# FOCUS

Although they faced a slight reduction in numbers over the course of the year, Heritage Hills' administrative body continued to do what it does best: work as hard as it can to create the best learning environment possible for HHHS students. Whether disciplining students, giving words of wisdom in the morning over the intercom system, having a friendly, supportive presence in the hallways, maintaining the school's library and study hall, or supporting their Patriots outside of school at various events, the administrators showed how truly invested they really are.

[illegible]

The 2012-2013 school year brought with it a new set of challenges for the dedicated faculty and staff at HHHS. Transitioning to new evaluation procedures which rely heavily on data meant teachers worked to create or adapt effective methods for tracking student progress and recording professional growth and contributions. The staff stepped up to the challenge, often collaborating and building on each other's strategies. Although the path was not always linear, the faculty stayed the course, and put themselves in position to succeed for many years to come.

These men and women support the learning process by keeping our school in tip top shape! They don't just clean the school, they maintain the heating and cooling systems, take care of the grounds, do the laundry, and fix everything that breaks. This year, HHHS welcomed a new Director of Maintenance, Matt Sperling, who is proving himself an invaluable asset to our building. The next time a maintenance employee is hard at work taking out the trash, fixing the lighting, or cleaning a classroom, take a moment to warmly thank him or her for doing a great job behind the scenes!

WHAT IS YOUR FAVORITE MEAL AT LUNCH? "ANYTHING WITH CHEESE!"

# We Can Do It!

# SUSTAIN

The women who cook the wonderful meals for close to a thousand students and faculty members per day are incredible! Not only do they feed us and keep our bellies full, they keep the cafeteria decorated and clean. They met the challenge of adding healthier food options this year with style and smiles!

# INTRODUCING

This year the foreign exchange students of Heritage Hills came from many different parts of the world to join the student body here in Lincoln City, Indiana. Viktoria Kralova, Rahel Dietze, Libeth Wedel, and Isabell Ott came from Germany. Dylan Stokes came here all the way from Australia. Lucy Newell traveled to America from New Zealand. Linnea Engberg is from Sweden, while Melanie Ochs is from Austria. It's always an honor to have so much diversity in our small, rural community. They integrated into the school's society very well, joining activities like clubs and sports. Isabell and Linnea joined the track and field team, Lucy and Dylan joined the swimming and diving team, and Rahel and Linnea were on the soccer team.

Homecoming is a time of year when the entire school picks students that would represent their class best. The week leading up to the big event was a success with its many wacky dress-up days. The themes ranged from celebrity, to crazy hat, to hillbilly, to pajama. Friday came, and the polls opened. Who would be crowned coming North This Big City "court" came waltzing across the track, showing off their evening attire. Suspense rose as more couples walked into sight. Finally the moment arrived. The student council proudly crowned King Russell Johnson II and Queen Felicia Leiberling to uproarious applause.

The 2012 Dale Fall Fest was kicked off once again by the annual queen pageant where Abby Fisher won the coveted title of "Dale Fall Fest Queen." After a successful parade that included firefighters, pageant participants, music, clowns, and local civic groups, the festival got into full swing. The famous hog wrestling was a hit as always, as were the local food booths. Overall the Dale Fall Fest has been known for its welcoming and family friendly events.

## Spirit Nights

There is no better way to support our school than by attending school spirit nights. It all began with our teachers deciding to get the ball rolling last school year to encourage school spirit and a more positive school climate. Throughout the year, many sports' teams and student groups had a special event that students and staff were encouraged to attend. In the fall, the seniors attended the most events while in the winter, the juniors claimed top honors. In the spring, the sophomores finished strong in first place. The winners were treated to yummy ice cream sundaes.

There were plenty of tasty treats for carnival-goers to enjoy, such as the ever-popular lemon shake-ups and freezer pops.

This year's dodgeball tournament went on in fantastic fashion with the Bomb Squad, a group of senior girls, winning top honors at the dodgeball tournament. Thanks to the Student Council, the students had lots of fun and made great memories!

# WINTER

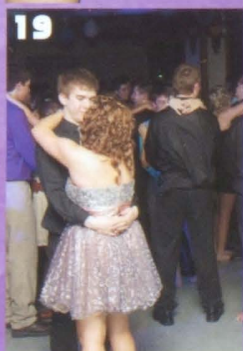

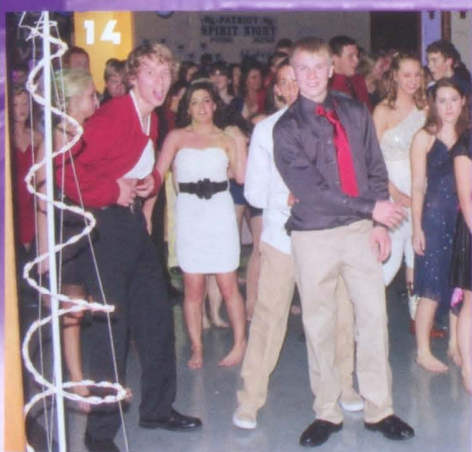

The Holiday Ball was beautifully decorated this year with the theme "Take My Breath Away." Before the dance, everyone gathered at their friends' houses to get ready and take photos for keepsakes. Later on that night they arrived for the fun and cast their votes for prince and princess. The nominees for princess were Alison Baron, Kaebra LaGrange, Clara Laughlin, Kaylee Hayden, Lanae Spurlock, Gabrielle Sweet, Alicia Utzman and Savannah Mundy. Boys vying for the title of prince included Ben Woolems, Derek Mulzer, Miles Kline, Tyler Gress, Corey Fortwendel, Jared Boehm, Blake Harpenau, and Derek Kippenbrock. Jared Boehm and Allison Baron were crowned Prince and Princess. The night was a huge success and full of fun and laughter for everyone who participated.

On the night of January 11, 2013, the Heritage Hills Student Council crowned a new King and Queen at the varsity basketball game against Pike Central in the Red Gym. The student body helped prepare for the event by dressing up in everything from western wear to Patriot attire throughout the week leading up to the evening. Finally, Friday arrived. After plenty of hard work was put into the decorations and making sure everything was the way it should be, the anxious members of the court strutted to their spots between pillars to be recognized as members of the basketball homecoming court. Seniors Miles Kline and Savannah Mundy graciously accepted their new titles as king and queen on a night never to be forgotten. And so, the night was a success with a new King and Queen, a basketball victory, and a fantastic dance for our Patriots.

## Prom Night

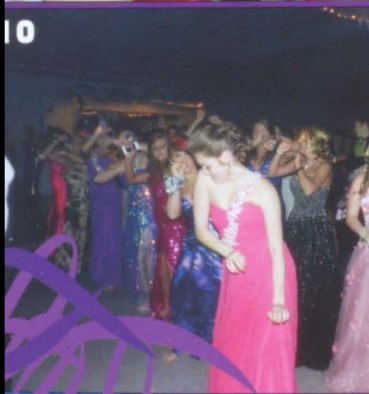

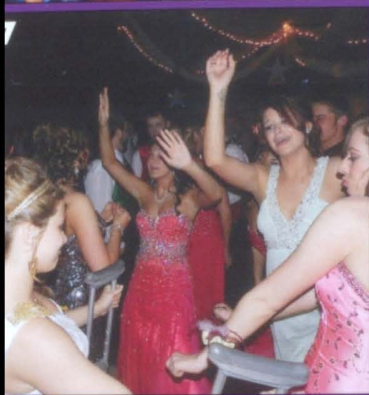

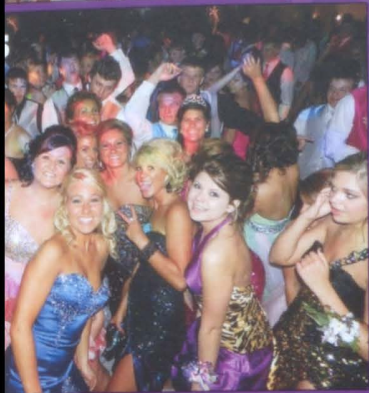

Prom night is one of the most anticipated nights of a high school student's life; it is quite simply magical. For this year's prom-goers, the night was spectacular! Girls spent hours getting ready to look their best and the gentlemen looked dashing in their formal wear. The prom theme this year was Starlit Paradise, with stars and lights aglow to create an inviting ambience. The photo booth was a hit for a second year in a row, along with the popular chocolate fountain. Nick Meyers and Allison Baron were crowned king and queen. Their court consisted of Kelsey Vore, Cadie DellaMorta, Kaebra LaGrange, Shelby Deller, Kaley Burch, Julie Heltzel, Jared Boehm, Graham Park, Miles Kline, Nolan Brinkman, and Blake Harpenau. Students stayed until the very last moments enjoying the music and making memories to last a lifetime!

MY FAVORITE PART OF PROM IS GETTING READY AND TAKING PICTURES! I LOVE MAKING MEMORIES.

# ENTERTAINING

After Prom's theme this year was Hollywood. The parents worked really hard to make sure there were activities and contests to appeal to all students. Cornhole, ping pong, and water pong were among the more popular competitions. There were other competitive games like basketball, tic-tac-toe, and air hockey. The Hot Lips and Muscle Man contests were won by Emily Kern and Nick Myers. At the end of the night, students won many nice prizes donated by local businesses.

The teachers inspired the students this year with many projects and experiments. Academics is much more than the book work, but the hands-on work as well. From King of the Hill, to Rube Goldberg, to art projects and murals, to field trips, our students found new ways for learning. The students used their creative minds to whip up fantastic projects and learn the fundamentals of real world scenarios. The classes were filled with new ways to work that excited the student mind. The academic year was a huge success.

This year's group was very successful. As with every year, members participated in visiting the nursing home, highway clean-up, teacher appreciation, fundraising, Riley's, and grandparents day. The biggest turnout was the Riley's team, led by Mallori Hirt and Ashley Schaus, which funded \$1,800 for children in need during penny wars. Everybody got involved in all of the community activities this year and things flowed very smoothly thanks to Corey Fortwendel and Ms. Johnson.

Fourteen of the members moved on to the state competition in Indianapolis. Jazmine Skelton, Jolene Gogel, Haley Langen, Craig Pund, and Jason Vaal, along with Willie McElhaney and Noah Rickelman advanced to the national competition. Besides competing, the BPA had a little fun on the side with bowling, pizza parties, and organizing the dodgeball tourney for the carnival. BPA experienced a surge in numbers this year, showing positive growth and an active member base. They also had strong leadership, spearheaded by powerful personalities like Willie McElhaney, Craig Pund, and Jolene Gogel.

Fundraisers include such events as Santa Grams, food served at the school carnival, and a huge babysitting event. After all the fundraisers are done at the end of the year, the group takes a trip to Evansville together. The students are separated into groups and tasked with tracking down a certain number of books in a given genre dependent upon the budget dictated by how well the group fundraised. Every year, a new bounty of books is brought back to Heritage Hills.

## Robotics Club

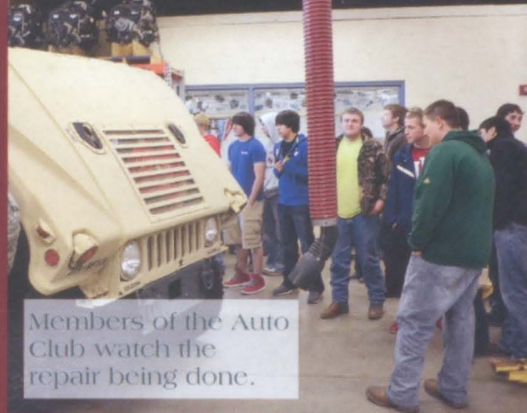

The Revolutionary Robotics team #5460 had a lot of competition this year. They had a lot of fun talking to other groups and gathering information to build an even better robot next year. The team went to the Owensboro competition and worked well together despite the strict rules set in place by the judges. This year's "game" to test the robots was "Ring It Up." The challenge was to build a robot that would pick up rings and place them on a rack in the middle of the arena. The team used their skills in programming and building to assemble a robot that would best complete the task based on problem-solving, strategy, and engineering principles.

During the presentation students could climb on top of a Humvee and even get in the driver's seat to see what the military personnel do on a daily basis. Each spring Mr. Hall takes students to compete in the Skills USA Auto Competition. This year Hunter Greulich represented the club well by placing 8th at the event held in Indianapolis.

Seniors Kaley Burch, Allison Baron, Morgan Schum, Megan Boehm, Clara Laughlin, Brittney Vaal, and Jacob Brown take a final photo together.

Megan Boehm captures the final point for Heritage Hills by correctly spelling "speleology."

Brittney Vaal spells out "antecedent" in the 7th round.

Maria Boehm waits to see if her spelling of "yachtsman" is correct.

**-- JACOB BROWN, SENIOR**

Clara Laughlin spells "dirndl" and Heritage Hills receives another point!

## Intellect

Mr. Jacobs led the Spell Bowl team through a great year. Learning roughly 2,600 words for the Area Spell Bowl Competition, the Heritage Hills' Spell Bowl team earned 30 points, placing second only to Jasper. Unfortunately, the team did not advance to state competition at Purdue University, ending up 27th of 36 teams in the state. Megan Boehm, Brittney Vaal, and Maria Boehm were this year's top spellers with Megan having spelled six of nine words correctly and Brittney and Maria earning five points each.

Brittney Springstun keeps the score for Southridge.

Olivia Morris spells out "dysentery" in the 5th round.

On the judges' panel, Ms. Wahl keeps score while Ms. Buffington ensures that the rules are being followed. Ms. Hochgesang runs up the Power Point presentation for the contestants.

For months the academic teams worked hard for their upcoming competitions. This year's theme was Greece, and 282 schools competed to win. The PAC Academic Super Bowl competition was at Tecumseh with three first placings: Fine Arts, Math, and Science. As a result, the Academic Teams won PAC champions for the first time! The Area Academic Super Bowl was at Evansville Bosse with three first placings: Fine Arts, Science, and Interdisciplinary.

The math team also received second place.

After some calculations, it was determined that the fine arts and interdisciplinary teams had advanced to the state competition at Purdue! They competed against 24 other high schools and the interdisciplinary squad earned 2nd out of five teams in Class 2. The fine arts team earned 4th in their category.

The jungle was jumpin' this year at the Academic Rally. As with every year, each course offered at Heritage Hills had a corresponding award offered to an exemplary student. But it wasn't just prestigious awards going on in the Red Gym; there was plenty of entertainment for the student body to enjoy, with performances from the theater class performing "Trashin' the Camp" from *Tarzan*, BPA initiating rookies with a mysterious tribal ritual, football players and cheerleaders doing an impressive routine, and Ms. Gunselman, Mr. Fischer, and Mr. Asbury performing a costumed rendition of *Tarzan and his Jungle Band*. The event was MC'd by Jon Goldsbury, a former pro football player and alumnus of Heritage Hills High School. During the ceremony itself, students from each class were recognized for their stellar performance in every course offered at the school. Also recognized were Ms. Black and Mr. Clayton, both of whom were approaching the end of their final year as educators. Sporting crowns and souvenir cups while they sat upon their thrones, both Mr. Clayton and Ms. Black felt the love of their school. Another teacher honored was Ms. Sermersheim, who won the coveted "Teacher of the Year" award. A special part of the event revolved around the school's seniors, as they were awarded cords to be worn over their graduation gowns which were color-coded to correspond to their cumulative grade-point averages. The event ended with students feeling happy and excited about their academic progress of the year.

IT'S HARD TO CHOOSE ONE THING STUDENT COUNCIL DID THIS YEAR TO BETTER THE SCHOOL, BECAUSE WE ACCOMPLISHED MANY AMAZING THINGS.

Consisting of leaders from all grades, Student Council engages in many activities throughout the year, working diligently to make sure they run smoothly. Elected by peers, these students plan, organize, and dedicate their time for the well-being of Heritage Hills. Taking on the challenge of leadership while in this club motivates students to make the best decisions for the student population. Student Council is represented through the Canned Food Drive, Holiday Ball, Basketball and Football Homecomings, the Carnival, as well as the competitive Survivor games. This wonderful group of students accomplished amazing things in the 2012-2013 school year.

Being a part of Voice&SADD benefits the student body by helping others become better than they were yesterday. This year's Voice&SADD committee worked hard to help get the word out that being healthy and maintaining a tobacco-free life style is the best way to go. They organized Red Ribbon week activities and a booth at the carnival, as well as having influential guest speakers for the student body.

## Yearbook Staff

The yearbook staff works hard all year long to get pictures of all of the important events in and out of school. A staffer can always be seen at school functions with a camera in hand! It's not all hard work and no play though. The staff has a blast using their creativity to create a yearbook that captures everyone's memories. Everyone also gets to see the business perspective of what it takes to make an awesome book. Working with businesses to sell advertisements is all a part of the job! Yearbook teaches much more than techniques on how to take good pictures. Lessons of responsibility and the value of accomplishing something are also very rewarding things that are learned during the journey of creating a yearbook.

The Choral Department had an excellent year. They kicked off 2012-2013 by singing the "National Anthem" at the Heritage Hills vs. Tell City football game. They continued the popular "Fright Night" performance which is now a tradition in its third year. Their winter concert "Celebrate Christmas" scored them another hit. ISSMA District Vocal Solo and Ensemble came around the corner after Christmas in which they received 15 gold and 12 silver awards. All four choirs attended the event. Patriot Vibe and Girls' Jazz both brought home gold and the Patriot Singers and Elite Jazz received silver. To finish strong they closed this year with their spring show which was another fabulous performance.

# Jazz Performance

This year the Heritage Hills' Music Department sponsored the After Hours jazz dinner dance. This night featured the Jazz Band and Jazz Choir and they worked together to capture the feeling of jazz in one night. They played new songs such as *Any Way You Want It*, *Come Sail Away*, and more traditional standards like Frank Sinatra's *New York, New York* and *In the Mood* made popular by Glenn Miller. The choir and band had a great time learning how to perform these songs together, and take turns being in the spotlight. The night was a big success and the audience was treated to an evening of jazz and was given a chance to appreciate its influence on today's music. A big *thank you* goes to Adrienne Roos, Mr. Akers, and Ms. Staffeld for their work to put the evening together.

The challenge they chose demonstrated their skills with coming up with a solution to a problem through a skit by incorporating two different masks and by being in disguise. There was one difference to this challenge in that the team had to get a main point across, all without using words. They ran into many situations with instant challenges and preparation for their performance that required them to work as a team and improvise to make it through the competition. The message they were conveying in their skit is that everyone should be accepting of others, no matter what they look like.

This year's marching band show "A Full Day" drew the Patriot band family close together. Relying on the inspirational words "Never Give Up" from Jimmy Valvano, the band made it its mission to touch audiences every time it performed. The theme of the show revolved around cancer, the lives affected by the disease, and the idea of living life to the fullest by making every day "A Full Day." Between practices and performances, members of the band shared stories of how cancer had affected their own lives, promoting solidarity and ensuring the band made every performance an emotional one. The band advanced to regional level competition, while accomplishing its goal of connecting with each audience. Positive feedback flooded in after every performance from viewers such as parents, members of other bands, judges, and complete strangers. "A Full Day" spoke to onlookers and listeners alike. ## Girls' Golf

**THE FIRST EVER GIRLS' GOLF TEAM FOR HERITAGE HILLS HIGH SCHOOL!**

This year was an exciting one for Heritage Hills High School with this being the first season for the girls' golf team. The team consisted of only six girls: Sarah Ayer, Dallas Buse, Ashleigh Gideon, senior Julie Heltzel, Eryn Jochim and Madison Lowry. Being the first year for this team some of the girls had little or no experience at all with the sport. Throughout the season the girls really learned a lot and gained experience. Out of twelve matches the girls won two. Coach Jochim says, "For this being the first year they played, two wins out of twelve games was an amazing outcome." Although the team didn't have a winning record, they are more experienced and ready to be competitive for many seasons to come.

Off the field Miles Kline and Jared Boehm earned All-State Academic Honors for their hard work in the classroom. Jared Boehm, Zach Lubbehusen, and Isaiah Hagan were named to the PAC All-Conference team. Senior Ben Woolems also advanced to the state level and placed 20th. The Girls' and Boys' Cross Country teams both had leadership seniors Savannah Mundy, and Emily Kern, Clara Laughlin. The girls had a small team this year, which brought them closer together, and resulted in a fun, successful year. On the boys' team, Seniors Ben Woolems, Kane Harpe, and Junior Devon Merder led the pack. The boys' team was much larger and also had a great deal of senior leadership and experience as well. The team readies themselves for what could be their final game of the season.

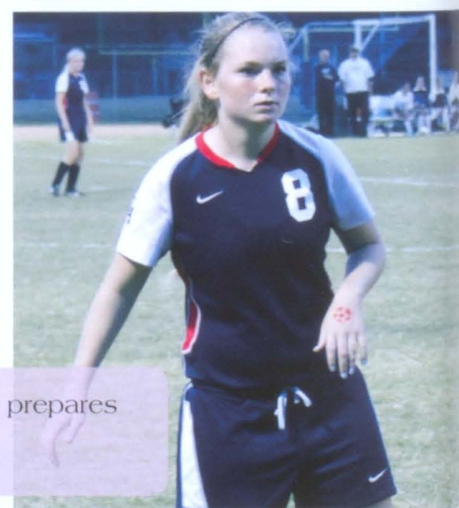

This year, the girls made it far and even made Heritage Hills' history by winning a sectional title along with a PAC title. The team won thirteen games in all, lost five, and had one tie. Along for this amazing ride were seniors Windy Yearby and Kaley Burch who played on the team for their entire high school career. Burch made All PAC Academic and All District Academic for the second straight year. When asked, Coach Satterfield had this to say, "Both Kaley and Windy were great seniors and will be missed." All in all, the girls had an outstanding season, and Heritage Hills looks forward to next year's season with anticipation.

## Boys' Soccer

The boys' soccer team kicked off the season strong by practicing early. Their roster included all grade levels, including five freshmen, five sophomores, twelve juniors and only three seniors. The seniors, Isaiah Hagan, Yomar Cital, and Miguel Lara, provided invaluable leadership and continuity for the team. Isaiah Hagan set records for both single season and career high assists and was also named to the All-Conference team. The team recorded a 3-2-1 record in the conference and the players showed weekly improvement in their skills due the emphasis placed on work ethic. Commenting on the team's unity, Coach Asbury noted that "We were very successful in the category of having fun." The program is in good hands with the many juniors waiting to take the helm next season.

Bump, set, spike! These three words make up the game of volleyball. This year, the volleyball team had a successful 22-7 record, led by seniors Abby Fischer, Mallori Hirt, Kaebra LaGrange, and Hayli Scott. Their varsity starting lineup frequently consisted of talented sophomores like Miriah Leiberling, Madison Fella, and C.J. Nance as well. The more experienced girls were able to mentor the younger players and have a strong presence on the court. Kaebra LaGrange received All Around All-PAC honors and was named to the second team All State for Class 3A. She also scored the most team points. Hayli Scott and Madison Fella both received PAC Honorable Mentions. The year's positive team chemistry formed during the two weeks of five hour practices and through spending time together both on and off of the court paid off in a winning season.

Dodgeball was a fierce competition in 2012. Although a rainy day brought about a change in location for the playing fields, the students were not fazed as they fought for the winning spot. The carnival blow-ups created a great effect on gameplay, as balls were lost constantly and consistently. Still, the closeness of all of the activities made for great sightseeing spots for all of the on-lookers. Some teams came dressed as Power Rangers or superheroes, while others coordinated simple outfits into team uniforms. The battle came down to teams Super Seniors and the Bomb Squad. The fight was close, but in the end the Bomb Squad, consisting of Ashley Bauer, Savannah Mundy, Hayli Scott, Felicia Leiberling, Caleb Busler, and Gabe Konerding defeated all, and took the prize as grand dodgeball masters of HHHS.

Powder Puff proved a great battle this year. Each team coordinated outfits to prepare for an evening of fierce competition. The first game of the night was freshmen versus seniors. The seniors defeated the freshmen. Then in the following game the juniors crushed the sophomores. The final game was between seniors and juniors. In the end the seniors dominated the playing field for the 2012 powder puff games.

MY FAVORITE MEMORY WAS COMING FROM BEHIND AND BEATING JASPER!

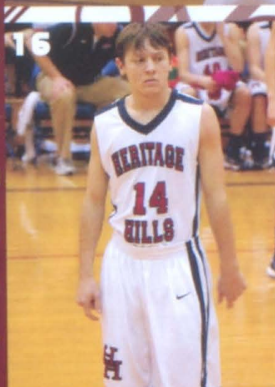

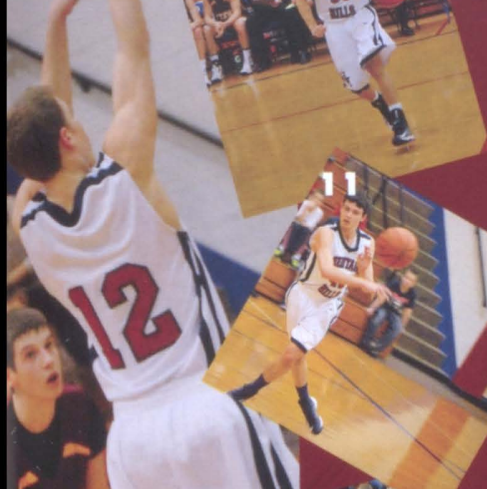

The boys had a fresh start with a young team this year. Although there were no seniors, the team found leadership in their juniors: Devon Merder, Spencer Minto, Sam Scherry, Torrin Madden, Zach Zoglman, Justin Crane, and Andy Sickbert. Leading the team this year with the most points made was

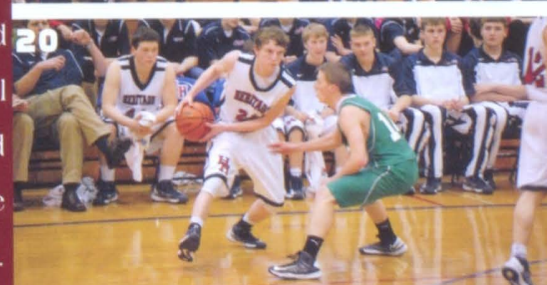

Devon Merder with a cumulative 394 points. They played with heart and won over the crowd at nearly every game. With a winning season of fourteen wins and eight losses, the boys had a successful year. The team finished second in the PAC conference.

Their season ended in overtime against Jasper at the sectional game. They put up a great fight and finished a wonderful comeback season, and show great promise for next year.

With a total of eleven out of twelve wins, first place at PAC, and third place at sectional, the girls' team blew all other teams out of the water. The boys' pushed on, improving scores and vowing to come back even stronger next year. The diving team enjoyed a fierce run with their own Morgan Schum advancing to state and finishing 15th, a great feat for any Patriot swimmer or diver.

# Wrestling Team

Wrestling is not only a sport but a passion. In order to be successful you must dedicate most of your time and effort and strive for greatness. This year's season is proof that our wrestling boys stepped up and worked hard to become the best they could be. Their hard work was proven when they received first place at P.A.C. Many advanced and moved on to sectional and regional. Nick Myers, Jared Boehm, Gabe Konerding, and Jake Rickenbaugh successfully moved on to semi-state, and Jared Boehm and Jake Rickenbaugh advanced to state competition. Jared received 6th in the state for the 220 weight class and Jake received 8th in Indiana for the 170 weight class. The rest of the team cheered them on and provided support like true Patriots do!

It was a great season for the Heritage Hills' softball team. With nine seniors—Hayli Scott, Megan Ficker, Ashley Bauer, Savannah Mundy, Cadie DellaMorta, Abby Fischer, Whitney Ebelhar, Kaylee Zoglman, and Felicia Leiberling, the team had amazing leadership. Their experience paid off with a final record of 20-6. At PAC, the team earned a co-conference title with Gibson Southern. The team built trust, skills, and team cohesion throughout the year, which led to their success. The team showed that with great effort, skills, and focus,

goals are attainable. The team will miss the seniors as they start next season, but knows what it takes to achieve a winning season.

Brenda Black leaves the HHHS family after 19 years as a Consumer and Family Science teacher. Ms. Black's legendary "baby" project taught many students the responsibilities of caring for a child and making smart choices. She was always willing to lend a hand when an event needed catering or a class needed to warm up a dish! She was part of the Upward Bound program for many years as well. Brenda will be missed by students and colleagues!

Bob Clayton spent 35 years at HHHS, building a reputation as a respected coach and a fierce competitor. Besides teaching English, Bob also taught PE and Health during his tenure at the high school. During his career he shaped the thinking process of countless young men and women alike, many of whom went on to achieve greatness. Mr. Clayton will not soon be forgotten. He looks forward to spending time with family during retirement.
