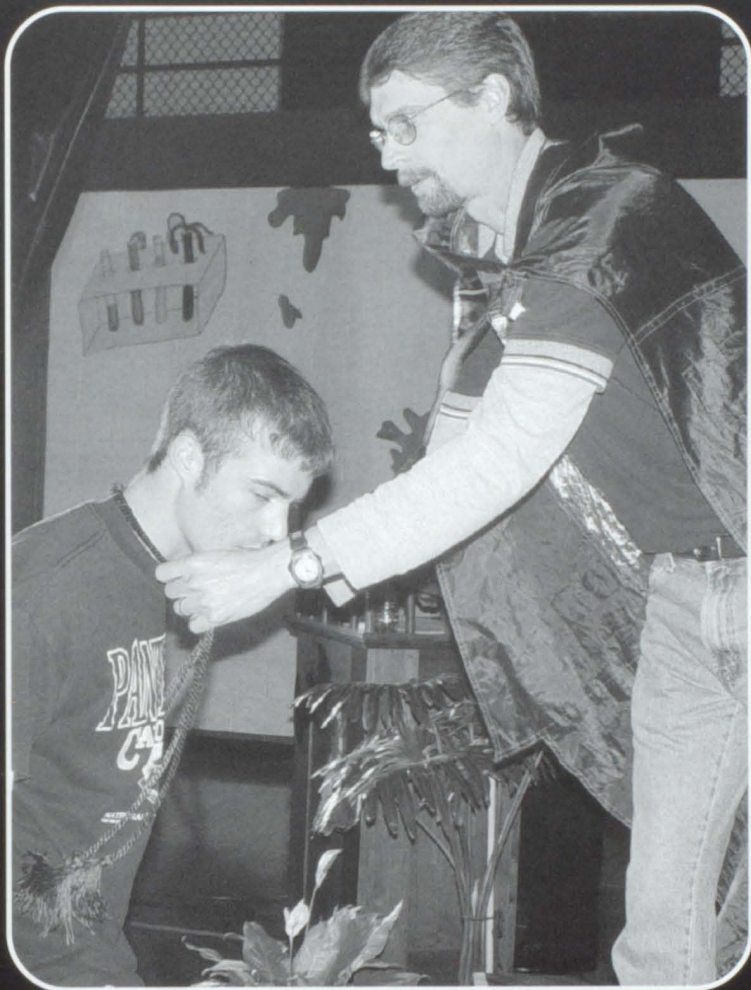

- The academic rally was hosted this year by Heritage Hills' own Renaissance Committee. The effort was headed by Mrs. Fortune and Mrs. Kerchief. Other key people in the production of the rally were Mr. Hess, Mrs. Wilmes, Mrs. Mueller, Mr. Denning, and many others.

- The theme of this year's academic rally was "Super Heroes." To support this theme, the red gym was decorated like an old-fashioned comic book, complete with onomatopoeia bubbles, a New York skyline silhouetted by an oversized moon, and a laboratory covered in chemicals.

- Some of the skits included in the academic rally were "I Need a Hero," "Captain Planet," and "Power Puff Girls." One of the most memorable skits of this year was the "Mullet Boys" skit. The Mullet Boys skit was put on by the Heritage Hills wrestling team. This skit told the story of the evil Mullet Boys and how they kidnapped Rapid Delivery Boy. The wrestlers then dressed up as teachers and attempted to free Rapid Delivery Boy.

↑↑ Seniors Kevin Lutz, Alicia Tempel, Aaron Harth, Stephanie Ramage, and Lucas Luebbehusen stand in line after receiving their blue cords.

↑ Mr. Ayer, Ms. Wade, and Ms. Wade put together the components of a girl in a mixing pot. This is how the Power Puff Girls skit began.

↔ Grant Brockman receives his cord from Mr. Ayer. The students received cords based on their grade-point average. Students graduating Cum Laude received a white cord, Magna Cum Laude received a red cord, and Summa Cum Laude received a blue cord.

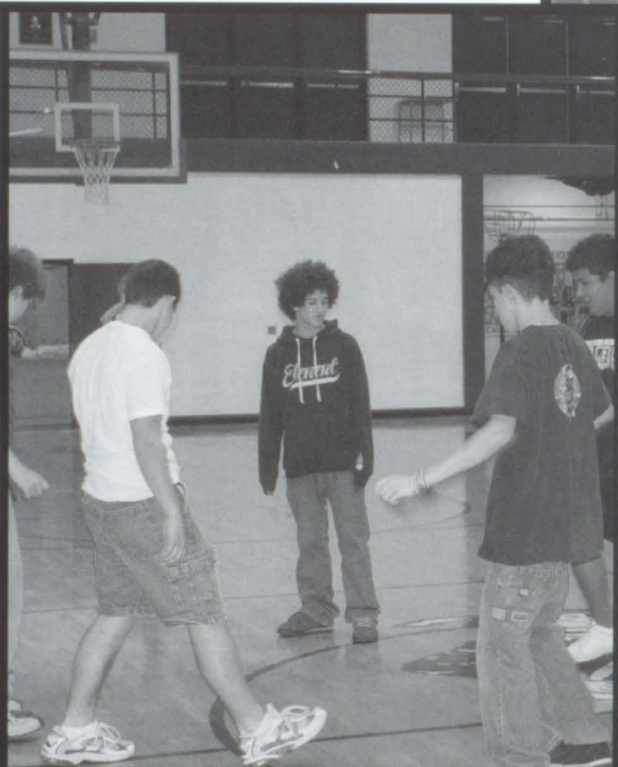

↔ Mrs. Gunselman, Mrs. Fuhs, and Mrs. Klem dance around as Power Puff Girls during the Power Puff Girl skit.

# Music in "The Jungle" BAND

- Band is a class which gives high school students the chance to pursue education in instrumental music.

- Band members also performed at the Santa Claus Christmas Parade, various concerts, and pep sessions.

# A Tale of Three Plays

## FALL PLAY

• There were three plays performed this year over a period of three weekends to make sure that all of the students that wanted a part would be able to participate.

• "Arsenic and Old Lace," the first play performed, was about a critic, Mortimer Brewster. When he is confronted with his brother Jonathan, Mortimer decides that he wants to get rid of his evil sibling. In the meantime, this is not the only chaos that is going on; his aunts are also murdering people.

• "The Crazy Quilt Club" was the second play performed. There is a series of murders, and the quilters try to find out just who the killers are.

• "With Their Eyes" was the last, but not least fall play of the year. In remembrance of September eleventh, high school students share a series of monologs to express their feelings about the event.

# How to Succeed Musical

- This year's musical was "How to Succeed in Business Without Really Trying." The musical was held April 14-17.
- The musical was about a man who wanted to succeed in business and quickly rise to the top of the business world. However things do not go as planned, and chaos arises in the structured business environment.
- The musical was directed by Sandi Fortune, Lori Koch, and Shelley Kroeger. Many other people were included in the producing of this show.
- Some of the numbers in the musical included: "Happy to Keep His Dinner Warm," "Coffee Break," "Been a Long Day," and "I Believe in You."
- Practice for the musical began in January and the cast and crew put in many hours of hard work in order to bring the production together.

↑ Junior Courtney Vaal prepares herself for her performance in one of the lead roles as Rosemary. She prepares herself by "taking it outside." Taking the hairspray outside that is. She wanted to make sure that every hair was in place for the show.

- This year Mrs. Harrison was not on maternity leave. The yearbook staff got more accomplished and finished early on their pages.

- In August, seniors Logan Sibrel, Pat Mundy and Stephanie Ramage went with advisor Mrs. Harrison to Evansville to work with Herff Jones, the yearbook company, to design the cover of this year's yearbook.

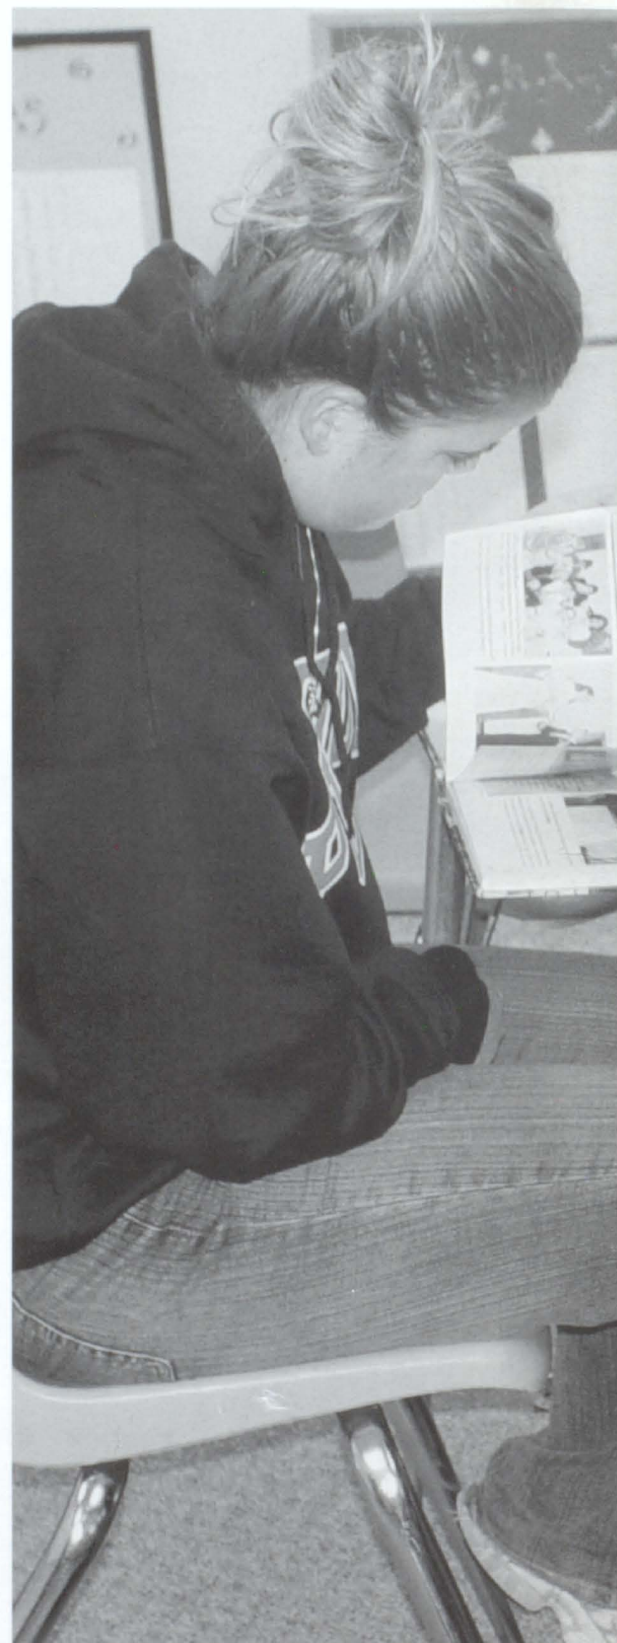

- On August second, sixth, and thirty-first, the yearbook staff went out and sold ads to businesses around southern Indiana. The money gathered from those businesses went into the yearbook budget.

- The 2004-2005 yearbook is Mrs. Harrison's last book she will be advising. Mrs. Harrison has been yearbook advisor for six years.

• S.A.D.D. (Students Against Destructive Decisions) is dedicated to promoting a drug- and alcohol-free environment, as well as an overall healthy and positive attitude. Students are given valuable information on which to base wiser decision-making in their life choices.

• The group organizes a variety of programs, including Kick Butts Week, Red Ribbon Week, The Great American Smoke Scream, and CHOICE magazine for the middle school. On April 13, 2005, BMX bikers performed to promote a drug-free lifestyle. S.A.D.D. also hosted the "Don't be a wienie" wiener roast early in the fall. In addition S.A.D.D. hosts prom drinking prevention activities.

• S.A.D.D. meets regularly during E.C.A., with help from their advisor, Mrs. Wilmes, and students may participate at any time.

↓ Freshmen Ross Huffman and Matt Kamp listen intently as Mrs. Wilmes helps the students practice their helping skills.

- The natural helper's annual retreat that was held in October consisted of 19 students and two teachers. They participated in many different activities in which they practiced their helping skills. Every student involved in natural helpers attends this retreat in order to learn these important skills.

- "Mix-it-up Day" was held again this year. The natural helpers decorated the cafeteria with streamers and balloons, and every student who went through the lunch line was given a different colored piece of gum. The students sat with those who had the same color gum as they did, which allowed them to open up to different people.

- Monthly meetings are usually held in the mornings before school. Guest speakers are sometimes present to talk to the natural helpers while they review their helping skills and discuss any questions they have.

# Leading the Way STUDENT COUNCIL

- Student council has done many things this year to help the local community and our school. They held one meeting every month to discuss upcoming events.
- In November, they held the school's annual food drive. After collecting all the cans, they delivered them to the Community Action Center in Dale before school one morning, where they helped to make food baskets.
- They were also in charge of both the football and basketball homecoming events. The council worked hard to make the events memorable for all who were involved.
- On December 3, the student council held the Holiday Ball. Each member helped in making this night possible by decorating the cafeteria and working at the dance.
