# 1980!

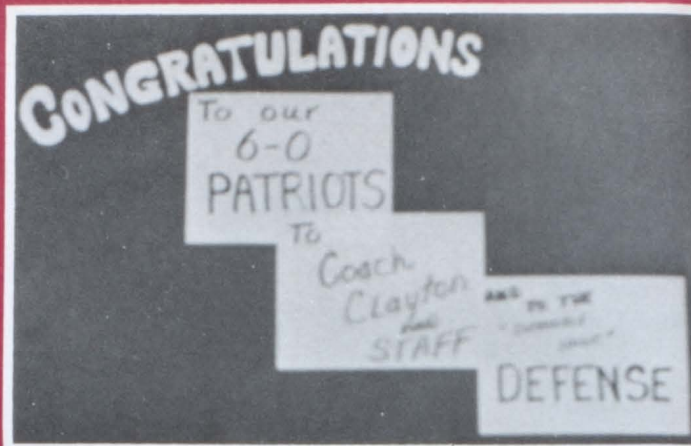

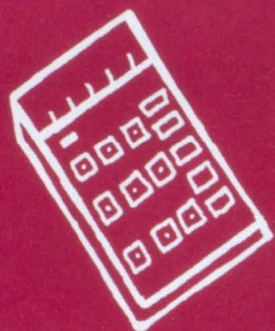

1980 — Another year in the life of the H.H.S. Patriots. A year composed of approximately 1103 students and 54 faculty members and personnel all working together on the educational process.

For each student, H.H.S. has a different meaning. To some it is a home away from home, full of good memories and happy times. To some it is a place to acquire as much knowledge as possible. Yet others may have a different image of their school careers.

Whoever the person, high school is where each of us spends four years of our lives. Each of these years has its own special memories. To sum it up, 1980 proved to be a super year full of great memories.

# SCHOOL

Homecoming week was one time during the school year when each student had a chance to get involved and show his school spirit. Making posters, constructing lawn displays, cheering at the pep session and participating in many other activities were all ways of getting involved. Our school colors — red, white and blue — were displayed in various ways throughout the school to brighten the atmosphere. All the spirit encouraged our team to a fabulous 44-0 victory over Mount Vernon on Homecoming night!

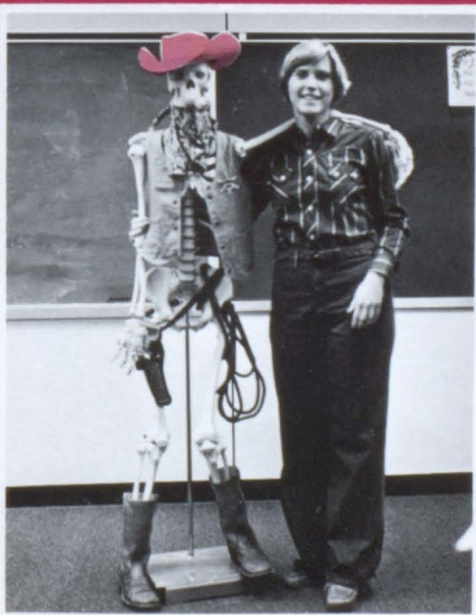

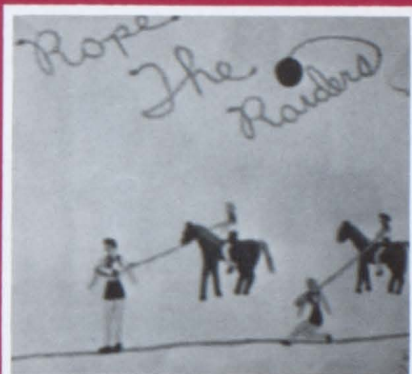

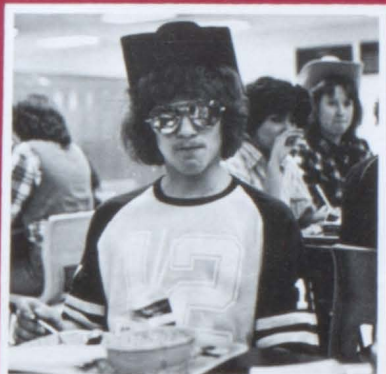

The classes were judged on their spirit and on their displays. The Seniors were awarded first place in each category. Juniors came in second, Sophomores were third and the Freshmen came in fourth.

# SPIRIT

Cowboy hats, western shirts, ropes, toy guns and holsters, boots and even chaps were all a part of "Rope the Raiders" day. School spirit was soaring high on Homecoming day as students galloped through the school in their western apparel. Best-dressed cowboy award was presented to Senior, Neil Dougan and best-dressed cow-girl was Junior, Robin Mosby.

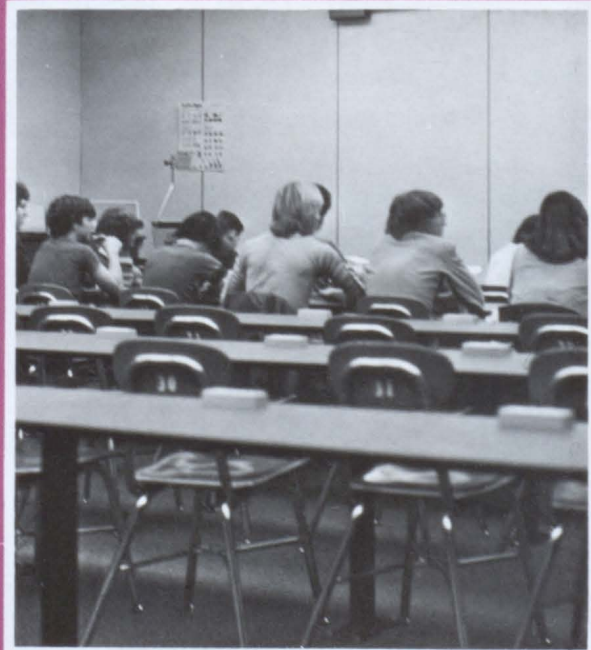

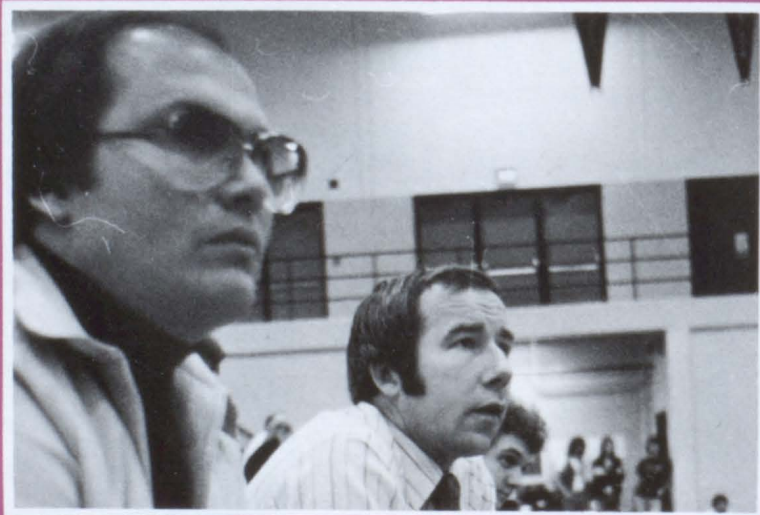

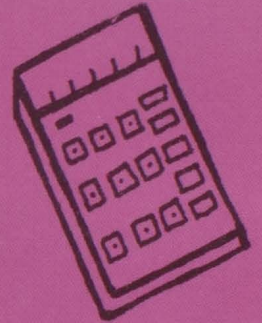

# ADDITIONS

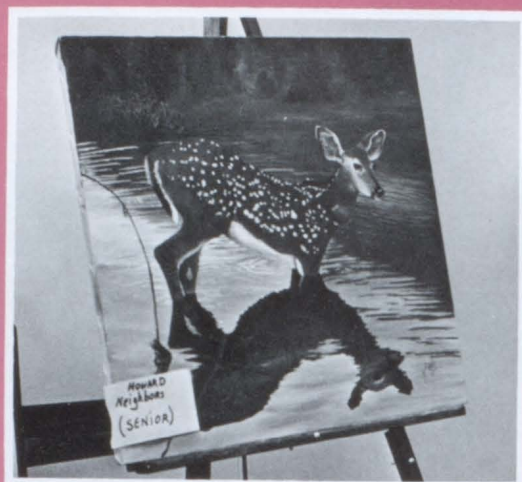

As students entered the halls of H.H.H.S. they recognized many familiar faces and objects. But added to the old were many new. New teachers joined the staff and new students enrolled in classes.

A new parking lot was under construction during the first of the year in front of the school. Computer terminals were set up. Contemporary styles replaced last years fashion. The band acquired attractive new uniforms.

Snacks which included anything from Doritos to Twinkies were added to the lunch menu. The class of archaeology was offered for the first time. The location of the bookstore was changed to the junior high hall by the office. Also, new drivers ed. terminals were set up. Many more changes took place at our school. Progress was certainly made during our 79-80 school year.

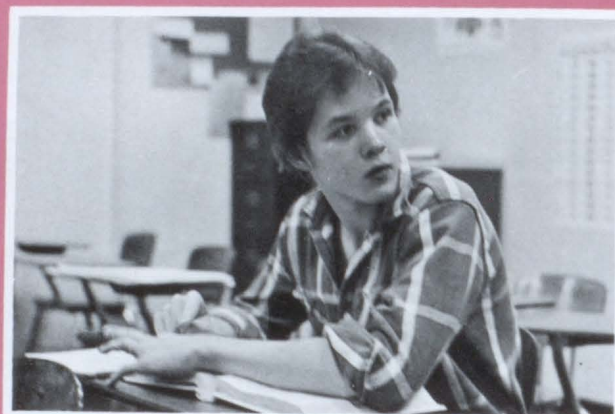

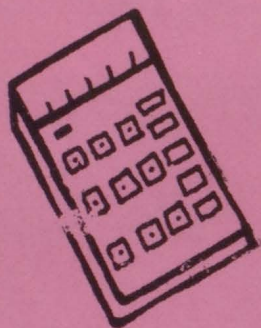

From first day to last  
There is a feeling of family.  
Home away from home,  
Eight hours a day, for six years.

There are changes.  
Old faces leave, to join the  
world;  
New faces arrive to engage in the  
Slow process of growing up.

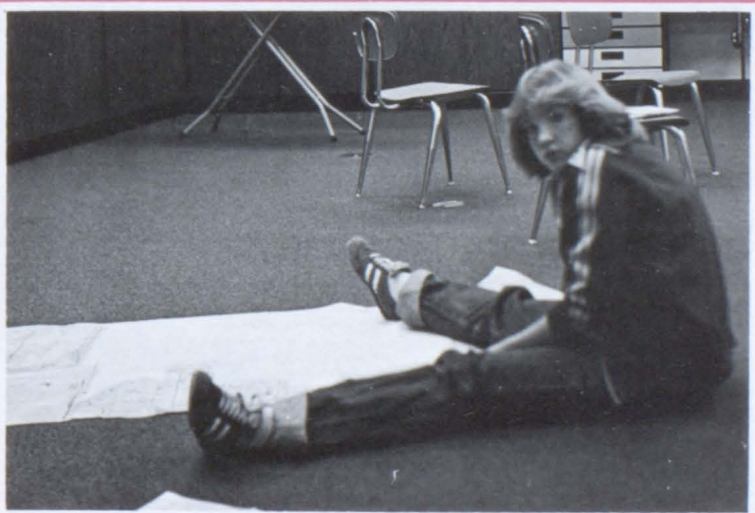

Memories echo down the halls —  
Good times and bad.  
Old students become parents  
Of new students . . .

And the process goes on.  
G. McGuyer

Imagine how boring school would be if everyone were exactly the same. Everyone would look alike, dress identical, get equal grades, have the same athletic ability, and have a similar personality.

Students at H.H.H.S. are certainly not all alike. That's what brings variety to our school. Each and every student has a special talent, whether it be getting good grades, being a good homemaker, typing 80 words a minute, having a special athletic ability, or just having a great personality. Talents certainly flourished through the halls of Heritage Hills during 1980.

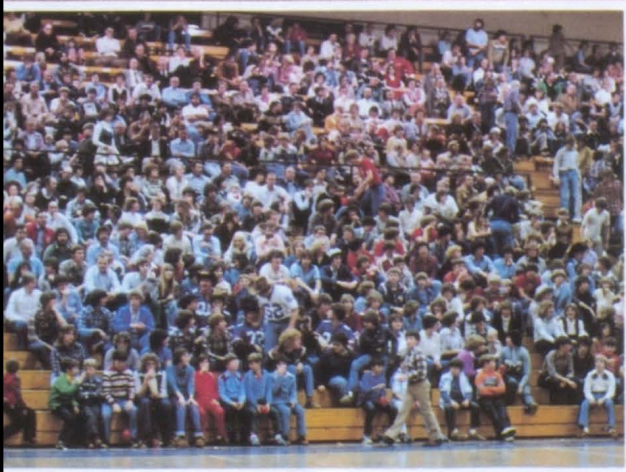

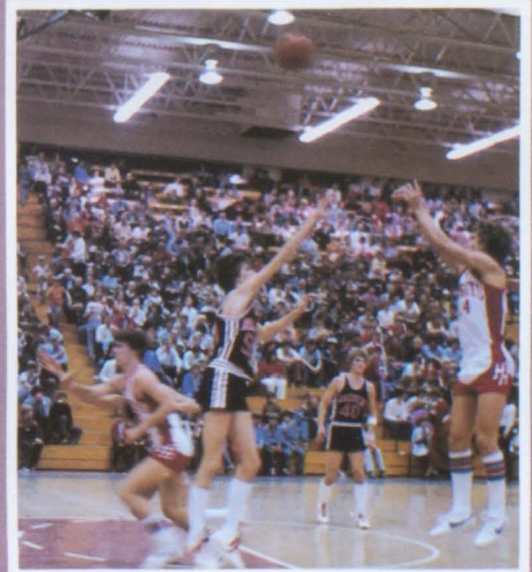

# GINA REIGNS

As the Patriot fans entered the bleachers at the football field, they had high hopes of a great homecoming victory. But the game was not the only topic on their minds; they were also anxious to find out who would be the 1979 Football Queen. At halftime, with a score of 27-0, the winning crowd waited to hear who would reign as Queen. The six seniors, Val King, Sue Feldpausch, Mary Roos, Tammy Dallas, Gina Masterson and Cheryl McDaniels, stood nervously on the football field until finally the long awaited moment came. The crowd became quiet as the announcer proclaimed Tammy Dallas the Maid of Honor and Gina Masterson the new Queen. After the queen-crowning ceremonies ended, our team changed their record to 5-0 with a score of 44-0 over Mt. Vernon.

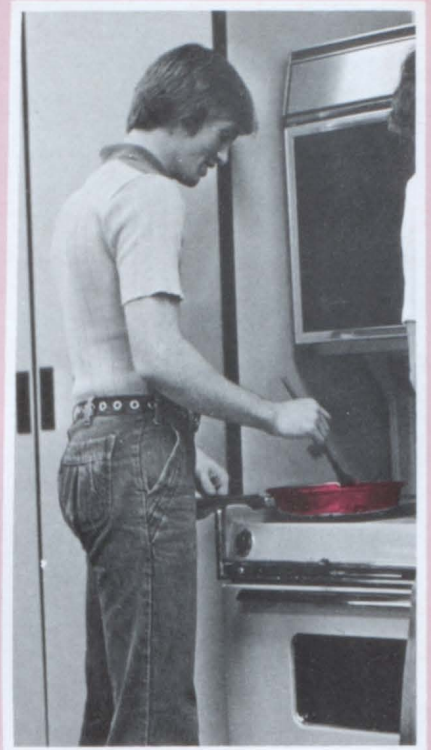

# DARLENE AS QUEEN

Homecoming is a time when former students of our school return to their Alma Mater for a basketball game and Queen Crowning to relive the memories of their earlier years. The 1980 Basketball Queen Crowning ceremonies took place on Friday, January 18, before the Varsity game. The six senior attendants were Beth Kuegel, Sue Feldpausch, Ann Harpenau, Darlene Rebel, Andrea Ramage, and Mary Vaal. This year, for the first time in the history of our school, two girls, Mary Vaal and Andrea Ramage, tied for Maid of Honor. The honor of Queen went to Darlene Rebel. This Homecoming our team conquered Southridge with a smashing defeat of **61 to 33**.

Though "80" brought new talents, many of the most valuable athletes had been honored in past years. Jed Smith and Mark Sergesketter held the torch for the cross country team with the "Most Improved" and "Key Runner" awards. Kim Gogel and Mark Duss were named "Most Valuable" in their fields, volleyball and tennis. Chris Sigler was named "Most Valuable Player" in the conference. Along with Sigler, Bruce King received three honors in the conference. Both the football and swim teams won back their P.A.C. crowns.

# SPORTS AWARDS

The High Point swimming award this year went to both senior Kristi Koch and junior Sherry Grundhoefer. The High Point diving award was presented to two divers, sophomores Natalie Winchell and Lezetta McCoy. The Mental Attitude award this season went to Senior Kathy Prusz, while the Most Improved award was earned by senior Tammy Huffman.

# 179 CHOIR 180

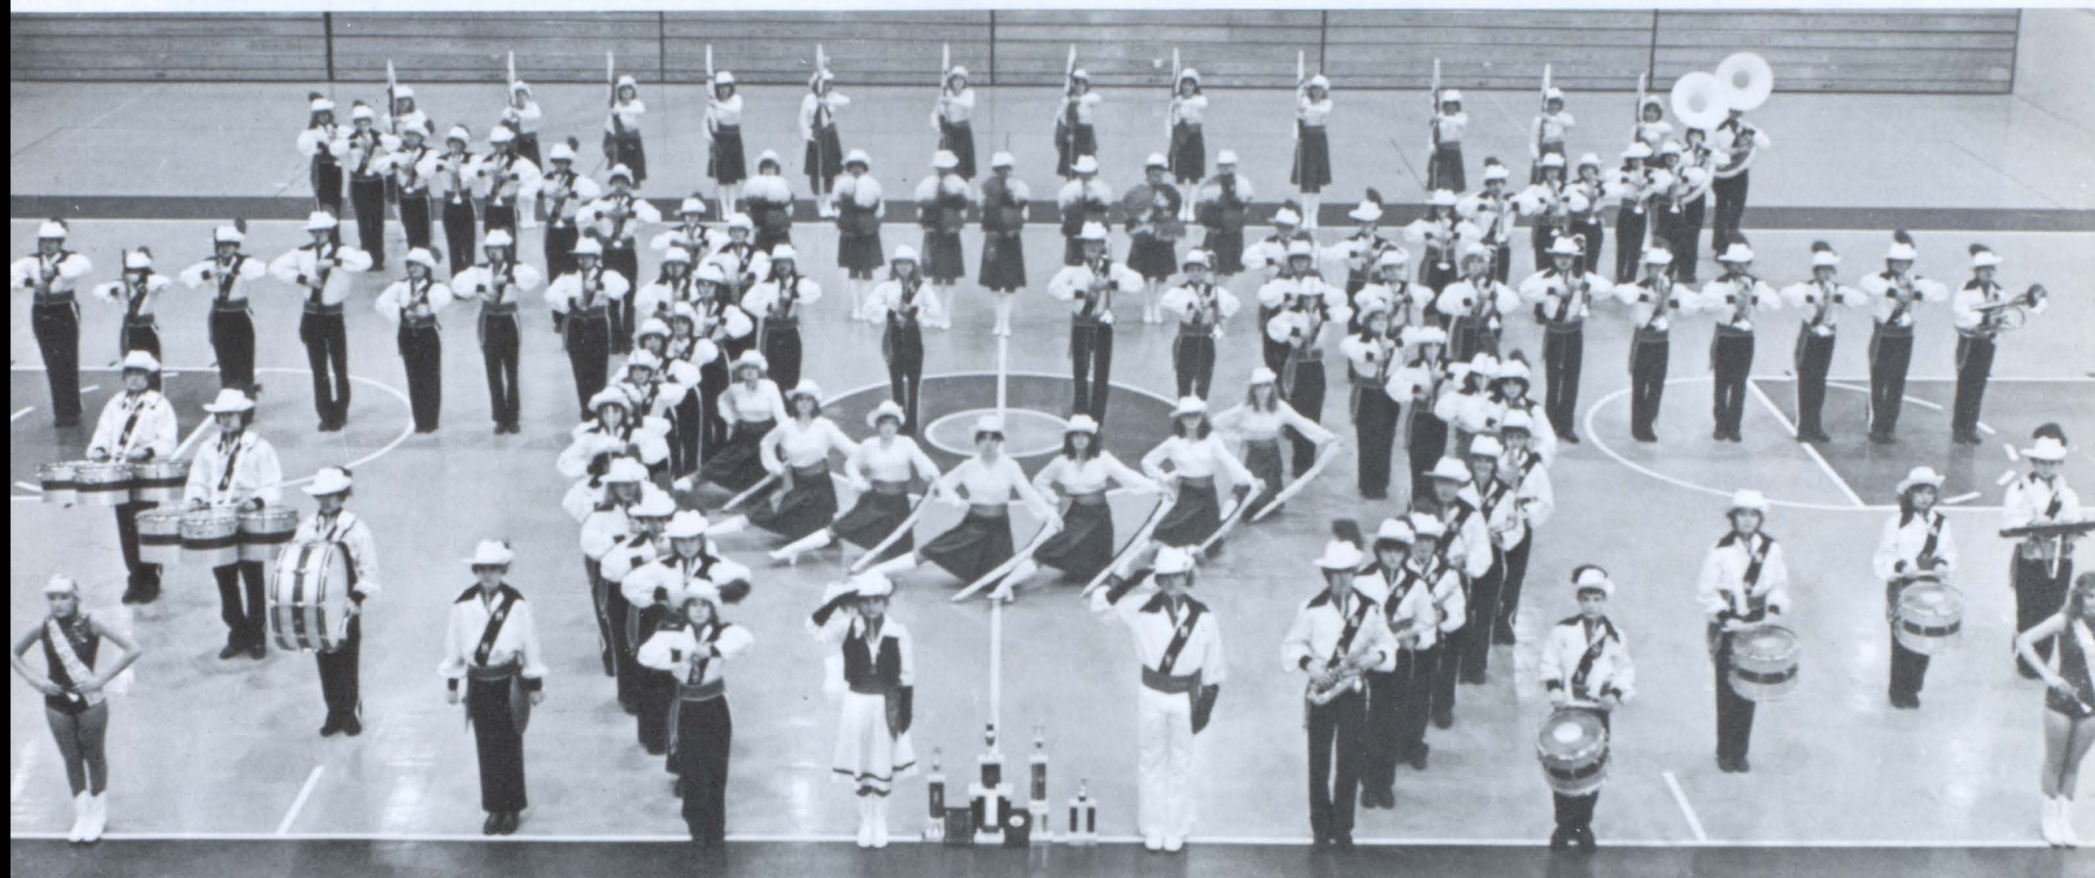

The high school choir performed five times this year for separate audiences. Although this was my first year at Heritage Hills, I can honestly say the young people I am privileged to teach everyday at this school are some of the best I have ever had in class. I feel with the ability and attitude we have in choir, there will be no limit to what we can accomplish.

# HERITAGE

Heritage performed in the H.H.H.S. auditorium to a near capacity crowd. The group played songs by such groups as Styx, Boston, the Doobie Brothers, Edgar Winter, etc. The high-light of the evening was a drum solo by Mark Satcamp, plus some good guitar work by Steve Garmon. The group received a standing ovation.

*Always And forever*

In May the juniors presented the seniors with a prom entitled "Always and Forever" in the school gymnasium. Over four hundred people attended the prom. The meal was catered by Everts Catering Service in Ferdinand. The prom was a very exciting night for all who attended. Whether they were dancing or conversing, they were sure to have a good time.

Several magical metamorphoses occurred. Juniors and seniors exchanged their jeans and sports clothes for formals and tuxedos. The gym was transformed into a pink and burgundy spring garden. A pink and white archway became the doorway to an enchanting evening. Dancers under the pink crepe paper ceiling and the silver stars to the music of Morning Star. The white gazebo decorated with pink flowers provided the background for pictures. King Brian Wahl and Queen Stacy Ayres reigned over the romantic festivities. After prom activities included the movie, "Cat Ballou", and an early morning breakfast of milk and donuts.

While everyone was awaiting anxiously to hear who would become this year's king and queen, they sat around, talked to friends, and took many pictures. The rest of the night was spent dancing and watching people dance. As the last couple left, Mr. Hess and Mrs. Heneisen knew that the prom had turned out a success, and the memory would last "Always and Forever".

# VIAJE A ESPAÑA

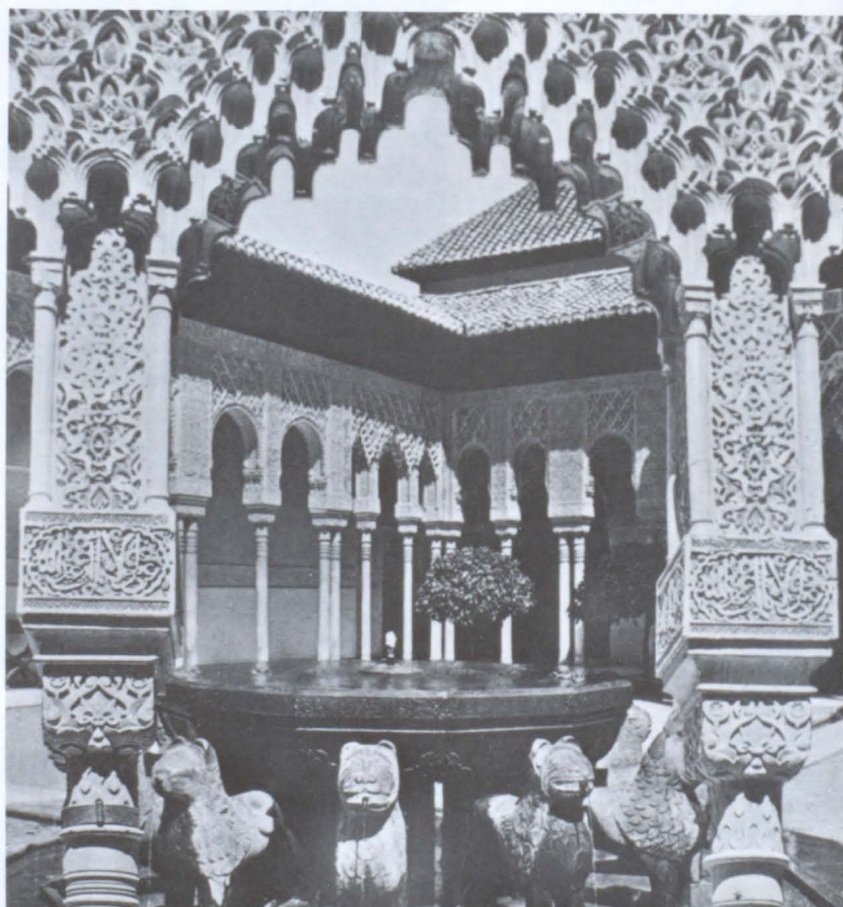

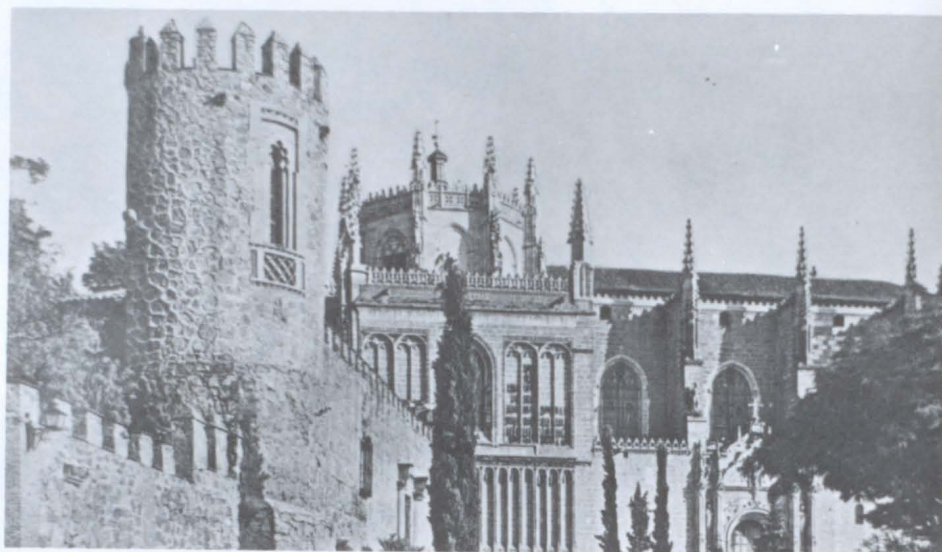

Those making the trip were Tamela Huffman, Glenda Steen, Kimberly Hile, Richard Thomas, Dale Gripenstroh, Camille Brinksneider, Shirley Heneisen, Virgil Heneisen, Rita Brinksneider, Tom Brinksneider, and Margaret Windell.

Torremolinos on the Mediterranean Sea is a great vacation spot. We enjoyed the beach, shopping, and even saw a Flamenco show.

The imperial city of Toledo reflects the multiple origins of Spain. Among the interesting places we visited was the Escorial (a monastery, palace, and burial place of kings.)

Madrid, the capital of Spain, has a population of over 3 million. In existence since 900 A.D., the city boasts many beautiful old buildings. Highlights were the Prado Art Museum and the Royal Palace.

In Granada, we visited the famous Alhambra with its Alcazar, Court of the Lions, museum and gardens. The summer palace of the kings provided a magnificent view of Granada and the Darro Valley.

## SPORTS

# TENNIS

The tennis team had a slow season with four wins and eight losses. But all was not lost. Coach Ann Stuwert said, "We all learned a lot and greatly improved." Kurt Carpenter, who played number one doubles received The Most Outstanding Senior Award for his remarkable leadership and knowledge of tennis. Senior Scott Fischer who also played number one doubles showed super tennis ability throughout the season. Both Kurt and Scott lead the Patriots with eight victories apiece. Junior Mark Duss who played number one singles was awarded The Most Valuable Player Award for his superb tennis skills which lead the team to their victories. Mrs. Stuwert was quoted as saying, "Scott Heneisen was definately the most improved. He showed much improvement from the beginning of the season to the end." The Patriots ended the season by placing third in the P.A.C.

MIDDLE: Supervised by Coach Maxey and Greg Hale, the boys do their up downs together.

RIGHT: Jed Smith congratulates fellow runner for a race well ran.

BOTTOM: Mark Nighswonger makes a great leg holder for Jed Smith and Eddie Mullis as they stretch.

Coach Robert Maxey was very pleased as he reviewed his 1979-80 cross country team. Supporting the team were three returning lettermen, Jed Smith, Mark Sergesketter, and Mark Nighswonger. These three members once again proved to be valuable assets to the team. According to Coach Maxey, junior, Mark Nighswonger was the most improved runner on the team. Mark cut over two and one half minutes off his time from last year and was the number three runner for the team.

Coach Maxey was also very pleased with the remaining team members. Even though this was Don Genglebach's first year out for cross country, he proved himself to be a fine runner being the third runner for the team in some of the meets. Sophomore Tom Gunn was doing extremely well for the team until an injury put an end to his running.

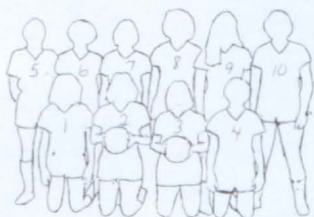

Even though this was a rebuilding year, the team accomplished plenty. The team placed tenth in the sectionals, higher than any previous Heritage Hills had ever placed. Jed Smith placed 16th overall in this meet. The team attended the South Knox Invitational for the first time with Jed Smith finishing 8th out of 100 runners.

# VOLLEYBALL

The girls volleyball team accomplished much their second year coached by Wanda Schwartz. "At the beginning of the season we started out weak with six underclassmen on the Varsity team, some with little or no experience," replied Coach Schwartz. "We also started the season with a rough schedule facing Castle, Boonville, Gibson Southern, and Reitz. Four of the strongest teams in southern Indiana. We went to Dubois and made changes which made a difference in play and ended up winning the game! The last three weeks of the season the girls played very well, especially Jackie Wilmes and Kim Gogel. Charmaine Kern also played well but played a position which receives little credit. Also toward the end of the season, Lisa Luebbehusen and Tina Beckman played up to their potential."

Annie Gogel led the team in assists even though she was the team's main setter. Jackie Wilmes led in spiking with 80%. Kim Gogel led in the team's overall scoring. Kim and Jackie were also named to the all P.A.C. honorable mention team.

In the sectionals, which were played at Castle, Heritage Hills won their first game against Tecumseh. In the second round of play, against Boonville, the girls played well even though they did not come out with a victory.

## A GROWING YEAR

# FOOTBALL

"The winners are not always the biggest, strongest or the fastest; but the ones with the most heart best attitude and pride in what they do."

## Coach Clayton

Football fever was really soaring as the mighty Patriots ended their season with a record of 9 and 1, losing only to a powerful Jasper squad before a record crowd of 3,000 fans. Highlighting the season was the regaining of the conference championship from county rival South Spencer. Our team simply outplayed the other conference teams, thus deserving the P.A.C. crown.

This season turned out to be a record breaking year for our hard working men and coaches. Our powerful defense went unscored upon for the first five games and allowed only 60 points to be scored on them for the entire season. This was the lowest amount of points scored on a team in all of Southwestern Indiana. Of course some of the credit must go to the equally talented offense who scored 255 points for the season.

The team that scored first on the Patriots was the always tough Boonville Pioneers. Even though they were the first to score on us, they did not conquer the Pats. For the first time in the history of Heritage Hills, we beat Boonville, even though we were on their home territory! Three busloads of fans witnessed this bit of history as it was being made.

Coach Clayton commented later that the reason the team was so successful was because the boys were unselfish players and played teamball. A lot of time and dedication was given by all the boys; therefore no awards were given to one single player because they all played great.

Only one serious injury occurred during the entire season. Senior defensive end Darryl Knepper broke the cervicle vertebrae in his neck during the Mt. Vernon game. Even though he was unable to participate in the remaining games, Darryl showed enthusiastic spirit and helped cheer on the rest of his team.

The team this year at one time ranked 6th in the state. This was the highest any previous team from our school had ever ranked. Also this year standout Bruce King was the second leading scorer in all of Southwestern Indiana with points totaling at 108. Way to go Bruce and to the rest of the team. The school salutes you!

# J.V. FOOTBALL

After losing the first two games, the J.V. Football team won or tied six of the last seven games. The team vastly improved in all aspects of the game. Although the varsity always dished out their share of lumps and bruises onto the J.V. every night in practice, the J.V. was always ready to go out and play spectacular ball. The future of Heritage Hills football rides on this fine group of men, and there should be many great games played by these future super stars of **The Great Patriot Football Team.**

## PREPARING FOR THE "BIG TIMES"

# GIRLS' BASKETBALL

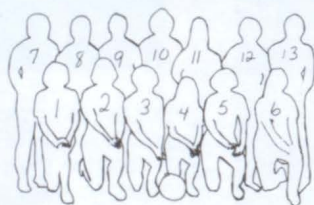

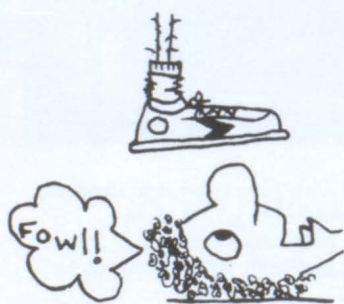

Despite a losing season, one win compared to fifteen losses, our lady b-ballers learned much and had a lot of fun in the process. The team, consisting mostly of juniors, will be seeking revenge next season on several teams.

Diane Martin, the only starting senior, led in free throws with an impressive 85%. Tammy Neighbors, who led in both rebounds and points, averaged twelve points and ten rebounds per game. Annie Gogel, who was considered the playmaker for the team, led in steals and assists.

Congratulations are also in order for the J.V. squad who ended its season on a winning foot with a ten and eight record. Impressive results will surely follow these girls in the upcoming years.

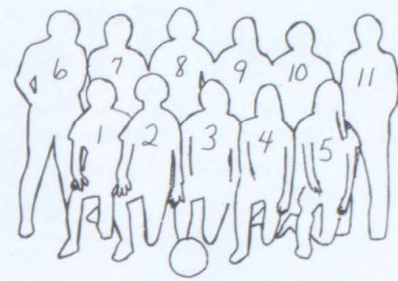

Freshman Lynn Duss led in rebounds by averaging eight per game while Stacy Kloeck, who was the playmaker for the squadron, led in steals, scored the most points and was chief ball handler.

# BASKETBALL

"Basketball means playing up to your potential, playing to the best of your ability, being a gracious winner, and having a lot of fun!"

Coach Dale Hein

When the ball dropped on New Year's Eve at Time Square, many resolutions were made. A few of these resolutions were kept, but most of them were broken. One resolution, however, that was kept was the one made by the varsity basketball team. Near the beginning of the season when the team record was 4-3, all the team members decided that they were going to win twenty games. Despite a slow beginning, the team rallied together to set a new school record of twenty wins and four losses.

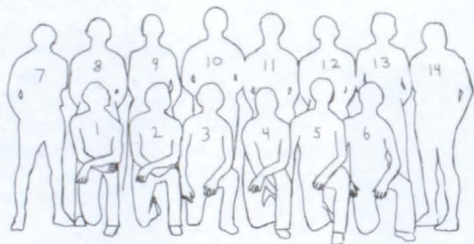

Head Coach Dale Hein commented, "I was very satisfied with the desire and willingness to sacrifice that I received from the team to be a contender by tournament time. The season had a snowball effect. We got momentum going and it just kept generating. Every player fulfilled his role and they worked well as a team."

Senior Brian Wahl, who was the leading scorer, was the quiet leader of the team, while Chris Sigler led the offense. Mark Duss, who led in rebounds, was a very pleasant surprise for the team. He wanted to excel in basketball and this was evident by the way he played. Senior Rick Tullis, who was plagued by injuries all season, aided the team with his quickness and jumping abilities, while Bruce King's super consistency pulled the team through many close games.

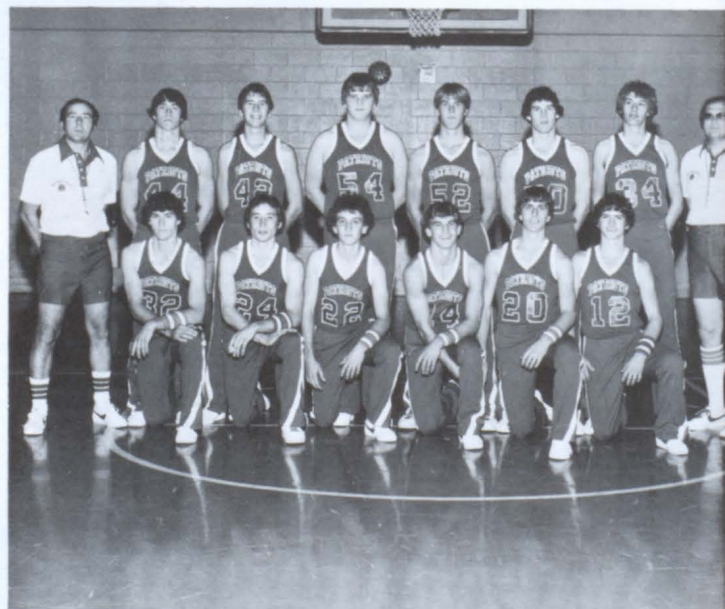

According to Coach Hein, the victory that was most gratifying was the win over Crawford County. Over 3400 fans witnessed the previously undefeated and state ranked Crawford County Wolfpack fall to the mighty Patriots.

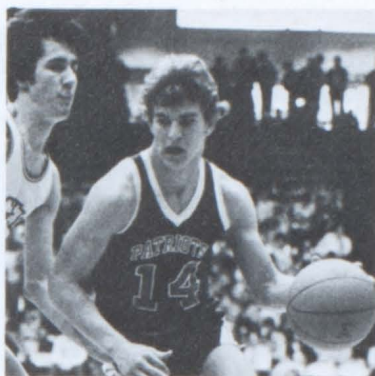

Hoosier hysteria was definitely at its best this past season here at Heritage Hills. Congratulations guys on a job well done.!

# SCORES A WINNING SEASON

# SECTIONAL CHAMPS

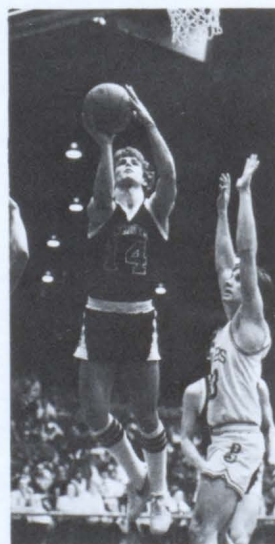

On Saturday, March 8, 1980, basketball history was made. The powerful Patriots grabbed their first sectional title with a 52-47 win over South Spencer. Coach Hein commented, "We wanted the sectional crown badly. As a result we put a lot of pressure on ourselves. We didn't play the best ball of the season but we got the job done due to desire and a lot of hard work."

During regular season play, the Pats suffered through a pair of defeats to their arch-rivals, the South Spencer Rebels. However, since "the third time is a charm," the Patriots were just too hot to handle. On the road to victory, the Patriots defeated Castle 65-36 before they overpowered the Cannelton Bulldogs in a 86-57 victory.

The following Saturday however, the Pats were not so fortunate. They suffered a first round defeat in the Evansville regional to the Princeton Tigers. The game went right down to the last second with the Tigers coming out on top with a 52-50 victory.

The J.V. squadron under the supervision of Coach Perry Bailey ended the season with an impressive fourteen and six record, second in the conference, and were champions of the holiday tourney at Southridge.

Highlighting the season was the win over previously undefeated Crawford County. According to Coach Bailey, "Overall I was very pleased with our season. Our goal was to give every player ample playing time to prepare them for the varsity program. I believe we succeeded in doing this. Losing the conference title to Gibson Southern in an overtime was the team's biggest let down. After that game we just seemed to lose our momentum."

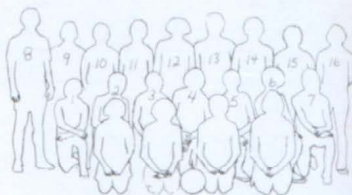

The team this season consisted of nine sophomores and five juniors that split quarters with the varsity squad. Chris Cannon was the leading scorer while Jeff Graman led in rebounds. Since the future of Heritage Hill's basketball rests in the hands of this group of men, one could say that the future looks very bright.

The Freshmen squad this year did not savor the sweet taste of victory this season which ended 0-15.

Coach Bill Milborne was hired as an outside coach this year. He traveled from Evansville each day to coach the team. He commented, "Our goal this year was to make most of the players fundamentally sound. As the season progressed, the young Patriots did show vast improvement."

MID RIGHT: Tom Collins gets off a good shot. BOTTOM LEFT: Glen Carpenter shows why he is number one. BOTTOM CENTER: The necessities for playing golf.

The golf team, under the supervision of Coach Dennis White, did extremely well this season by ending the season with an 11 and 3 record and by capturing the conference crown. This season a new school record was also set as a team. With four scores added together, the team shot a 155. Glen Carpenter also set a school record by shooting a 34 which was 2 under par.

The team will be losing two members due to graduation: Kurt Carpenter and Todd Elliott. "Kurt really improved since last season. He was our number four man and really helped the team out. Todd, who was the number five man, was a very consistent player. All were very well balanced as a team this year. Throughout the season five different members were medalists. They all had a real good attitude and they wanted to win," commented Coach Dennis White.

With Glen Carpenter, Mark Duss, Dave Howell, and Tom Collins returning the future looks bright for the team. They hope to be even stronger next year.

## IN FULL SWING

# LADY SWIMMERS

"Most people do not fail, they just quit trying"

Coach Suzanne Grossman

This year our lady swimmers once again had a very successful season. For the third consecutive year, our ladies captured the PAC championship. The girls, coached by Suzanne Grossman, earned a very outstanding win-loss record of 7-2, losing twice to Castle. Our swimmers placed sixth overall in the sectionals, and senior Kristi Koch advanced to the state finals.

Coach Grossman was very pleased with the excellent turnout of talented swimmers. She felt the team came to their peak just at the right time — right around sectionals.

# BOY SWIMMERS

"Hard work, dedication, and team work equates success."

Coach Bob Compton

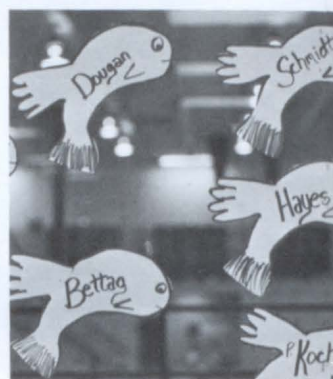

This season the boys' swim team, with a dual record of 5-2, placed third in the Pike Central Invitational, fifth in the Bedford-North Lawrence Invitational, second in the P.A.C., and fourth in the sectionals. Todd Smith, who swam the 50 free and Dave Howell, who swam the 100 fly, both took second place finishes at the sectionals.

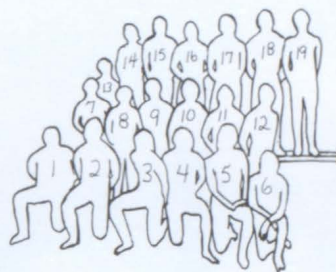

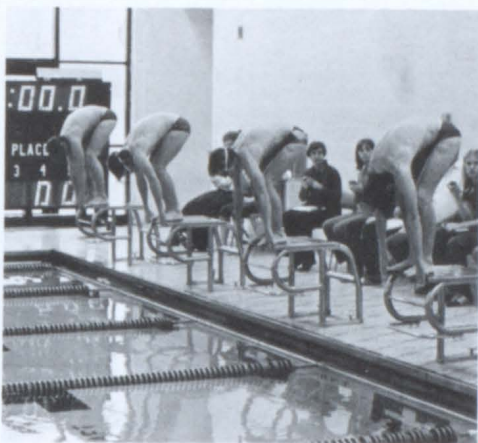

This year, six new pool and school records were set. Setting records were Jeff Bettag, Danny Koch, Dave Howell, and Todd Smith in the 200 medley relay; John Huffman in the 100 back stroke; Todd Smith in the 50 free; and Dave Howell, Danny Koch, Todd Smith, and John Huffman in the 400 free relay.

The swim team is composed of individuals working independently to achieve their own personal goals. They then join with fellow classmates to create the team. Coach Bob Compton commented that much of the success of the team came from the excellent leadership from seniors Todd Elliott, Neil Dougan, Jeff Bettag, and Tom Likens. "Todd Elliott has thus far been the best diver we have ever had on the squad. He was always dependable for good solid points as was Neil Dougan in the 400 breast stroke. The team this year worked extremely hard, practicing twice a day for a total of three to four hours a day. Each member gave the rest of the team moral support and I'm very proud of them and what they have accomplished."

# SPLASH TO VICTORIES!!

# MALE TRACKSTERS

"To win a meet, it takes backbone and not wish-bone!"

Coach Greg Hale

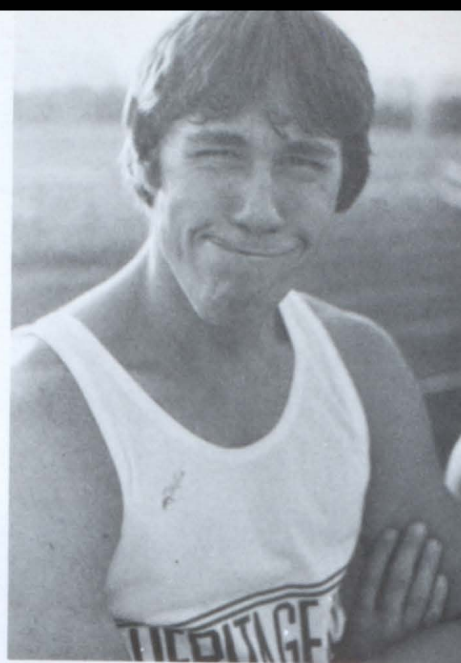

Converting from the English system to the metric system did not affect the successful season that the boy's track team enjoyed. Despite a record of 4-10, the boys were winners. At the Pike Central Relays, the team placed second, losing only to county rival South Spencer by one point. However, at the P.A.C. meet, Heritage Hills took their revenge by winning the conference title by 37.5 points over the nearest competitor which just happened to be South Spencer!

"The team had a very slow start but by mid season the team put it all together. After the Pike Central Relays the boys realized that they were a good team. The three seniors on the team, Greg Greulich, Mark Sergesketter, and Frank Heim, showed the underclassmen what it is to be true competitors," commented Coach Hale.

Two juniors, Bruce King and Chris Sigler, found the time to play baseball and still run track. Coach Hale commented, "Bruce and Chris added a great deal to the team along with the other juniors. They all contributed a great deal to the team. We also had an outstanding group of sophomores and freshmen that should keep the winning tradition going. I felt really privileged to work with such an outstanding group of men."

Terry Brahm and Bruce King were the only members that made it to the regionals: Bruce in the 200 meter and Terry, taking the blue, in the 1600 meter run with a record breaking time of 4:16.1. At the regionals, Bruce took a fifth place finish while Terry advanced to the state meet with a first place finish and a time of 4:15.

# STRIVE TO BE BEST

# LADY RUNNERS

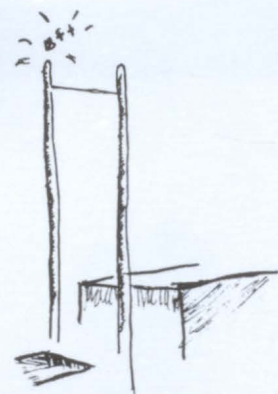

The girl's track team ended the season on a winning foot with a 6-3 record. The girls also finished second in the P.A.C. meet, losing only to the ever-powerful North Posey team by two points.

"The team this year was really close," commented Coach Suzanne Grossman. "Our two seniors, Jackie Wilmes and Diane Martin, provided excellent leadership this season for the team. All of the girls really worked hard this year and they all motivated each other. I believe this is why we had such a successful season."

Sectional qualifiers this year were as follows: Jan and Dolly Reutman in the hurdles, Brenda King in the 100 meters, Jill Lifke in the 200 meters, Julie Prusz and Jan Reutman in the long jump, Debbie Underhill in the discus, Stacy Kloeck, Mary Crews and Brenda King in the shot put, Kathy Hessig in the 1600 meters, and the 800 meter relay consisting of Connie Strobel, Jill Lifke, Brenda King and Jan Reutman.

With a first place finish in the shot put, Brenda King was the only girl to advance to the regionals from our team. Unfortunately the regionals and state meet were postponed indefinitely due to an oversight in one of the sectionals.

Way to go, girls!!

# WRESTLERS

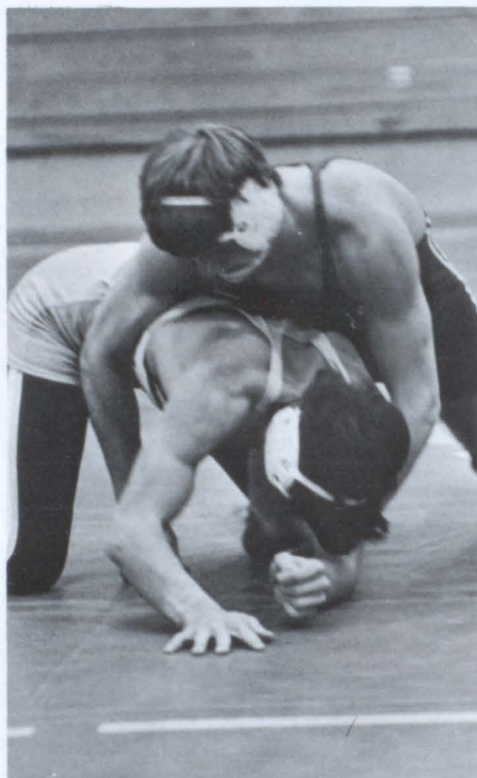

"When a wrestler is faced with an opponent of equal size, strength, and ability, it becomes a matter of who wants it the most."

Coach Bob Clayton

Wrestling, one of the oldest sports known to man, is in full swing at our school. In the four years that the wrestling program has been in existence here, this is the first time that the wrestlers have ever completed a winning season with a record of ten wins and four losses. Congratulations are also in order for a second place finish in the P.A.C. with Scott Neff, Mike Lubbehusen, and Steve Seifrig capturing the conference crown in their individual weight classes.

Coach Bob Clayton believes that the wrestling program here is far more developed than he ever expected. Coach Clayton commented, "It takes a special kind of person to be a wrestler. Because there are thirteen individual weight classes ranging from ninety-seven pounds to a heavyweight division, each boy was required to lose weight, go without food for days, run in the pool area in vinyl sweats, and endure vigorous workouts every evening."

At the IHSAA wrestling sectionals, three seniors advanced to the regionals at Castle. Mike Lubbehusen, who was the sectional champion in his weight class, finished third in the regionals. Leonard Betz, who was runner up in the one hundred and sixty-seven pound weight class, finished fourth at the regionals. Scott Neff, who went into the sectionals with a 15 and 0 record, pulled a ligament in his left elbow during the semi-finals. Scott managed to win the match but had to forfeit the final match, take his first loss of the season, and settle for runner up. Before the regionals, Scott discovered that he suffered from a cracked elbow instead of a pulled ligament. Instead of putting his arm in a cast, Scott chose to wrestle and settled for a fourth place finish at the regionals. Way to go, guys!

# BASEBALL

Even though the baseball team got off to a slow start by losing two out of the first three games, they managed to come out as champions. The team ended the season with a 10-4 record and once again captured the conference title.

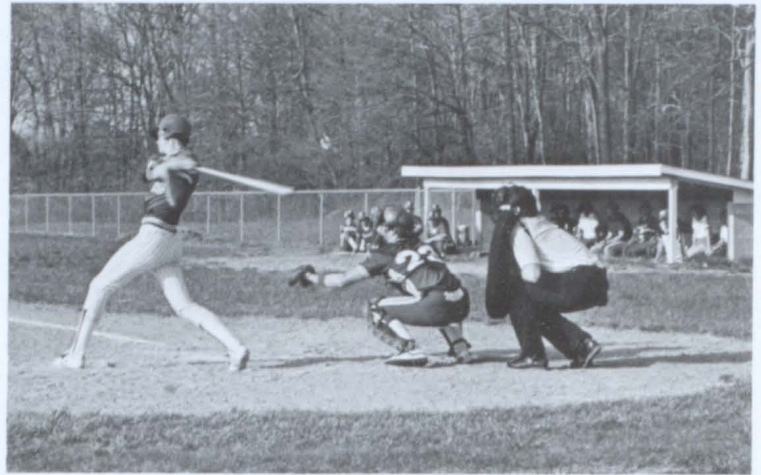

"Most of the members on the team play football and basketball. Then when it is time for baseball they are about worn out. Therefore the team plays to win but they also play to have fun. Perhaps the team did not work as hard as they should have but I know they're tired and we still get good results," commented Coach Henry Ayres.

The leadership of the team came from the three seniors: Brian Wahl, Rick Tullis and Tim Schoolcraft. Brian was a regular for three years while Rick and Tim were pitchers for the team.

Bruce King, Jed Smith and Brian Wahl were the best hitters for the team. According to Coach Henry Ayres they hit much better than he expected.

Congratulations guys for a job well done.

# GIRL'S TENNIS

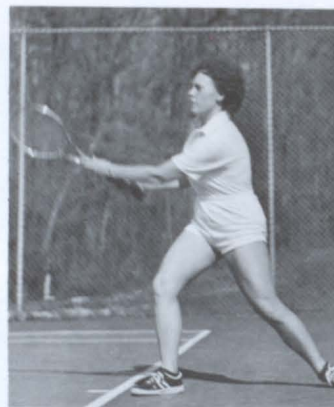

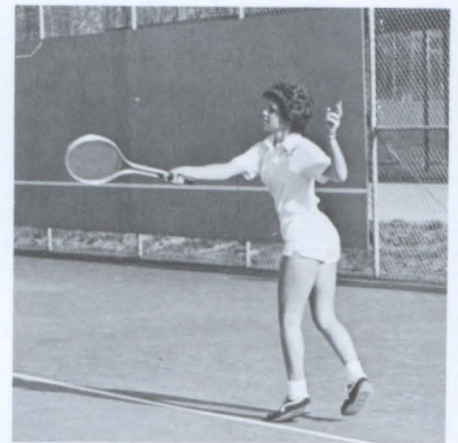

During their first year at Heritage Hills, the girl's tennis team finished with a record of 1-6. Despite not having a winning season, the girls had a lot of fun and hope to seek revenge next year. The girls were under the direction of Coach Ann Stewart who came from Christmas Lake Village to coach the girls.

Seven girls were on the Varsity team and seven girls were on the J.V. team. One senior, four sophomores, and nine freshmen completed the squad. During practice sessions "ladder play" was used. This is a competition between the players to determine position. Therefore, during the season the girls played different positions in tourney play.

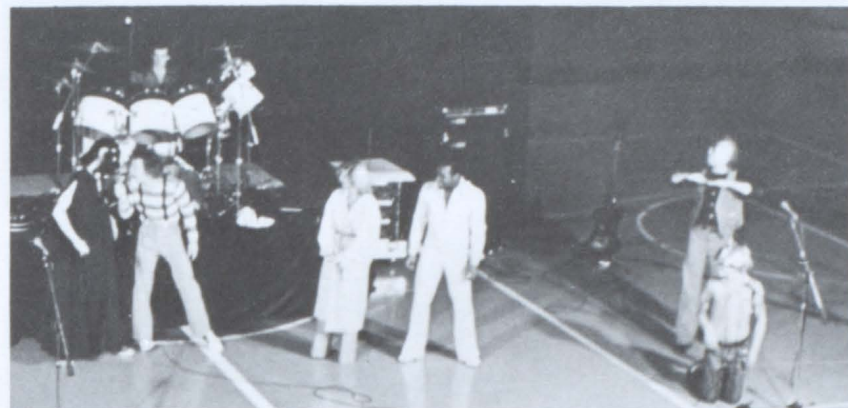

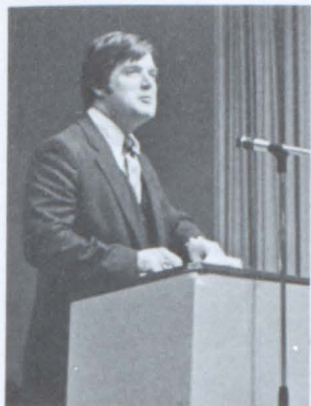

Congratulations girls for doing so well and good luck with the upcoming seasons.

## CONVOS

Convocation topics ranged from a visit from outer space to an energy demonstration. The magician combined magic, music, and mime to entertain while the Pepsi Company utilized clips from old films. Two groups, Free Fare and Fantasy, performed several musical numbers. Mr. D'Paul, who performed feats of ESP, astounded the audience by reading Carol Kelly's mind. Mr. John Schuurman recited "Casey at the Bat." The last convocation of the year was the climax to the Heritage Bowl between the R & S Stompers and the Dilettantes. Although both teams were extremely good, the Dilettantes became the 1979-1980 Heritage Bowl champions.

# SPECIAL OLYMPIANS

The Special Athletes of our school have participated in a series of athletic events. They did a terrific job at the local St. Meinrad meet and an outstanding job at the Regional Olympics at Evansville, according to Mrs. Borden. Blue Ribbons were awarded to many of these outstanding Special Olympians.

Mike Waninger, Bob Beard, Tammy Engelbrecht, Mrs. Penny Borden, Karen McCool, David Welch, Gary Beertzer, Roger Foerster, Lanny Likens, Pam McGowen, Bill Cooper, Laura Stirk, Jeff Wilson, Craig Beckman, Kathy Roach, Marvin Schmidt, Rita Ellsworth, Tammy Beertzer, Jan Griepenstroh and Jennifer LaGrange.

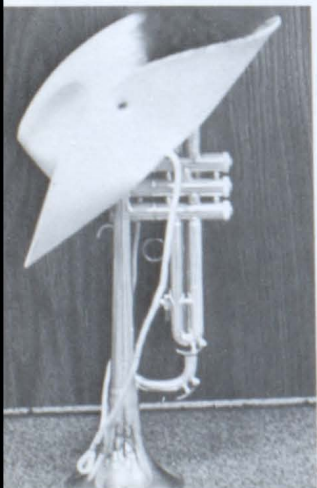

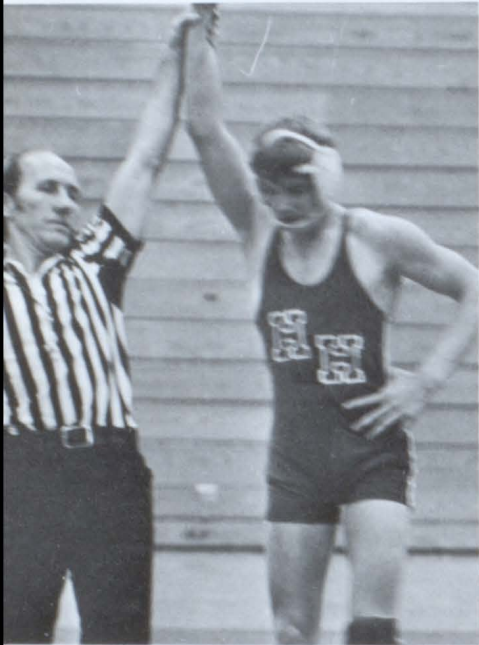

## "DOING THEIR PART"

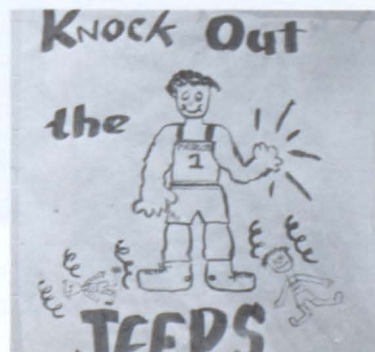

Each fall and spring the senior class has had the privilege of giving blood to the American Red Cross, a program Mr. Lake instituted in 1978. With the help of a few juniors, the 1980 senior class has given over 200 pints of much needed blood. Each time the desired goal was met, the participants received a bonus — a day off from school. Hats off to the seniors of '80 for this splendid gesture.

As the seniors entered the gym, relatives scurried about snapping pictures of the historic occasion. As the moment when each member of the 1980 class would receive his diploma neared, the tension mounted. Foremost in each mind was the seriousness of this event. Finally the last symbolic moment came — the moving of the tassels. The seniors were graduated.

# RAPPING IT ALL UP

We hope that we have succeeded in restoring the "Memories" of this 1979-80 school year for you. Whether a senior, underclassman, faculty member, or part of the administration, we hope that through this book your good times at H.H.H.S. can be relived.

Both of us wish to extend a special thanks to everyone who helped contribute to process this book. Also, a very special thanks to Miss Wade. Without her help and guidance, this book would never have been completed.

Brenda Schwindel and Jenny Balbach, Co-editors
