My HHHS Campus

Safe, Technological Learning

North Spencer believes that teaching responsible technology use to students is an inherent piece of 21st Century education. Integrating technology into daily instruction allows for the more complete development of thoughts and ideas which will lead to a deeper understanding of each content area. These critical thinking skills and the ability to present information in a coherent manner are two of the main characteristics for which employers are searching. Leaders of the North Spencer County School Corporation feel as though it is our duty as educators to “lead” our students into the future. Technology is a major component of that future and My Big Campus is simply one platform by which to achieve that goal.

Heritage Hills High School does a fantastic job of respecting and learning from our history while continuing to press forward into the future. The hospitality, work ethic, academic success, and school spirit that the students and staff at Heritage Hills High School display make us the envy of surrounding school districts and a model school in the state of Indiana. I feel so blessed to be a part of the Heritage Hills family.

The cafeteria continued to make menu changes during this school year to offer the students and staff healthier options. Their staff has made the transition easily and the whole HHHS family benefits daily. One of their long-time employees is retiring at the close of the school year. Barbara Huffman began working at HHHS in 1978 as a substitute. When the cafeteria needed a little more help, her day turned into a part-time 11am to 2 pm shift. Later she became full time and has really enjoyed her time here. Barbara loves the people she works with and all of the kids that have passed through the line over the years. She will truly miss everyone! Thirty six years seem to have passed really fast for her, and her familiar face at the register will be missed by all.

The Maintenance Department has experienced many changes during the 2013-2014 school year. Matt Sperling, Maintenance Manager, left HHHS for a position closer to family. Former HHHS graduate Tim Thompson took Sperling's place in mid-May. Leaving the HHHS family for retirement this year are Barbara Wells, Herman Souders, and Sharon Franchville. During their time at HHHS, they have truly made a difference in the way our school looks and each one of them has bettered our school's positive atmosphere. The staff and students will all miss them dearly and we wish them luck on their future endeavors.

Student Council

Activity

The Heritage Hills Student Council started off the year on a positive note with a dance after football homecoming that was a total hit. Each year they sponsor a canned food drive that helps out the community and many families in need. After having to reschedule due to snow, the Student Council hosted the Holiday Ball on the last Friday of first semester with a theme of "Masquerade". They also take care of entire football and basketball homecoming event from nominations to coronation.

Kaitlin Kralj is now following the Student Council Annual Canned Food Drive

Heritage Hills Student Council Helps out the Community

On December 6, 2013 the Heritage Hills Student Council traveled to the Dale Community Action Center in order to organize food items. The students brought the money and canned food from their annual canned food drive in October. With a spirited "Super Hero" theme, they raised hundreds of food items.

Miriah Leibering sets the ball to her teammate for a spike for the Patriots!

This year the girl's volleyball team had a productive season. They played hard, making it all the way up to the final match in sectional against Jasper. Their varsity team included talented players like CJ Nance, Madison Fella, and Miriah Leibering. McKensie Ayer, the lone senior senior this year, was a vital part of the team as well. Juniors Miriah Leibering and Madison Fella were named to the PAC All-Conference team. Coach Gunselman reflects, "We gained a lot of valuable experiences that will help the players who will be returning next year." The season was exciting and constructive due to the girls' determination, teamwork, and skills on the court!

cross country

The 2013 cross country team did a great job this year! Two members of the team, Devon Merder and Logan Ayer, made All-Conference this year. The team was led by three seniors, Nikki Welch, Devon Merder, and Stephanie Schaeffer. The team performed well at the Alan Hopewell Invitational where Devon Merder came in seventeenth and Dalton Selvidge came in twentieth out of fifty. The run was 5,000 meters. Logan Ayer placed fiftieth in the Boonville Invitational. The team always worked together to get the best results from each run, staying positive even when it started pouring rain in the middle of a meet.

I've been running for six years now and even though I was facing an injury this year, I love it. But as my mom told me in the beginning, the route to becoming a great runner is a painful road. You run until your lungs burn. You run until your feet ache. You run until your legs feel like lead. And then...you run some more.

The boys' tennis team, with just seven players, saw lots of tough competition this year. Dugan Kippenbrock led the team at number one singles as the only senior. Sophomores Tyler Waggoner and Keith Woolems claimed the number two and three singles positions. In doubles action, sophomores Pierce Brown and Dalton Gray competed in the number one spot, while freshmen Gavin Fella and Jonathon Hoppenjans played in number two doubles. Dugan Kippenbrock was named to the All-Conference team as a singles player. The team is coached by Brian Oxley and Gavin Burke.

This year was the second season for the girls' golf team. The team consisted of nine members with Dallas Buse, Ashleigh Gideon, and Eryn Jochim returning from last year's team and providing leadership. The new teammates were Caroline Guth, Angel Gideon, Meagan Oliver, Brittany Neyenhaus, Riley Spencer, and Emma Buechlein. With six more wins than last year the ladies showed lots of improvement. This season was the first time in school history that Heritage Hills had a team participate in the sectional. With Dallas Buse almost qualifying for the regional, the team is poised to meet the challenge next year. Coach Jochim says "With all nine girls returning next year the future looks bright."

"My favorite memory from the season is when Caroline fell off the golf cart and the coach didn't stop."

This year the girls did an amazing job with an overall record of 11-2-3. They dominated the likes of Vincennes Lincoln, Mater Dei, Bosse, and Evansville Day School. Two seniors, Olivia Morris and Darby Vinson, led them throughout the season. Breigh Haase and Karaline Staggs were named to the all-PAC team for the second straight year, while Adrianna Oxley and Abbie Busler were given honorable mention. The girls fell short of winning the sectional, but did claim 2nd place in the PAC. With so much returning talent, next year is sure to be exciting for Patriot girls' soccer!

With seniors Abraham Perez, Donovan Aders, Ben Wilson, Sam Scherry, Trent Gogel, Will Funston, Collin Snyder, and Blake Radigan leading the team, Coach Asbury expected a winning boys' soccer season and he was not disappointed. With an overall record of 11-4-1 and a conference record of 3-2-1, the team advanced to the final game of sectional play. In the jaw-dropping moments of their opening game against South Spencer, the team extended the contest and their season through two successful penalty kicks. Their final game against Forest Park went into overtime and the Patriots fell short 1-2. Donovan Aders and Collin Snyder were both named to the All-PAC team with Sam Scherry receiving an Honorable Mention.

The Swimming and Diving team finished strong with a successful season. The girls and boys both brought home 2nd place PAC titles. With such a small team, the swimmers' individual talents were key to their being successful. Junior Drew McCutchan was a PAC champion along with Mariah Burdin in diving. The Boys' 200 Free Relay team consisting of Drew McCutchan, Jesse Smith, Donovan Aders, and Logan Ayer also brought home a conference champion title! All in all, it was a great season for Patriot Aquatics.

The 2013-2014 girls' basketball team, consisting of one senior, seven juniors, six sophomores, and seven freshmen, had a very good year. Greer Neff and Madison Fella were named to the all tournament team. Greer was also named first team all conference. Madison was named player of the week after playing Evansville Harrison and Northeast Dubois, as well as honorable mention all conference. Kayala Hoppenjans, the team's one and only senior, was named player of the week after playing Princeton as well as Academic All Conference. The Patriots watch in sorrow as the time runs down in the final game of sectional.

The Patriot boys' basketball team finished its season with an overall record of 17-7 and a PAC Conference record of 6-2. Devon Merder broke the school record for free-throw percentage in a season with 89.9%. The previous record was held in the early 1980's by Brian Wahl. Devon will play in the Hoosier Basketball Magazine North-South All Star Game in April; he was also voted All PAC 1st team along with Sam Scherry and Gavin Schaefer. Gavin has been invited to play in the TOP 100 Workout at Ben Davis H.S., an amazing accomplishment. Although the season ended sooner than anticipated, the team is eager to conquer the court next year.

The cheerleading team competed in the Indiana Association of School Principal's state cheerleading competition. They advanced out of semi-finals and placed 6th in the state in their division. One of our own seniors, Ally Waninger, was named to the All-State Cheerleading team. The cheerleaders not only supported the football and basketball players but also led the crowd into showing true Patriot pride!

dance team

Two seniors, co-captains Sara Hagedorn and Jenna Morris, led this year's Patriot dance team. The team started their year off by performing at the Dale Fall Fest showing off a variety of dance styles, including hip-hop, Christmas, pom, and a partner dance. They also held their annual Little Patriot Dance Clinic, where they taught elementary school kids different dances which they later showcased at one of the basketball games. The girls enjoyed dancing together at the home games and had a lot of fun throughout the season.

RACK 'EM, WHACK 'EM, AND PACK 'EM!

"We actually scored more games this year than we had in the past five seasons," stated Mr. Oxley, the coach of the girls' tennis team. The team had a rough season this year. They worked together and individually to win as many matches as they could! Along with the team's two seniors, Kayla Hildenbrand and Vanessa Lahee, the rest of the team grew very close through the four month tennis season. Four players, Alexis Rube, Vanessa Lahee, Kayla Hildenbrand, and Amber Schmidt, had ten wins this year. The girls' tennis team fought hard all the way up to sectional play.

Voice and SADD, led by sponsor Ms. Gramelspacher, provides students with the best prevention tools they can to deal with issues of underage drinking, drug use, and risky and impaired driving. They plan many events and have speakers come in to inform students. One of the speakers was Kelli Reinke, Spencer Co. police officer, who spoke about how law enforcement tries to help families who struggle because of substance abuse problems. They participated in The Great American Smokeout, and also Red Ribbon Week, which had various dress up days, to show their commitment to drug prevention, education, and personal commitment to drug-free lives.

The Pep Club focuses on keeping the energy level high at HHHS. Led by Ms. Fischer and Ms. Sermersheim, they organize spirit nights, make many posters, and paint the windows to support the sports. They try to get as many people to attend any school-related event to promote strong bonds in the student body. They promote Spirit Nights for each organization and reward the winning class with ice cream sundaes. They also come up with themed dress-ups like toga, whiteout, and old school for sporting events. P.E.P. mentors have had a great year teaching the middle school and the freshmen class how to make healthy life choices. They teach the kids how to stay abstinent and how to avoid peer pressure through educational activities, skits, and videos. Topics such as teen pregnancy and drug and alcohol abuse always generate great discussions. Mentors also talk to kids about high school and answer their questions. P.E.P. is a good program to teach our younger students good life choices.

Spencer County LEADER

Bringing the news to You!

Hard Work

by Gabbie St. Clair

The Spencer County Leader is the sister newspaper to the Ferdinand News. The Leader and Ferdinand News are the lead in news not only here in Spencer County but also in Dubois County.

Both papers are run by Kathy Tretter, editor, and Richard (Digger) Tretter, photographer. They make the papers happen with a star journalism and photo editing staff.

Barb and Brittany are the sole editors of the paper. The two create and edit ads to be placed into the paper.

But, who sells the ads? Linda. Without Linda the paper would not be profitable. Because of her hard work the paper is made possible.

Brian Bohne is the sports editor. Therefore he attends every local game, taking photos and writing the story on each.

Cheryl Hurst, Lisa Hoppenjans and Dean Bolin are the field journalists. They leave the office in order to find the headline stories published in each paper.

Bonnie Hackman has one of the hardest jobs. She creates the "Back When" column. She also deals with schools to make the "Newspaper in Education" and "Graduation" pages happen.

Lastly, there is Stacy Haaff. Her job can be the most tedious. She answers the phones and keeps track of ad sales.

That would be the staff who make the news happen every week!

Stan Jochim has been a part of HHHS for 32 years. During his time here he was the assistant football coach for 32 years, was an integral part of the Special Education department, coached the girls' basketball team for 17 years, as well as the junior high team for three years. In 1991 Mr. Jochim started the Inclusion Program making Heritage Hills one of six schools to pilot the program. Mr. Jochim looks forward to traveling the U.S following his retirement.

Marty Echelbarger who has been teaching for 47 years came to Heritage Hills in 2001. He became a part of the math department and coached basketball in the beginning of his years here. He went on to teach Driver's Ed. after Mr. Hein retired. In 2012 Driver's Ed was removed from Heritage Hills and since then Mr. Echelbarger has taught P.E. and health for both the middle and high schools. After his retirement Mr. Echelbarger feels there will be a definite void in his heart.
